A Real Game Changer

Helpful to 3 out of 3 people

Applying for a loan at Upstart has turned out to be one of the best decisions I've ever made. I have been drowning in credit card debt from when I was a student in college supporting myself. Upstart gave me a chance when no one else would to help pay for all of my debt in just 3 years. Had I continued paying the minimum payment amount for each card, it would've taken me at least 10 years to pay it all off. I'm so grateful to Upstart for taking a chance on me.

Inclusive Fintech: Blockchain, Cryptocurrency And Ico David Kuo Chuen Lee, Linda Low, 2018-06-22 Cryptocurrency market has been growing fast since its emergence in recent years Moreover digital finance has forged the convergence of profit motives with social objectives creating a class of large FinTech companies In addition the underlying technology innovation may be applied to a wide range of industries not limited to financial sector Yet few researches have been done to study these phenomena Hence it is the task of this book to shed light on the introduction and trends in FinTech blockchain and token sales Richly illustrated with original lecture slides taught by the authors Inclusive FinTech Blockchain Cryptocurrency and ICO hopes to dispel the many misconceptions about blockchain and cryptocurrencies especially bitcoin Initial Crypto Token Offering or ICO as well as the idea that businesses can be sustainable without a social dimension going forward With comprehensive coverage given to the FinTech scene in Asia it is targeted at those who are searching for business opportunities Most important of all this book seeks to change the mindset of a whole new generation that is familiar with digital economy and yearns for a more just and equitable world Basic Knowledge on FinTech TABF Editorial Board, Hank C.C Huang, 2020-04-01 As the field of FinTech continues its progress financial institutions must not only enhance their digitization but also make serious efforts to understand the resulting new opportunities it creates In line with these developments TABF has published the book Basic knowledge on FinTech which was designed by us as a reference for the FinTech Knowledge Test Co authored by TABF staff and other experts it features balanced and credible analysis avoiding trivia and overly complex concepts while emphasizing readability The content structure is based on the World Economic Forum WEF s roadmap for FinTech development adding in TABF s research findings plus other domestic and international trends and practices Not only is Basic knowledge on FinTech suitable for financial proficiency testing but it can also be used as a textbook in university courses supplementing theoretical knowledge with up to date practical knowledge in this rapidly changing field ValueWeb Chris Skinner, 2016-01-15 The Internet of Things is all about machines trading with machines your fridge orders groceries your car fuel your television entertainment and so on However machines cannot trade with machines if it s expensive and slow Would you really want your TV to order the next season of Games of Thrones if the payment took ten days and cost 25 or more Unfortunately with the way the bank system works today that is the problem we face today As a result we need an Internet of Value to work with the Internet of Things The Internet of Value or ValueWeb for short allows machines to trade with machines and people with people anywhere on this planet in real time and for free Using a combination of technologies from mobile devices to bitcoin and the blockchain fintech firms are building the ValueWeb The question then is what does this mean for financial institutions governments and citizens This book provides the answers

Backing The Bold: A Primer On Early-stage Venture Capital In Southeast Asia Paulo Joquino, 2022-09-20 Backing the Bold is a primer on the venture capital industry business and profession in Southeast Asia The goal of the book s thirteen

chapters has initially been to guide students of the Insignia Ventures Academy Asia's first experiential venture capital accelerator in their exploration of the venture capital industry and profession specifically in the context of Southeast Asia's startup ecosystem and from the perspective of Insignia Ventures and its portfolio founders. Rather than being a book in the traditional sense of the word such an origin and context for *Backing the Bold* has inevitably made this book a dynamic piece of literature continuously growing and improving thanks to every new group of people who become part of the VC accelerator as organizers, mentors, or participants. Now in print and in distribution, this first edition is available for all as a snapshot of *Backing the Bold*'s progress as a continuously evolving repository of insights, best practices, and frameworks. It is for readers of any background or motivation to gain a better understanding of the venture capital investment process, portfolio management, and profession in the context of Southeast Asia's fast-growing technology markets.

Navigating Aseannovation: The Reservoir Principle And Other Essays On Startups And Innovation In Southeast Asia Yinglan Tan, Paulo Joquino, 2020-10-29 Southeast Asia has been an emerging frontier for internet technology startups with talent and capital flooding into the region's technology markets in recent years. *Navigating ASEANnovation: The Reservoir Principle* and other essays on startups and innovation in Southeast Asia is a collection of essays and interviews with founders and investors on what it takes to thrive and win in the region as a tech startup. From topics such as bringing together a founding team to exiting a company, the collection covers various aspects of startup growth, digging deep into the critical strategies tech founders and business leaders of different countries and industries can adopt while embracing the diversity critical to understanding the region. *Navigating ASEANnovation* serves as a go-to compendium providing practical advice and mental frameworks for anyone interested in Southeast Asia and tech startups, highlighting the unique aspects of operating in the region that the world can learn from as well. The collection was curated with commentary from Yinglan Tan, Founding Managing Partner of Insignia Ventures Partners, an early stage technology venture fund in Southeast Asia, and Paulo Joqui, o Editor of Insignia Business Review, the official publication of Insignia Ventures Partners.
