Crime Criminality Multidisciplinary Sandie Taylor:

Crime and Criminality Sandie Taylor, 2015-12-22 The question of why and how certain individuals are drawn towards behaving in a way that contravenes the Law of the Land is not an easy one to address Researchers from various different fields have nevertheless attempted to develop theoretical explanations for the existence of different types of crime and why some individuals commit such acts Crime and Criminality draws on criminology sociology psychology and neuroscience to offer a balanced perspective of crime the criminal and criminality Coverage includes a comprehensive discussion of theoretical approaches to criminal behaviour including biological social and rational choice approaches an analysis of legal and social definitions of crime and how these definitions influence the way specific behaviours are labelled as criminal an examination of different types of crime and criminals from delinquents to psychopaths and sex offenders an exploration of different ways in which crime is predicted including risk assessment and offender profiling and an overview of investigative techniques Addressing a broad range of topics and offering a synthesis of competing theoretical explanations of criminality this book is essential reading for students taking courses in criminology criminal psychology criminal behaviour forensic psychology and psychological criminology

Gothic Literary Travel and Tourism Alex Bevan, 2023-05-15 Gothic tourism is a growing phenomenon and a medium through which Gothic fictions and folkloric tales are re imagined and generated This book examines the complex relationship between contemporary English Gothic attractions and storytelling uncovering how works of Gothic fiction can both inspire Gothic tourism and emerge from the spaces of Gothic tourism contending that Gothic tourist attractions are multi layered storytelling experiences Contributing to the study of literature and place Gothic Literary Travel and Tourism draws together the study of literary Gothic tourism and spatial philosophy offering interdisciplinary analysis into the interface between Gothic narrative s and the spaces in which the tourist navigates The storytelling practices taking place in Gothic caves theme parks ghost tours and rural walks serve to reflect contemporary fears and anxieties This book situates the act of touring a Gothic site as a process of literary and social discovery

Justice After War David Chiwon Kwon, 2023-05-12 Justice After War is aimed especially to both undergraduate and graduate students as well as the general audience who want to understand the significance of a recent development within the just war tradition namely the increasing attention given to the category of jus post bellum postwar justice and peace While examining the interrelated challenges of moral and social norms in both political and legal domains as well as church practices this work proposes an innovative methodology for linking theology ethics and social science so that the ideal and the real can inform each other in the ethics of war and peacebuilding The main task of this project then is to identify what the author views as three key themes of jus post bellum and three practices that are essential to implementing jus post bellum immediately after a war just policing just punishment and just political participation David Kwon endeavors to challenge the view of those who suggest that reconciliation mainly political reconciliation is the foremost ambition of jus post bellum Instead he attempts to justify the

proposition that achieving just policing just punishment and just political participation are essential to building a just peace a peace in which the fundamental characteristic must be human security It thus demonstrates that human security is an oft neglected theme in the recent discourse of moral theologians and that a more balanced understanding of jus post bellum will direct attention to the elements composing human security in a postwar context [Vikings and the Vikings](#) Paul

Hardwick,Kate Lister,2019-10-31 This essay collection is a wide ranging exploration of Vikings the television series that has successfully summoned the historical world of the Norse people for modern audiences to enjoy From a range of critical viewpoints these all fresh essays explore the ways in which past and present representations of the Vikings converge in the show s richly textured dramatization of the rise and fall of Ragnar Loobrok and the exploits of his heirs creating what many viewers label a true representation of the age From the show s sources in both saga literature and Victorian revival to its engagement with contemporary concerns regarding gender race and identity via setting sex society and more this first book length study of the History Channel series appeals to fans of the show Viking enthusiasts and anyone with an interest in medievalist representation in the 21st century
