Bad to Good Credit Melissa Nicole, 2015-04-09 One year ago I had bad credit. I was so very frustrated. I did not know how to fix it, and everything I did seemed to make it worse. I had been renting for a long time and really wanted to purchase a new home for my family. So I began a one-year project to fix my credit once and for all. I did not hire anyone to help; just a lot of research. I will be closing on my new house on April 30th, 2015, with really great credit. No one else is on my loan; just me. It was amazing to see banks beg for my business. I wrote this book to help others like me. This book breaks down the mysteries and even contains letters and numbers that you will need to make things right. Good luck to everyone who is reading this, and I will see you on the other side.
