Criminal Psychology Understanding The Criminal Mind Through Criminal Profiling:

Criminal Psychology Robert Forbes, 2016-02-03 Serial killers and violent criminals have been in society for ages There are records of these kinds of people in ancient times and we all know they are still alive and well today But what we don't know is what goes on inside their heads Why would anyone kill for the sake of it Why would someone that seemed so nice and so normal do such a terrible thing What causes this kind of behavior These and many more questions have flooded the minds of those that study criminal psychology for decades If there was a way to know why they do what they do it would be so much easier to counteract it That is why I created this book Open up the book read it and understand it right away Back cover

Analyzing Criminal Minds Don Jacobs, 2011-04-19 An insightful book presenting cutting edge information on the newest most remarkable forensic science and methods used for understanding the criminal mind *Analyzing Criminal Minds* Forensic Investigative Science for the 21st Century explores new and emerging approaches to a perennially fascinating subject Author Don Jacobs looks at 10 tools and products that have revolutionized the discipline explaining how modern criminal mind analysis incorporates advances in criminal and forensic psychology forensic neuropsychology brain imaging adolescent neurobiology criminal profiling and brain fingerprinting as well as research into the paralimbic brain system and the impact of the DANE brain upon adolescent and young adult behavior Twenty three characteristics shared by jailed violent criminals are analyzed and considered in terms of neuropsychology and developmental psychology The book also probes psychopathy in its various degrees in children adolescents and adults and explains a controversial but increasingly accepted theory that psychopathy is a natural outgrowth of evolution describing how this natural psychopathy can become a condition typified by violent sadistic and irreversible personality disorder
