The Sacraments of the Law and the Law of the Sacraments Judith Hahn, 2023-11-08 Sacramentality can serve as a category that helps to understand the performative power of religious and legal rituals Through the analysis of sacraments we can observe how law uses sacramentality to change reality through performative action and how religion uses law to organise religious rituals including sacraments The study of sacramental action thus shows how law and religion intertwine to produce legal spiritual and other social effects In this volume Judith Hahn explores this interplay by interpreting the Catholic sacraments as examples of sacro legal symbols that draw on the sacramental functioning of the law to provide both spiritual and legal goods to church members By focusing on sacro legal symbols from the perspective of sacramental theology legal studies ritual theory symbol theory and speech act theory Hahn's study reveals how law and religion work hand in hand to shape our social reality

Connors, CSC, 2021-05-15 In this unique resource Fr Michael E Connors CSC gathers and expertly guides the collective wisdom of experienced preachers and homilists to provide a unique resource that examines the preacher's unique role as shepherd and a spiritual leader The chapters will investigate these dual roles according to the roots of the Catholic spiritual tradition and provide practical advice for priests deacons seminarians in homiletics classes or preaching classes retreat leaders RCIA catechists all who preach *Preaching as Spiritual Leadership* provides solutions to the following questions How is preaching embedded in the Church's pastoral mission What does it mean to be a shepherd and spiritual leader for others How can a preacher flourish in the role of spiritual leader How can we lead others into committed discipleship through preaching To be a shepherd and spiritual leader the preacher must be in some sense a mystic who is filled with the Lord's gracious presence a presence to be shared with others Homilists are a

sacramental people they must also be a mystagogues ministers who can both lead the community's ritual celebrations and help the People of God to plunge into the liturgy with lively faith to touch the holy realities behind them *Teaching as a Sacramental Act* Mary Elizabeth Moore, 2004-11-01 Moore asserts that Christian vocation and the teaching vocation in particular can be best understood as sacramental mediating the grace of God through ordinary creation for the sanctification of human life and the well being of all creation She develops her argument through three important factors a historical theological analysis of the Christian sacraments and sacramentality a phenomenological study of teaching events and a description of six sacramental movements and corresponding teaching practices informed by Jewish Christian traditions and Eucharistic practices The nine detailed chapters include Searching for the Sacred Sacred Teaching Education as Sacrament Expecting the Unexpected Remembering the Dismembered Seeking Reversals Giving Thanks Nourishing Life Reconstructing Community and Repairing the World and Mapping the Future of Sacramental Teaching Teaching as a Sacramental Act is ideal for students pastors Christian educators spiritual directors and pastoral caregivers who want to rethink and reshape the teaching ministry of the church Ecclesiology in Reformed Perspective Billy Kristanto, 2022-07-11 This ecclesiological study argues that Reformed ecclesiology cannot be separated from Reformed Christology The christological foundation of Reformed doctrine of the church will be examined as Reformed theology portrays the important ecclesiological topics in the light of its christological thoughts This book offers potential for the future of the church with her pastoral concern It will serve as a stimulus against the erroneous paths of ecclesiocentrism on the one hand and church forgetfulness on the other Even though the chapters of the book deal with classical topics in ecclesiology the work will try to analyze and answer contemporary challenges the church faces This book is not a systematic treatment in the sense of an examination of the whole developed in terms of one principle that is Christology Rather the concern of this book is to expound the Holy Scripture realistically and to engage with the contemporary church in her concrete existence The study will weave together insights from biblical historical confessional philosophical and contemporary studies in a fruitful way The Sacraments Today Juan L. Segundo, 2005-05-25 Juan Luis Segundo a Jesuit theologian from Uruguay is author of Liberation of Theology Liberation of Dogma and The Sacraments Today **Jesus Christ, Learning Teacher** Mark Chater, 2020-10-30 The Christian presence in education has never been more controversial While some secularists oppose any form of religious involvement in schools or universities some Christians also wonder why the churches are there Conflicting narratives surround the purpose of Christian involvement in education Yet at the heart of Christianity stands an educator whose passion and resurrection can be understood afresh as learning But what does it mean to say that Jesus was a teacher If he was a good teacher was he also a learner Is today's Christian church learning Can educators help the church to recover a learning Christ who places learning at the heart of the Godhead and the church How could the Christian churches take the educational significance of Jesus more seriously Christian teachers often find themselves divided between a professional discourse on

learning and making progress and a theological vocabulary which they do not fully own connecting only sporadically with their professional identity This book helps educators to treat their teacher identity as a theological resource rather than an obstacle and in so doing to discover new insights on Christ which can be of relevance to the wider church and its mission

Preaching from Inside the Story Jeffrey W. Frymire, 2022-06-02 Preaching from Inside the Story is a book that seeks to carve out an understanding of narrative preaching in an age where there is little agreement about its nature and practice Capitalizing on the works of Craddock and Lowry it seeks to find an expanded palette upon which the preacher may engage the larger canvas of narrative preaching This book will engage the mind by introducing neuroscientific understandings of creativity build upon the foundations of the philosophy of stories by engaging Aristotle's foundational understanding of narrative and renew the Lowry Loop by expanding this seminal work and how it should be understood in our current culture Preaching from Inside the Story breaks new ground by encouraging preachers to move inside stories and tell them from the inside out providing a positive effect thereby affording non narrative preachers to connect with storytelling principles Ultimately it is filled with examples of how to do narrative in a very practical way However in showing these practical examples the reader is involved in a deep analysis of those narrative sermons and how they fit into an overall narrative understanding of preaching In the final analysis it invites the reader to take a fresh journey into narrative preaching

Church at Church Ronald Andrew Rienstra, 2022-01-01 Jean Jacques von Allmen's work was animated by three key insights the Church both learns and becomes what it truly is when it gathers to worship worship tells the story of God's salvation history and invites God's people into it and by doing so the church offers the world both a stern warning and a hopeful promise The Swiss Reformed pastor and professor is among the most admired liturgical theologians of the twentieth century but his work is largely and lamentably unknown to most worship leaders In Church at Church Ron Rienstra provides an introduction to this important thinker He offers methodological and biographical context and then explores von Allmen's most generative insights concerning the church as it engages in its most foundational activity worship Viewed through the lens of the Nicene marks Rienstra's exploration yields the outlines of a liturgical ecclesiology a way to help the church think more deeply about its identity and to help its leaders shape the worship they prepare and lead today

The Seven Sacraments of the Catholic Church Romanus Cessario, 2023-06-20 There are seven sacraments administered in the Catholic Church What are they and what do they do Why do human beings require sacramentalized visible realities to seal their confession of faith in Jesus Christ Why does the Catholic Church administer the sacraments in the way that it does Leading Catholic theologian Romanus Cessario OP offers an in depth explanation of the seven sacraments celebrated in the Catholic Church He addresses the

rationale for the sacraments and provides detailed exposition of each one highlighting the importance of the Catholic tradition and of Thomas Aquinas in particular for contemporary reflection on the sacraments This book examines why participation in the sacramental life of the Church is required for the believing Christian and helps readers understand the role the sacraments play in the sanctification of the world **The Church and the Sacraments** P. T. Forsyth,1996-12-02 To be a Christian is not to attach one's salvation to a grand individual but it is to enter Christ and to enter Christ is the same act to enter the Church which is in Christ P T Forsyth *Novel Preaching* Alyce M. McKenzie,2010-02-01 In this lively and accessible book Alyce McKenzie explores how fiction writers approach the task of writing novels how they develop their ideas where they find their inspiration and how they turn the spark of a creative notion into words on paper that will captivate the masses McKenzie's study shows how preachers can use the same techniques to enhance their own creativity and to turn their ideas into powerful well crafted sermons *Novel Preaching* offers a wealth of advice from successful fiction writers including Isabelle Allende Frederick Buechner Julia Cameron Annie Dillard Natalie Goldberg Stephen King Toni Morrison Joyce Carol Oates and Melanie Rae Thorn and also includes a number of sample sermons from McKenzie herself **What's Right with Preaching Today?** Mike Graves,André Resner,2021-03-09 In 1928 when Riverside Church NYC pastor Harry Emerson Fosdick asked the question in Harpers Magazine What's the Matter with Preaching Today he did not know that one response to that question had just entered the world in Humboldt Tennessee Fred B Craddock revolutionized preaching theory and practice by flipping pulpit logic from deductive to inductive often called the preaching as storytelling revolution and in so doing brought renewed interest and impact to the practice of preaching effectively rescuing it from an often tedious and moralizing fate With Fred preaching was anything but boring Rather it was an exciting and enlightening ride that led to the renewal of faith To honor Craddock's legacy Mike Graves and Andre Resner invited ten leading voices in homiletics to identify something that is right about preaching today In addition they issued a call to a wide variety of people to contribute stories about Fred's impact on their lives and ministries Twenty seven remembrances of Fred are included here throughout the book If you appreciate effective and engaging preaching as either a preacher or listener the essays and remembrances here will speak to you and provide encouragement about preaching's present and future With contributions from Ronald J Allen Barbara K Lundblad Alyce McKenzie Debra J Mumford Luke Powery Andre Resner Richard Ward Dawn Ottoni Wilhelm Paul Scott Wilson
