Crimes And Secrets Of A Desperate Dad:

My Second Childhood K. L. Smith, 2025-03-17 My Second Childhood is a collection of my random thoughts and memories I have lived through my first childhood and many years of being an adult Everything has seasons in the sun including us The spring summer and fall of my life have passed too guickly I am now living in the winter of my life or as some may call it my second childhood I consider it a blessing to have lived long enough to reach old age It is a gift that everyone does not receive I have released myself from the binding ties of doing what others think I should do I am no longer obligated to employers nor bonded by schedules I have turned the child in me loose to enjoy the last days of my life I am grateful that God has allowed me and my husband of nearly sixty years to enjoy our second childhood together I have time to sit for hours and reminisce and remember moments from my past I have time to analyze stories that were told to me by my ancestors about my family s history I wonder how much of the stories are true and complete Have there been parts of the stories omitted Relatives who have been disowned may not have been included in the accounts of the past We all have secrets and stories that we will never tell What secrets have not been told in these stories Are the stories altered or enhanced to make the past more glorified or sensational There are many questions that I wish I had asked my relatives while they were still alive The answers to these questions will probably go unanswered Over the years I have heard varying accounts of the same stories of our family s history from my younger ancestors. Their stories are not congruent with the family history told to me from the lips of my ancestors Their stories do not track with the things that I myself experienced and observed in the presence of my long deceased relatives I was there in the flesh with some of these relatives I can still close my eyes and see them in my mind s eyes I can still hear their voices in my mind s ears I remember these relatives and what they were like In the pages of this book I have written stories about friends and relatives from my past and present I have written a partial accounting of my family s history according to how it was told to me and from my personal observations and experiences As I get older I find that a lot of things no longer matter It does not matter to me who my relatives were or where they came from All that matters is that I was born and had the privilege of living the four seasons of my life in God's beautiful world Ultimately we are all God s children and brothers and sisters in Christ We are all connected through God Forgive Me Daniel Palmer, 2017-05-30 A mother's death reveals a secret worth killing for in this crime thriller by the acclaimed author of Constant Fear At DeRose Associates Private Investigators in Virginia Angie DeRose strives to find and rescue endangered runaways work that stands in stark contrast to her own safe idyllic childhood But in the wake of her mother's sudden death Angie makes a life altering discovery Hidden among the mementos in her parents attic is a photograph of a little girl with a code and a hand written message on the back May God forgive me Angie has no idea what it means or how to explain other questionable items among her mother's possessions. Her father claims to know nothing Could Angie have a sister or other relative she was never told about Bryce Taggart the US Marshal working with her agency agrees to help Angie learn the fate of the girl in the

photograph But the lies she and Bryce unearth will bring her past and present together with terrifying force Everything she cherishes will be threatened by the repercussions of one long ago choice and an enemy who will kill to keep a secret hidden forever Praise for the novels of Daniel Palmer An electrifying thriller with action that keeps you on the edge of your seat Lisa Jackson on Constant Fear A twisting suspenseful chiller of a book William Landay on Stolen Warning once you start reading this novel you will not stop Lisa Gardner on Helpless Not just a great thriller debut but a great thriller period Lee Child on **Jim Reaper 1: Son of Grim** Rachel Delahaye, 2016-02-04 You might have heard how the universe began with the Big Bang Well the universe as Jim Wimple knows it is about to end With a Bazoom Not only are Bazoom scooters super fast and deadly cool but fierce and swoonsome older girl Fiona has just started riding hers to and from school and possibly out of Jim's life forever Disaster Jim Wimple needs a Bazoom and fast So he and his best friend Will devise a clever scheme which involves having to sneak into Dad's workplace But when the boys break into the Mallet Mullet accountancy office they find that the walls are lined with ancient portraits the staff are highly secretive and Jim's dad's office bears the sign G Reaper And then all hell really breaks loose What would YOU do if you thought your dad might be Death Illustrated with cool art by artist Jamie Littler Searching for Daddy Christine Joanna Hart, 2009-12-10 A horrifying story of a girl scarred by religious mania and childhood abuse who is driven to believe one of Britain's most infamous criminals was her father Christine's childhood was utterly desolate Starved of all love she was so consumed with loneliness and fear that she was drawn in to the world of a dangerous serial killer Christine was abandoned as a baby by her mother on the doorstep of a convent She was adopted but this only turned out to be the start of a new nightmare When she was 13 she was sent her back to the orphanage It was this act of betrayal that pushed her to breaking point Christine began a desperate quest for her real father but a twisted path of events finally took her face to face with Ian Brady the notorious Moors Murderer It was this extraordinary encounter that forced Christine to confront reality and allowed her to reclaim her life Searching For Daddy is a shocking true story of desperate loneliness and phenomenal courage that will move and inspire anyone who reads it Secrets Penny Joelson, 2019-11-05 Jemma knows who the murderer is She knows because he told her An intense young adult suspense book He thought his secret was safe because Jemma can t speak or move But Jemma observes all kinds of things about everyone around her His secret is just one of them And when a new technology means she may be able to communicate and reveal all she knows Jemma no longer feels powerless in the face of this deadly secret It s a race against time before the killer acts again or tries to stop her Perfect for those looking for Teen books for girls ages 11 14 Psychological thrillers Mystery books for teens The Crime of Father Amaro Eca de Queirós, 2003 Ea de Queirs s novel is a lurid satire of clerical corruption in a town in Portugal during a period before and after the 1871 Paris Commune **The Secret Princess** Rachelle McCalla, 2013-10 Inspirational historical romance Spine Constant Fear Daniel Palmer, 2016-04-26 A prep school janitor springs into action when terrorists invade his school and kidnap his son in this thriller by the acclaimed author of
