## **Credit One Platinum Card Review:**

**Delinquent** Elena Botella, 2022-10-11 Publisher's Weekly Top 10 Fall Release in Business and Economics A consumer credit industry insider turned outsider explains how banks lure Americans deep into debt and how to break the cycle Delinquent takes readers on a journey from Capital One's headquarters to street corners in Detroit kitchen tables in Sacramento and other places where debt affects people's everyday lives Uncovering the true costs of consumer credit to American families in addition to the benefits investigative journalist Elena Botella formerly an industry insider who helped set credit policy at Capital One reveals the underhanded and often predatory ways that banks induce American borrowers into debt they can't pay back Combining Botella's insights from the banking industry quantitative data and research findings as well as personal stories from interviews with indebted families around the country Delinquent provides a relatable and humane entry into understanding debt Botella exposes the ways that bank marketing product design and customer management strategies exploit our common weaknesses and fantasies in how we think about money and she also demonstrates why competition between banks has failed to make life better for Americans in debt Delinquent asks How can we make credit available to those who need it responsibly and without causing harm Looking to the future Botella presents a thorough and incisive plan for reckoning with and reforming the industry

**The Fragile Middle Class** Teresa A. Sullivan, Elizabeth Warren, Jay Lawrence Westbrook, 2020-02-18 Why have so many middle class Americans encountered so much financial trouble In this classic analysis of hard pressed families the authors discover that financial stability for many middle class Americans is all too fragile The authors consider the changing cultural and economic factors that threaten financial security and what they imply for the future vitality of the middle class A new preface examines the persistent and new threats that have emerged since the original publication A fascinating alarming study This chilling diagnosis of middle class affliction demonstrates that we all may be only a job loss medical problem or credit card indulgence away from the downward spiral leading to bankruptcy Publishers Weekly A well designed and carefully executed study Andrew Greeley University of Chicago The Fragile Middle Class a well written work of social science that is about as gripping as the genre gets forces us to reevaluate notions about consumerism American Prospect
