Terrorism, 2008-2012 Edward Mickolus, 2014-03-08 This comprehensive chronology provides coverage of every international terrorist attack covered in public literature including newspapers news magazines radio television websites and other media from 2008 through 2012 plus updates on events that occurred before that period It notes trends in suicide bombings violence against Western and local hostages letter bombs food tampering major assassinations and other attacks by terrorists of all stripes Changes in security measures around the world are also included as are the key players in each event ranging from terrorists to victims to individuals trying to prevent the next attack

Manufacturing Terrorism in Africa Mohamed Natheem Hendricks, 2020-07-03 This book uses Securitisation Theory to explore how Muslims have been constructed as a security issue in Africa after the 9 11 attacks in the United States These attacks became the rationale for the US's Global War on Terror GWOT The centrality of Africa as an arena to execute the GWOT is the focus of this book This book explores particularly how western centred security discourses around Muslims has permeated South African security discourse in the post apartheid period It claims that the popular press and the local think tank community were critical knowledge sites that imported rather than interrogated debates which have underpinned policy initiatives such as the GWOT Such theorisation seems contrary to the original architects of securitisation theory who maintain that issues become security concerns when institutional voices declare these as such However this book confirms that non institutional voices have securitised the African Muslims by equating them with terrorism This book illustrates that such securitisation reproduces partisan knowledge that promote Western interests

Adolescents, Crime, and the Media Christopher J Ferguson, 2013-03-29 A campus shooting A gang assault A school bus ambush With each successive event fingers are pointed at the usual suspects violent films bloody video games explicit web sites But to what extent can or should the media be implicated in youth crime And are today's sophisticated young people really that susceptible to their influence Adolescents Crime and the Media critically examines perceptions of these phenomena through the lens of the ongoing relationship between generations of adults and youth A wealth of research findings transcends the standard nature nurture debate analyzing media effects on young people's behavior brain development in adolescence ways adults can be misled about youth

s participation in criminal acts and how science can be manipulated by prevailing attitudes toward youth The author strikes a necessary balance between the viewpoints of media providers and those seeking to restrict media or young people s access to them And the book brings scientific and intellectual rigor to culturally and politically charged issues as it covers Violence in the media Media portrayals of crime and youth Research on violent television programs video games and other media as causes of crime Effects of pornography on behavior Public policy censorship and First Amendment issues Adolescents Crime and the Media is an essential resource for researchers graduate students professionals and clinicians across such interrelated disciplines as developmental psychology sociology educational policy criminology criminal justice child and school psychology and media law

that threaten the safety of humans worldwide Scapegoating Islam Jeffrey L. Thomas, 2015-09-15 Exploring the experience of Muslims in America following 9 11 this book assesses how anti Muslim bias within the U S government and the larger society undermines American security and democracy In the aftermath of the events of September 11 2001 Muslims in America have experienced discrimination and intolerance from the U S government and American citizens alike From religious and ethnic profiling to hate crimes intolerance against Muslims is being reinforced on multiple levels undercutting the Muslim community s engagement in American society This text is essential for understanding how the unjust treatment of American Muslims following September 11 has only served to alienate the Muslim community and further divide the United States Authored by an expert analyst of policy for 20 years this book explores the prejudice against Muslims and how the actions of the U S government continue to perpetuate fear and stereotypes within U S citizens The author posits that by respecting the civil rights of Muslims the government will lead by example in the acceptance of American Muslims improving homeland security along with the lives of Muslims living in the United States Crazy for You Michael Fleeman, 2015-02-03 A LOVING FATHER A typical morning in the Atlanta suburbs Businessman Rusty Sneiderman drops his beloved son off at the Dunwoody Prep nursery In the parking lot a minivan pulls up next to his car The driver pulls out a gun and shoots Rusty four times in the chest A HEARTBROKEN WIFE Sneiderman s devoted wife Andrea is devastated by the crime Who could have done this She is shocked when police trace the shooting to a man named Hemy Neuman who happens to be Andrea s adoring boss A DEADLY OBSESSION The prosecution accuses Andrea and Hemy of having a forbidden relationship and of conspiring to collect 2 million in her husband s life insurance But Andrea swears she never intended to kill Rusty and that it is Hemy who s delusional and obsessed With the charges against her dropped and the insurance money frozen Andrea remains a mysterious character Only one other person the man who pulled the trigger knows the truth about what really happened With 8 pages of dramatic photos *Essentials of Sociology* George Ritzer, 2015-12-10 Join the conversation with one of sociology s best known thinkers *Essentials of Sociology* Second Edition adapted from George Ritzer s *Introduction to Sociology* Third Edition provides the same rock solid foundation in a shorter and more streamlined format Like the original Ritzer text *Essentials of Sociology* illuminates traditional sociological concepts and theories and focuses on some of the most compelling contemporary social phenomena globalization consumer culture the Internet and the McDonaldisation of society As technology flattens the globe students are challenged to apply a sociological perspective to their world and to see how public sociologists are engaging with the critical issues of today The Rule of Law In Central America Mary Fran T. Malone, 2014-03-13 The book is a thorough study that focuses on the impact of the current crime wave on citizens respect for the law in countries such as Nicaragua Panama Costa Rica Guatemala El Salvador and Honduras The work opens with a brief review of the literature on the rule of law and legal socialization followed by an historical overview of the democratization and justice reform in Central America from the 1990s to the present Set as a comparative micro level study the work then

looks at an array of measures from citizens toleration of government abuses of power to vigilante justice and the reporting of crime to police. Lastly, an empirical model is developed to predict citizens' attitudes combining both these micro-level individual attributes with macro-level measures of institutional performance. A unique look at the process of democratization from a comparative perspective. *Citizens Support for the Rule of Law in Central America* it will appeal to faculty researchers and students interested in Latin American politics, comparative politics, and democratic transition. **Professional Journal of the United States Army**, 2013. *The Battle for Justice in Palestine* Ali Abunimah, 2014-03-25 Ali Abunimah provides an effective strategy for advancing the struggle for a just single state solution in Palestine. **Introduction to Sociology** George Ritzer, 2017-09-15 This Fourth Edition of George Ritzer's *Introduction to Sociology* shows students the relevance of sociology to their lives. While providing a rock-solid foundation, Ritzer illuminates traditional sociological concepts and theories as well as some of the most compelling contemporary social phenomena: globalization, consumer culture, the digital world, and the McDonaldization of society. With examples on every page from current events and contemporary research and stories about public sociologists who are engaging with the critical issues of today, the text demonstrates the power of sociology to explain the world and the diversity of questions that sociologists seek to answer. New to this Edition: New Trending boxes focus on influential books written by sociologists that have become part of the public conversation about important issues. Replacing Public Sociology boxes, these boxes demonstrate the diversity of sociology's practitioners, methods, and subject matter and feature such authors as Michelle Alexander, *The New Jim Crow*; Elizabeth Armstrong and Laura Hamilton, *Paying for the Party*; Randol Contreras, *The Stick Up Kids*; Matthew Desmond, *Evicted*; Kimberly Hoang, *Dealing in Desire*; Arlie Hochschild, *Strangers in Their Own Land*; Eric Klinenberg, *Going Solo*; C. J. Pascoe, *Dude You're a Fag*; Lori Peek and Alice Fothergill, *Children of Katrina*; Allison Pugh, *The Tumbleweed Society*. Updated examples in the text and Digital Living boxes keep pace with changes in digital technology and online practices, including Uber, bitcoin, net neutrality, digital privacy, WikiLeaks, and cyberactivism. New or updated subjects apply sociological thinking to the latest issues, including the 2016 U.S. election, Brexit, the global growth of ISIS, climate change, President Trump's proposed Mexican border wall, further segmentation of wealthy Americans in the super-rich, transgender people in the U.S. armed forces, charter schools, the legalization of marijuana, the Flint water crisis, fourth-wave feminism. **Change and Reform in Law Enforcement** Scott W. Phillips, Dilip K. Das, 2016-10-26 This book provides broad exposure to a variety of policing reforms that have not received adequate attention. It includes information and examples from different countries regarding efforts to change aspects of policing that are problematic or involve changes in the way crimes are committed. Some of the efforts to improve the police are relatively recent, i.e., using social media, and some areas of policing that seem to require frequent attention, i.e., working with the public. *Encyclopedia of the Fourth Amendment* John R. Vile, David L. Hudson, 2013 This work provides a unique overview for individuals seeking to understand the Fourth Amendment to the U.S. Constitution. It covers key concepts, events,

laws and legal doctrines court decisions and litigators and litigants regarding the law of search and seizure
