Credit Karma Ringtone:

Never Be Poor Again Matthew Morales, 2021-07-16 My biggest obstacle to wealth wasn't my poverty. It was my arrogance keeping me poor. Nothing else. I skipped all the introductions and all the conclusions in books. I skipped past the exercises because I was too smart for them. I didn't need them. But recipes exist for a reason. All I had to do was listen. Listen to those before me that already found the way. I had to lose everything over and over again before I was willing to apply the lessons of the masters before me. This isn't a story about poverty. It's a story about how arrogance leaves us poor. If not financially then mentally poor, which is a worse place to be. For a poor man with applied wisdom is better than a sedentary genius. Matthew Morales. Discover how a kid from the hood made it good, not just financially but through reaching a higher spiritual plane. In his fascinating work *Never Be Poor Again*, Matthew Morales reveals the sometimes lucky, sometimes nerve-racking journey from poverty to enlightenment and enoughness. Using *Laws of the Universe* and vulnerability, Matthew teaches how to respect and most importantly how to put into practice the way out of poverty. Mentally, Spiritually, and Financially. _____ The first book of its kind. This book will redefine how self-help books are written. Not many self-help books take you on the journey of struggles and what it actually took to grow. Most are told from the perspective of the expert and what to do; this is the opposite. It takes you on an emotional rollercoaster as you experience the author's experiences of poverty and watch as he frees himself by the end, giving you the satisfying feeling that you can do it too. It connects directly to the hearts of the readers and is easier to relate to than any financial literacy book ever written before. **REVIEWS** Thank you for this book; it's a blessing. I've started to read it and I've cried in the first chapter. So many emotions in me. Your words are so inspired. Wow, this is seriously a masterpiece. Hands down, the best personal development book I've ever read. Period. Seems like I read 100 books in one. Lots of experience put in just one book. To be honest, I will forever be grateful to you for sending me this book. This has nearly saved me a decade of time. I really wish I read this earlier. From the moment I started reading, I couldn't stop. I without a doubt absolutely recommend everyone read this book. I'm so grateful for the existence of this book. This book is gonna change the world. I had so much fun reading this book and at the same time there have been many AHA moments throughout all the book. I was searching for further guidance in integrating money with my spiritual path; this book arrived in perfect timing and offered me so many insights and tools. I loved it; you'll love it too. **Vibe**, 2006 **Push Start to Auto Start** Anu Kushwaha, 2019-09-10 Most of us often feel empty at heart even after achieving success or we are confused about where life is taking us.
