Creative Bible Teaching Lawrence O. Richards, Gary J. Bredfeldt, 2020-08-04 Bring the Bible to Your Students like Never Before Communicating the Scriptures is much like building a bridge However instead of ravines or rivers the teacher must span both cultural boundaries and great gulfs of time between the present and the pasts of Moses David Jesus and Paul Though God's Word is always relevant the teacher must help students see Scripture's vast treasures The effective engaging Bible teacher must therefore become creative Together Lawrence Richards and Gary Bredfeldt have created the ultimate guide to building bridges for those seeking to learn about God's Word Creative Bible Teaching offers a five step process by which Christian educators can construct a bridge across time geography and culture to help students of all ages connect with God's Word This newly revised edition makes learning about God's Word more accessible for both teachers and students today Simple clear and memorable the method laid out in Creative Bible Teaching provides a sure fire way of communicating God's Word in a way that sticks

Creative Bible Lessons in Ezekiel Anna Aven Howard, 2009-08-08 Most people avoid teaching from Ezekiel Not only is it a book full of strange and sometimes disturbing imagery but it also presents a vivid depiction of a God that won't fit neatly into the categories we typically have in mind for him It's because of these reasons that Ezekiel is an important book to study But don't be afraid Creative Bible Lessons in Ezekiel makes it a little easier to bring this bizarre and often confusing book to your students Following the history of the bestselling Creative Bible Lessons series this book introduces some new elements into your teaching Because Ezekiel is so unfamiliar to many people there is extensive background for leaders including research from several commentaries and other books There's enough information there for you to understand the passage enough to be able to teach it confidently In addition to the background you'll find a combination of illustrations activities movie clips and song suggestions to help bring the passage to life Each section ends with a journaling exercise for your students to make the passage personal Since many adults steer clear of this imaginative book of the Bible this resource will not only help you

teach your students you'll learn something yourself Help your students uncover this book and lead them closer to the God of Ezekiel the God who surprises us frequently and loves us completely **Creative Bible Lessons in Genesis** Hoon Kim, 2009-05-26 Creative Bible Lessons in Genesis follows the work previously done with other studies in the series What makes this volume different is that it is sensitive to the influence of postmodernism on today's culture and values it complements the widespread use of multimedia and is experiential in approach With a desire to be relevant it does not scan Scripture but intends to be scripturally thorough and accurate with an understanding that the power of the studies is ultimately found in the biblical text Because much of what is understood to be truth today is arrived at by subjective interpretation there is a strong but subtle element in the studies that highlights the Imago Dei image of God in man The blueprint of the Trinitarian God in man is perhaps the sturdiest bridge between postmodern experientisms and ultimate truth and reality In order to emphasize these elements Bible studies include projection games helps and visuals Also many of the studies are highlighted by a participation which attempts to be close to the text account There are small group and large group elements that have been developed with the technologically savvy student in mind Creative Bible Lessons in Genesis follows the lives of various individuals in Genesis In a world where communication is less face to face and more screen to screen family breakdowns are the norm rather than the exception and role models often communicate debatable values an anchor for life can only be found in the God who does not change Human nature can only be satisfactorily understood through the image of God in man and that all behavior desires and actions people take are ultimate acts of worship and desire for God The return to the Imago Dei in man is the clearest way to present absolute truth to a relative society in that it is able to posit a valid argument for God and faith from an intellectual and logic platform as well as from a subjective emotional experiential platform **Help! I'm a Small Church Youth Worker!** Rich Grassel, 2002 Provides those in small church ministry including volunteer part time and full time youth workers with a process and procedure that enables them to address their particular needs as a small church *Crazy and Creative Bible Stories for Preteens* Steven James, 2005-01-03 Make familiar Bible stories new again for preteens with this collection of 30 fill in stories that will allow kids to create a crazy new story with the same powerful point Enjoy this library of favorite Bible stories and storytelling techniques developed by award winning author and professional storyteller Steven James Each book includes creative storytelling techniques especially suited to help teachers tell God's story and involve children in the Bible story **An Insider's View of Jesus** Todd Temple, 2003 Video presents 12 performances each between 3 and 10 minutes of sketch comedy and drama about the biblical characters Peter and Andrew interacting with Jesus Guide has 12 lessons for the youth leader based on gospel stories for use with junior high or high school youth **Your First Two Years in Youth Ministry** Doug Fields, 2002 This guide to the concept of Purpose Driven youth ministry addresses issues about where to start dealing with discouragement establishing heart essentials becoming family friendly being with students and working as a team More Than Skin Deep

Crystal Kirgiss,2011-07-26 You can probably think of a lot of things in your life that you d like to celebrate but your skin Most teenage girls can point to a couple things about their skin that they re unhappy with and certainly wouldn t want to celebrate That s because the world around you has convinced you that your physical skin is what s most important But it goes so much deeper than that In Celebrate the Skin You re In you ll find out what it means to celebrate accept love and care for the skin that really matters the skin that holds together all your invisible pieces like your passions thoughts identity ideas dreams beliefs fears and more Crystal Kirgiss will help you see that God not only created you but that God also understands you Every teenage girl deals with some degree of insecurity fear and overwhelming emotions whether it s about their physical skin or just life in general You re not alone And if you and your friends can find the reasons to embrace who you are on the inside think of the celebration you could have The Youth Worker's Guide to Creative Bible Study Karen Dockrey,1999-04-01 With Jesus as a guide The Youth Worker s Guide to Creative Bible Study demonstrates tried and true methods for guiding youth to read their Bibles discover Bible facts understand Bible meaning and then live Bible truth
