Crime, Justice and Social Media Michael Salter, 2016-10-04 How is social media changing contemporary understandings of crime and injustice and what contribution can it make to justice seeking? Abuse on social media often involves betrayals of trust and invasions of privacy that range from the public circulation of intimate photographs to mass campaigns of public abuse and harassment using platforms such as Facebook, Twitter, 8chan, and Reddit. Forms of abuse that disproportionately target women and children. *Crime, Justice and Social Media* argues that online abuse is not discontinuous with established patterns of inequality but rather intersects with and amplifies them. Embedded within social media platforms are inducements to abuse and harass other users who are rarely provided with the tools to protect themselves or interrupt the abuse of others. There is a relationship between the values that shape the technological design and administration of social media and those that inform the use of abuse and harassment to exclude and marginalise diverse participants in public life. Drawing on original qualitative research, this book is essential reading for students and scholars in the fields of cyber crime, media and crime, cultural criminology, and gender and crime.

Justice and the Media Ray Surette, 1984

An Introduction to Criminal Justice Pamela Davies, Peter Francis, Jamie Harding, George Mair, 2025-04-26 A must buy for any student of Criminology. *Criminal Justice and Policing: An Introduction to Criminology* will guide you through the historical development and contemporary operation of criminal justice and the role played by politics, power, policy, procedure, and people in shaping its past and present form. This second edition examines the agencies, institutions, and organisations that deliver criminal justice in England and Wales and assesses their impact on crime, offending, victimisation, disorder, and social harm. The book reviews the systems, processes, policies, and procedures that operate in each, evaluates the checks and balances that aim to maintain due process, fairness, and justice, and provides insight into the various attempts to make improvements to criminal justice over time. Completely revised and updated, the book includes new chapters on Community Justice, Criminal Justice Injustice, Race and Criminal Justice, Criminal Justice and Mental Health, and Artificial Intelligence and Criminal Justice to ensure the full span of contemporary issues is thoroughly explored. This book also explores global and international dimensions as well as the futures of criminal justice. Incorporates practitioner experiences and voices to bring students closer to real world practice. Includes learning features to kick start your curiosity and criticality, including reading suggestions, case studies, self study questions, and a comprehensive glossary.

#Crime Rebecca M. Hayes, Kate Luther, 2018-08-24 As research continues to accumulate on the connections between media and crime, *Crime* explores the impact of social media on the criminal legal system. It examines how media influences our perceptions of crime, the perpetration of crime, and the implementation of punishment whilst emphasizing the significance of race, ethnicity, class, gender, and sexuality. It offers an accessible and in depth examination of media, and in each chapter there

are case studies and examples from both legacy and new media including discussions from Twitter that are being used to raise awareness of criminal legal issues. It also includes interviews with international scholars and practitioners from Australia, Belgium, and the United States to voice a range of global perspectives. This book speaks broadly to those interested in criminology, criminal justice, media, and culture, sociology, and gender studies.

Crime and Media Studies Franklin Wilson, 2015-01-06

Crime and Media Studies concisely and efficiently pulls the curtain back on the reality of crime and punishment and the role media has played in the United States becoming the world's leader in incarceration. By addressing literacy rates that have remained virtually unchanged since 1935, the stark ramifications of the communication disconnect between those who study key issues and the ordinary citizen is explored. *Crime and Media Studies* calls for the dismantling of ideological divides between qualitative and quantitative researchers in favor of a united multidisciplinary front to create an informed citizenry. Divided into the key parts of the criminal justice system: crime, law enforcement, courts, corrections, etc., the text explores prominent issues: drugs, domestic violence, race, gender, etc., facing the criminal justice system. Each section contains crime and media research articles that analyze a variety of media: print news, broadcast news, movies, court TV, crime dramas, comic books, hip hop, etc., using quantitative, qualitative, and mixed methodologies. In the tradition of Gregg Barak's *News Making Criminology*, each section contains discussion questions designed for traditional and online classrooms, writing assignments, blog posts, press releases, literacy level exercises, brownbag sessions, and community engagement projects to help students understand the importance of being able to effectively communicate both with the press and the public. *Crime and Media Studies* is well suited for undergraduate and graduate courses in the social sciences that seek to address the role of media in policy and legal issues. The text's test questions, discussion sessions, and writing assignments are designed to be used in both traditional and online classrooms.

Franklin T. Wilson is an associate professor in the Department of Criminology and Criminal Justice at Indiana State University. He received his Ph.D. from the College of Criminal Justice at Sam Houston State University and has taught crime and media studies courses for over a decade. Dr. Wilson is the founding and current chair of the Annual International Crime, Media, and Popular Culture Studies Conference and is the editor of the *Journal of Criminal Justice and Popular Culture*. He is also a member of the Board of Directors for CRIMCAST. His research has been published in such noted journals as *The Prison Journal*, *Journal of Criminal Justice and Popular Culture*, *Race, Justice, and Women*, *Criminal Justice*. Dr. Wilson's research has also been featured in a variety of media outlets including the *New York Times*, *Pittsburgh Post-Gazette*, *Houston Chronicle*, and *Texas Tribune*.
