Creatures Of Philippine Lower Mythology:

Creatures of Philippine Lower Mythology Maximo D. Ramos,1990 The Creatures of Philippine Lower Mythology Maximo D. Ramos,2019-11-30 IMAGINARY CREATURES depicted in a people s lower mythology are one of the most important phenomena in their belief systems This is because the common folk in particular must strive to maintain harmonious relations with these creatures a continuous process that permeates many aspects of their everyday lives and requires the intercession of a special person in the community who acts as the medium of communication between them The subject of Maximo D Ramos s work is the creatures of Philippine lower mythology as this level of folklore is called In undertaking this study Dr Ramos directed his efforts to two principal tasks 1 making a taxonomic classification of all the beings which in his opinion fall within the framework of the problem as found in Philippine folk beliefs and 2 correlating the implications of these beliefs in terms of these classifications to education particularly on the elementary level The taxonomic classification is intended to help clear up the confusion that attended earlier studies of these creatures This is indeed the first attempt to systematize the identities of these Philippine mythological beings for the benefit of folklore scholarship More specifically Ramos writes Where names traits and functions appear to have become confused through the process of transfer that constantly occurs in traditional lore it was thought fruitful to point these out and then attempt to account for them In spite of the very extensive Christianization of the Filipinos particularly the lowlanders these mythical entities still persist in their traditional belief systems hence the student of folk traditions cannot ignore them if he is to achieve greater relevance in his studies Little by little the perspective from which these creatures have been traditionally viewed is bound to change until they are accepted as part of our cultural heritage This change is bringing about an understanding of these creatures function in our society The present work is primarily taxonomic in nature but it sheds light into many of the dark corners of Philippine folklore studies and brings to the reader a fuller understanding of the most maligned inhabitants of the Philippine other world Herein lies the major contribution of Dr Ramos a basic recognition and a deeper insight into the cultural heritage of the Filipino Encyclopedia of Beasts and Monsters in Myth, Legend and Folklore Theresa Bane,2016-05-09 Here there be dragons this notation was often made on ancient maps to indicate the edges of the known world and what lay beyond Heroes who ventured there were only as great as the beasts they encountered This encyclopedia contains more than 2 200 monsters of myth and folklore who both made life difficult for humans and fought by their side Entries describe the appearance behavior and cultural origin of mythic creatures well known and obscure collected from traditions around the world **A Handbook of Philippine Folklore** Mellie Leandicho Lopez,2006 The voluminous book provides a range of international theories and methodologies in analytical folklore investigations and a classification scheme based on genre is offered as the system of taxonomy for Philippine traditional materials Lopez counts on the regional folklorists to refine the classification according to the texts of their respective areas The different genres too are explained and examined in another part of Lopez

s study The reader will definitely find interesting and useful the illustrative examples for each genre The Creatures of Midnight Maximo D. Ramos,1990-01-10 This book tells about 85 creatures of legend from Philippine Folklore Many people believe that they exist and are afraid of them The people of the ancient Philippines believed many things about the unseen creatures of the Philippine storyland If you have met a good storyteller he may have told you interesting legends about these creatures And you may have asked a lot of questions about them which he could not answer If you want to know more about these beings turn the pages of this book look at the pictures and enjoy what is said about them We call them creatures of midnight because it is said that they show themselves to people about the middle of the night Treasury of Folklore: Woodlands and Forests Dee Dee Chainey,Willow Winsham,2021-08-05 An entertaining and enthralling collection of myths tales and traditions surrounding our trees woodlands and forests from around the world From the dark gnarled woodlands of the north to the humid jungles of the southern lands trees have captured humanity s imagination for millennia Filled with primal gods and goddesses dryads and the fairy tales of old the forests still beckon to us offering sanctuary mystery and more than a little mischievous trickery From insatiable cannibalistic children hewn from logs to lumberjack lore and the spine chilling legend of Bloody Mary there is much to be found between the branches Come into the trees witches seductive spirits and big bad wolves await you With this book Folklore Thursday aim to encourage a sense of belonging across all cultures by showing how much we all have in common Oral Traditions of Southeast Asia and Oceania Herman C. Kemp,2004

Creatures Of Philippine Lower Mythology Introduction

In the digital age, access to information has become easier than ever before. The ability to download Creatures Of Philippine Lower Mythology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Creatures Of Philippine Lower Mythology has opened up a world of possibilities. Downloading Creatures Of Philippine Lower Mythology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Creatures Of Philippine Lower Mythology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Creatures Of Philippine Lower Mythology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Creatures Of Philippine Lower Mythology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Creatures Of Philippine Lower Mythology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Creatures Of Philippine Lower Mythology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
