Super Founders Ali Tamaseb, 2021-05-18 Super Founders uses a data driven approach to understand what really differentiates billion dollar startups from the rest revealing that nearly everything we thought was true about them is false Ali Tamaseb has spent thousands of hours manually amassing what may be the largest dataset ever collected on startups comparing billion dollar startups with those that failed to become one 30 000 data points on nearly every factor number of competitors market size the founder s age his or her university s ranking quality of investors fundraising time and many many more And what he found looked far different than expected Just to mention a few Most unicorn founders had no industry experience There s no disadvantage to being a solo founder or to being a non technical CEO Less than 15% went through any kind of accelerator program Over half had strong competitors when starting being first to market with an idea does not actually matter You will also hear the stories of the early days of billion dollar startups first hand The book includes exclusive interviews with the founders investors of Zoom Instacart PayPal Nest Github Flatiron Health Kite Pharma Facebook Stripe Airbnb YouTube LinkedIn Lyft DoorDash Coinbase and Square venture capital investors like Elad Gil Peter Thiel Alfred Lin from Sequoia Capital and Keith Rabois of Founders Fund as well as previously untold stories about the early days of ByteDance TikTok WhatsApp Dropbox Discord DiDi Flipkart Instagram Careem Peloton and SpaceX Packed with counterintuitive insights and inside stories from people who have built massively successful companies Super Founders is a paradigm shifting and actionable guide for entrepreneurs investors and anyone interested in what makes a startup successful

What Are Children For? Anastasia Berg, Rachel Wiseman, 2024-06-11 A modern argument grounded in philosophy and cultural criticism about childbearing ambivalence and how to overcome it Becoming a parent once the expected outcome of adulthood is increasingly viewed as a potential threat to the most basic goals and aspirations of modern life We seek self fulfillment we want to liberate women to find meaning and self worth outside the home and we wish to protect the planet from the ravages of climate change Weighing the pros and cons of having children Millennials and Zoomers are finding it increasingly difficult to judge in its favor With lucid argument and passionate prose Anastasia Berg and Rachel Wiseman offer the guidance necessary to move beyond uncertainty The decision whether or not to have children they argue is not just a women s issue but a basic human one And at a time when climate change worries threaten the very legitimacy of human reproduction Berg and Wiseman conclude that neither our personal nor collective failures ought to prevent us from embracing the fundamental goodness of human life not only in the present but in choosing to have children in the future

The Venture Alchemists Rob Lalka, 2024-05-14 We once idolized tech entrepreneurs for creating innovations that seemed like modern miracles Yet our faith has been shattered We now blame them for spreading lies breaking laws and causing chaos Yesterday s Silicon Valley darlings have become today s Big Tech villains Which is it Are they superheroes or scoundrels Or is it more complicated some blend of both In *The Venture Alchemists* Rob Lalka demystifies how tech entrepreneurs built empires that made trillions Meta started as a cruel Halloween prank Alphabet began as a master s thesis that warned against corporate deception and Palantir came from a campus controversy over hateful speech These largely forgotten origin stories show how ordinary fears and youthful ambitions shaped their ventures making each tech tale relatable both wonderfully and tragically human Readers learn about the adversities tech entrepreneurs overcame the troubling tradeoffs they made and the tremendous power they now wield Using leaked documents and previously unpublished archival material Lalka takes readers inside Big Tech s worst exploitations and abuses alongside many good intentions and moral compromises But this story remains unfinished and *The Venture Alchemists* ultimately offers hope from the people who decades ago warned about the risks of the emerging Internet Their insights illuminate a path toward more responsible innovations so that technologies aren t dangerous weapons but valuable tools that ensure progress improve society and enhance our daily lives

Sins, The Gita & Karma Dhiraj

Singh,2017-10-24 Story 1 Two brothers Jogi and Munna Yadav are two extraordinary guys leading ordinary lives Fate intervenes and the proverbial Seven Deadly Sins Pride Covetousness Gluttony Anger Lust Envy and Sloth impact and shape their lives paths in very different ways often proving to be virtues rather than sins Both brothers reach the pinnacle of success albeit via tangentially different paths Jogi gets married to the dusky and ambitious Hansika while Munna to the simple but sweet Neelima Life has only just begun to smile on them but will it continue to or will the deadly fangs of past sins extract their pound of flesh Story 2 Taking lessons in the Gita from his friend Krish Arjat fights on with adversities of life being orphaned at an early age and then having been adopted by his uncle Brij His friends KC and the love of his life his wife Jasmin are his pillars of strength in Arjat's perpetual fight with circumstances until one of the pillars crumbles under pressure Arjat is charged with the murder of his ex boss but his staunch supporters his karma and the grand design of the Universe come to his rescue though not before claiming their dues and revealing hidden surprises and twists in the tale which completes his amazing journey rendering the lessons learned from Gita well realized **The Big Karma Law Firm** Bob Waterstripe,2023-10-07 Savage satire that reads like binge watching a hilarious dark dystopian action series The Big Karma Law Firm files 18 billion of Texas vigilante abortion lawsuits funded by millions of vengeful donors to non profit Punish Baby Killers In other news Big Karma battles fossil fuels banks insurance companies the Pharma Cartel and other malefactors Native American news anchor Diana Dakota helps the new owners of MAXNEWS enact a 10 Million Truth Guarantee and achieve 1 ratings The guaranteed truth is more outrageous than any conspiracy theory One example how donors to Members of Congress and Senators earn 60 000% annual returns on their bribes Another how a New York Times article in 1970 led to the top 1% of Americans sucking over 50 trillion in wealth from the bottom 90% about 167 000 for every American in the 90% today including little babies All of this is just part of 33 year old Fort Sumter's Plan to Save the World Now he and his team have the billions they need for the next step using money in politics to end money in politics Meanwhile the Supreme Court continues to consign human rights to the mercy of state legislatures Thousands of women and girls die from routine complications of pregnancy while saving them would put doctors in prison 10 year old girls are forced to carry rape babies or die trying Red states enforce travel bans for pregnant people and protective custody for fetuses Non profit No Rights No Nookie NRNN helps millions of women to legally ban sex in their relationships and advises on humane lethal enforcement techniques that keep blood off your nice duvet Suicide by rape is now a thing Men are left to take matters into their own hands With no restrictions on firearms mass shootings outpace gun sales Red states scramble to copy Texas Good Kids With Guns Act arming kids in classrooms First person mass shooter videos in slow motion set to music get over 5 billion views per day on Bullet Ballet Drought floods fires hurricanes and heat domes create millions of American climate refugees adding to the rush of economic and political refugees from Red states Then just months before an election 170 million American women find out that the Equal Rights Amendment to the U S Constitution was never ratified What else could go wrong Turns out

plenty **Youth Work** Naomi Nichols, 2014-09-17 Combining institutional ethnography and community based research Youth Work is a sophisticated examination of the troubling experiences of young people living outside the care of parents or guardians as well as of the difficulties of the frontline workers who take responsibility for assisting them Drawing from more than a year of on site research at an Ontario youth emergency shelter Naomi Nichols exposes the complicated institutional practices that govern both the lives of young people living in shelters and the workers who try to help them A troubling account of how a managerial focus on principles like accountability and risk management has failed to successfully coordinate and deliver services to vulnerable members of society Youth Work shows how competitive funding processes institutional mandates and inter organizational conflicts complicate the lives of the young people that they are supposed to help Nichols s book is essential reading for those involved in education social services mental health and the justice system as well as anyone with an interest in social justice Superman Larry Tye, 2013-05-21 The first full fledged history not just of the Man of Steel but of the creators designers owners and performers who made him the icon he is today from the New York Times bestselling author of Satchel and Bobby Kennedy A story as American as Superman himself The Washington Post Legions of fans from Boston to Buenos Aires can recite the story of the child born Kal El scion of the doomed planet Krypton who was rocketed to Earth as an infant raised by humble Kansas farmers and rechristened Clark Kent Known to law abiders and evildoers alike as Superman he was destined to become the invincible champion of all that is good and just and a star in every medium from comic books and comic strips to radio TV and film But behind the high flying legend lies a true to life saga every bit as compelling one that begins not in the far reaches of outer space but in the middle of America s heartland During the depths of the Great Depression Jerry Siegel was a shy awkward teenager in Cleveland Raised on adventure tales and robbed of his father at a young age Jerry dreamed of a hero for a boy and a world that desperately needed one Together with neighborhood chum and kindred spirit Joe Shuster young Siegel conjured a human sized god who was everything his creators yearned to be handsome stalwart and brave able to protect the innocent punish the wicked save the day and win the girl It was on Superman s muscle bound back that the comic book and the very idea of the superhero took flight Tye chronicles the adventures of the men and women who kept Siegel and Shuster s Man of Tomorrow aloft and vitally alive through seven decades and counting Here are the savvy publishers and visionary writers and artists of comics Golden Age who ushered the red and blue clad titan through changing eras and evolving incarnations and the actors including George Reeves and Christopher Reeve who brought the Man of Steel to life on screen only to succumb themselves to all too human tragedy in the mortal world Here too is the poignant and compelling history of Siegel and Shuster s lifelong struggle for the recognition and rewards rightly due to the architects of a genuine cultural phenomenon From two fisted crimebuster to ber patriot social crusader to spiritual savior Superman perhaps like no other mythical character before or since has evolved in a way that offers a Rorschach test of his times and our aspirations In this deftly realized appreciation Larry Tye reveals a

portrait of America over seventy years through the lens of that otherworldly hero who continues to embody our best selves
