*The Expository Times* James Hastings, Ann Wilson Hastings, Edward Hastings, 1909      *The Boy's Yearly Book* , 1863

**The Churchman** , 1877      Paradise and Paradigm Christopher Buck, 1999-05-13 In a novel approach that the author terms symbolic paradigm analysis Paradise and Paradigm offers a theoretically modular systematic comparison of two Persian religions early Syriac Christianity as the foundation of the East Syrian Church of the East the Nestorian Church of Persia and the Baha i Faith a new world religion The author compares the hymns of the greatest poet of early Christianity Saint Ephrem the Syrian and the richly imagistic writings of the founder of the Baha i religion Baha u llah The book employs an original analytic technique in the creation of symbolic profiles constructed on Ninian Smart s dimensional model of religion As Buck skillfully demonstrates formal similarities between any two religions are best comprehended in terms of paradigmatic differences which nuance all parallels through a process of symbolic transformation Buck also shows the communal reflexivity of paradise imagery in representing the ideal faith community in both traditions      *The Calderwood Secret* Virginia Wales Johnson, 1875      **A Complete Edition of the Poets of Great Britain** , 1794      *Frank Leslie's Popular Monthly* Frank Leslie, 1890      **American Illustrated Magazine** , 1890      The Cosmopolitan , 1888      **The Scots Magazine** , 1784      *Webster's International Dictionary of the English Language* Noah Webster, 1894      Fading in Darkness Robert S. Wilson, 2013-04-23 In this second installment in the Empire of Blood dystopian trilogy Hank Evans is headed back to Necropolis but this time he won t be running for his life or will he Tensions between the American Empire and the vampires of Necropolis have risen to an all time high With the Emperor threatening Toby s life Hank s new position as the mediator has just been unofficially upgraded to Imperial spy But his internal hunger for revenge and newfound sense of purpose can t stay hidden forever Hank must now find a way to release the hold the Emperor has over him in order to fight back But an unexpected struggle will put him at odds with who he really is and who he has yet to truly become Especially when his dreams begin to reveal a terrifying future And when the city of the dead goes up in flames and the vampires of Necropolis are forced to flee to the Queen s hive there is no turning back from civil war Cover design by Elena Helfrecht you can find her and her work at <http://apokryphia.weebly.com>      **Public Opinion** , 1920      *Green Thoughts, Green Shades* Jonathan F. S. Post, 2002-02 What a delight it is to read these astute essays by poets one admires about poets one has treasured for years The critical intelligence and lively writing on every page should appeal to a wide audience Students of the Early Modern Lyric will find much to refresh their understanding the general reader will be seduced and rewarded Chana Bloch author of *Mrs Dumpty* and co translator of *The Song of Songs* This is a splendid collection shrewdly conceived and brilliantly executed which should be read by anyone who loves poetry As some of our most accomplished contemporary poets ruminate on the poetry of the seventeenth century they also illuminate the practices and possibilities of twenty first century poetry Michael Schoenfeldt author of *Bodies and Selves in Early Modern England* All poetry in English reaches back one way

or another for its pith and sweetness to the sixteenth and seventeenth centuries There is always in every true poem some seed or element of that period honey of lute song or devotional bite I think that goes for Frank O Hara and Allen Ginsberg for Elizabeth Bishop and Gwendolyn Brooks and Robert Lowell for Wallace Stevens and William Carlos Williams and Marianne Moore for Mark Strand and Frank Bidart and Louise Gl ck for C D Wright and Michael Palmer and for the young poets in college and high school You can hear it and feel it through infinite variations and that is why this book is a great idea Robert Pinsky former Poet Laureate of the United States I am delighted by Jonathan Post s collection There is no other collection or anthology of this sort or even remotely similar available to students of poetry of the past or to readers of contemporary poets Green Thoughts Green Shades is the liveliest collection of criticism I have read in a long time Richard Howard author of Trappings New Poems      *New Peterson Magazine* Ann Sophia Stephens, Charles Jacobs Peterson, 1850      *Malaeska* Ann S. Stephens, 2022-05-17 In Malaeska Ann S Stephens intricately weaves a narrative that explores the intersection of Native American culture and the encroaching pressures of 19th century American society This pioneering work is lauded for its blend of melodrama and realism providing readers with a vivid portrayal of the struggles and resilience of a mixed race woman navigating her identity amidst cultural conflict Through rich characterizations and evocative descriptions Stephens captures the complexities of relationships and the implications of betrayal and loyalty in a rapidly changing world establishing a significant literary context within the Sentimental Novel genre Ann S Stephens a prominent figure in the antebellum American literary scene utilized her personal experiences and keen observations of societal norms to inform her writing As one of the first female authors to gain recognition in a predominantly male literary landscape her work reflects a deep empathy for marginalized voices and explores themes of race gender and social justice Her pioneering spirit is evident in Malaeska as she confronts controversial issues head on setting a precedent for future writers in American literature Highly recommended for scholars and lovers of historical fiction alike Malaeska is not just a compelling story but a crucial reflection on the dynamics of race and identity in America Stephens nuanced portrayal of her characters offers profound insights into the often overlooked narratives of Native Americans during a tumultuous era This book invites readers to engage with the complexities of cultural identity and the legacies that continue to shape contemporary society      **Scots Magazine, and Edinburgh Literary Miscellany**, 1784      **Equestrian Reports** Lost Century of Sports Collection, 2024-04-24 The late 19th century was the last generation that relied on horses for transportation agriculture and warfare After thousands of years of supreme importance as working beasts of burden mechanized power was supplanting horsepower and the animal was emancipated into a hobby a luxury and a sport This volume of the Sports She Wrote series offers a comprehensive exploration of women s engagement with horses during this transitional era featuring 61 articles 115 000 words by 40 women writers many of whom were expert equestriennes published from 1856 to 1900 With over 90 illustrations the collection covers a broad spectrum of topics including riding techniques proper attire stable practices carriage driving
