Inquiries for credit, also known as hard inquiries, are placed on your credit report whenever you apply for credit. This metric takes into account the number of inquiries reported on your credit over the last two years. It is important to note that soft inquiries, like the kind used by Credit Karma, do not impact your credit score and are not counted here.

**Note:** Values represent total hard inquiries on your credit report, not hard inquiries accrued within a specific time period or each month.

Total Hard Credit Inquiries information is based on your TransUnion credit report updated on Mar 5, 2012.
