# CRIMES AGAINST HUMANITY

THE STRUGGLE FOR GLOBAL JUSTICE

GEOFFREY ROBERTSON QC

'Millions will be reading his book in the century to come if we are serious in our intention to stop massacres' *Observer*

# Crimes Against Humanity The Struggle For Global Justice

**Norman Geras**

## **Crimes Against Humanity The Struggle For Global Justice:**

*Crimes Against Humanity* Geoffrey Robertson, 2013-02-05 When it was first published in 1999 *Crimes Against Humanity* called for a radical shift from diplomacy to justice in international affairs In vivid non legalese prose leading human rights lawyer Geoffrey Robertson made a riveting case for holding political and military leaders accountable in international courts for genocide torture and mass murder Since then fearsome figures such as Charles Taylor Laurent Gbagbo and Ratko Mladic have been tried in international criminal court and a global movement has rallied around the human rights framework of justice Any such legal framework requires constant evolution in order to stay relevant and this newly revised and expanded volume brings the conversation up to date In substantial new chapters Robertson covers the protection of war correspondents the problem of piracy crimes against humanity in Syria nuclear armament in Iran and other challenges we are grappling with today He criticizes the Obama administration s policies around targeted killing and the trials of Khalid Sheik Mohammed and other high value detainees By rendering a complex debate accessible Robertson once again provides an essential guide for anyone looking to understand human rights and how to work toward a more complete blueprint for justice

**Crimes Against Humanity**, 2000 *The Dogs of War* **Crimes Against Humanity** Geoffrey Robertson, Geoffrey, 2008 Geoffrey Robertson s *Crimes Against Humanity* is a superb and highly influential account of the history of the human rights movement up to the present day From the French Revolution and the Nuremberg trials to 9 11 and the invasion of Iraq Robertson traces the developing concept of human rights and shows how far we still have to go His inspiring narrative is both a masterly history and a clarion call to the global justice movement

**The Critical Criminology Companion** Thalia Anthony, Chris Cunneen, 2008 This book brings together the major Australian and New Zealand theorists in Critical Criminology The chapters represent the contribution of these authors in both their established work and their recent scholarship It includes new approaches to theory methodology case studies and contemporary issues

*Crimes Against Humanity* Norman Geras, 2013-07-19 This book tells the story of the emergence of the concept of crimes against humanity It examines its origins the ethical assumptions underpinning it its legal and philosophical boundaries and some of the controversies connected with it A brief historical introduction is followed by an exploration of the various meanings of the term crimes against humanity that have been suggested a definition is proposed linking it to the idea of basic human rights The book looks at some problems with the boundaries of the concept the threshold for its proper application and the related issue of humanitarian intervention It concludes with a discussion of the prospects for the further development of crimes against humanity law The work serves as a clear and compact introduction for students of politics philosophy and law as well as for the general reading public

**Encyclopedia of Global Justice** Deen K. Chatterjee, 2012-01-23 This two volume *Encyclopedia of Global Justice* published by Springer along with Springer s book series *Studies in Global Justice* is a major publication venture toward a comprehensive coverage of this timely topic The *Encyclopedia* is an international

interdisciplinary and collaborative project spanning all the relevant areas of scholarship related to issues of global justice and edited and advised by leading scholars from around the world The wide ranging entries present the latest ideas on this complex subject by authors who are at the cutting edge of inquiry The Encyclopedia sets the tone and direction of this increasingly important area of scholarship for years to come The entries number around 500 and consist of essays of 300 to 5000 words The inclusion and length of entries are based on their significance to the topic of global justice regardless of their importance in other areas

*International Criminal Law* M. Cherif Bassiouni, 2008 Volume 1 deals with international crimes It contains several significant contributions on the theoretical and doctrinal aspects of ICL which precede the five chapters addressing some of the major categories of international crimes The first two chapters address the sources and subjects of ICL and its substantive contents The other five chapters address Chapter 3 The Crime Against Peace and Aggression The Crime Against Peace and Aggression From its Origins to the ICC The Crime of Aggression and the International Criminal Court Chapter 4 War Crimes Crimes Against Humanity Penal Aspects of International Humanitarian Law Non International Armed Conflict and Guerilla Warfare Mercenarism and Contracted Military Services Customary International Law and Weapons Control Genocide Crimes Against Humanity Overlaps Gaps and Ambiguities in Contemporary International Humanitarian Law Genocide and Crimes Against Humanity Chapter 5 Crimes Against Fundamental Human Rights Slavery Slave Related Practices and Trafficking in Persons Apartheid International Prohibition of Torture The Practice of Torture in the United States September 11 2001 to Present Chapter 6 Crimes of Terror Violence International Terrorism Kidnapping and Hostage Taking Terrorism Financing Piracy International Maritime Navigation and Installations on the High Seas International Civil Aviation Chapter 7 Crimes Against Social Interest International Control of Drugs Challenges in the Development of International Criminal Law The Negotiations of the United Nations Convention Against Transnational Organized Crime and the United Nations Convention Against Corruption Transnational Organized Crime Corruption of Foreign Public Officials International Criminal Protection of Cultural Property Criminalization of Environmental Protection

**Crimes Against Humanity** Nergis Canefe, 2021-04-15 This book brings together jurisprudential debates on international criminal law international law scholarship on the limits of state sovereignty and applied political philosophy concerning responsibility and accountability in the context of mass political crimes and state criminality It offers a compelling view of legal reasoning concerning accountability regimes in the Global South No other study addresses questions of ethical dimensions of mass crimes and accountability for state criminality

**Pursuing Justice** Ralph A. Weisheit, Frank Morn, 2025-09-15 Pursuing Justice Fourth Edition examines the issue of justice by considering the origins of the idea formal systems of justice current global issues of justice and ways in which justice might be achieved by individuals organizations and the global community Part I demonstrates how the idea of justice has emerged over time starting with religion and philosophy and then to the concept of social justice Part II outlines the very different mechanisms used by

various nations for achieving state justice including systems based on common law civil law and Islamic law with a separate discussion of the U S justice system Part III focuses on six contemporary issues of justice war immigration domestic terrorism genocide slavery and the environment Finally Part IV shows how individuals and organizations can go about pursuing justice and describes the rise of global justice This updated book uses current events and debates to help students understand the complexities and nuances of a society s pursuit of justice It provides students with the foundations of global justice systems integrating Greek philosophies and major religious perspectives into a justice perspective and contributes to undergraduate understanding of international justice bodies NGOs and institutions **Criminology** Tim Newburn,2017-02-22

Comprehensive and accessible Tim Newburn s bestselling Criminology provides an introduction to the fundamental themes concepts theories methods and events that underpin the subject and form the basis for all undergraduate degree courses and modules in Criminology and Criminal Justice This third edition includes A new chapter on politics reflecting the ever increasing coverage of political influence and decision making on criminology courses New and updated crime data and analysis of trends plus new content on recent events such as the Volkswagen scandal the latest developments on historic child abuse as well as extended coverage throughout of the English riots A fully revised and updated companion website including exam review and multiple choice questions a live Twitter feed from the author providing links to media and academic coverage of events related to the concepts covered in the book together with links to a dedicated textbook Facebook page Fully updated to reflect recent developments in the field and extensively illustrated this authoritative text written by a leading criminologist and experienced lecturer is essential reading for all students of Criminology and related fields Find online resources for both students and instructors at <https://routledge.textbooks.com/textbooks/9781138643130>

The Responsibility to Protect in Libya and Syria Yasmine Nahlawi,2019-11-14 This book offers a novel and contemporary examination of the responsibility to protect R2P doctrine from an international legal perspective and analyses how the doctrine was applied within the Libyan and Syrian conflicts as two recent and highly significant R2P cases The book dissects each of R2P s three component pillars to examine their international legal underpinnings drawing upon diverse legal frameworks including the laws of the UN laws of international organisations human rights law humanitarian law criminal law environmental law and laws of State responsibility to extract conclusions regarding existing and emerging host and third State obligations to prevent and react to mass atrocity crimes It uses this legal grounding to critically examine specific aspects of the Libyan and Syrian R2P cases engaging with some of the more traditional debates surrounding R2P s application most notably those that pertain to the use of force or lack thereof but also exploring some of the less researched non military methods that were or could have been employed by States and international organisations to uphold the doctrine Such an analysis captures the diversity in the means and actors through which R2P can be implemented and allows for the extraction of more nuanced conclusions regarding the doctrine s strengths and limitations gaps in enforceability levels of

State support and future trajectory The book will be of interest to scholars and students in the field of international law and human rights law **Yearbook of International Humanitarian Law** - 2002 Horst Fischer, Avril McDonald, 2011-03-04 The world's only annual publication devoted to the study of the laws of armed conflict the Yearbook of International Humanitarian Law provides a truly international forum for high quality peer reviewed academic articles focusing on this highly topical branch of international law The Yearbook also includes a selection of documents from the reporting period many of which are not accessible elsewhere and a comprehensive bibliography of all recent publications in humanitarian law and other relevant fields Ease of use of the Yearbook is guaranteed by the inclusion of a detailed index Distinguished by its topicality and contemporary relevance the Yearbook of International Humanitarian Law bridges the gap between theory and practice and serves as a useful reference tool for scholars practitioners military personnel civil servants diplomats human rights workers and students **Justice in Conflict** Mark Kersten, 2016-06-24 What happens when the international community

simultaneously pursues peace and justice in response to ongoing conflicts What are the effects of interventions by the International Criminal Court ICC on the wars in which the institution intervenes Is holding perpetrators of mass atrocities accountable a help or hindrance to conflict resolution This book offers an in depth examination of the effects of interventions by the ICC on peace justice and conflict processes The peace versus justice debate wherein it is argued that the ICC has either positive or negative effects on peace has spawned in response to the Court's propensity to intervene in conflicts as they still rage This book is a response to and a critical engagement with this debate Building on theoretical and analytical insights from the fields of conflict and peace studies conflict resolution and negotiation theory the book develops a novel analytical framework to study the Court's effects on peace justice and conflict processes This framework is applied to two cases Libya and northern Uganda Drawing on extensive fieldwork the core of the book examines the empirical effects of the ICC on each case The book also examines why the ICC has the effects that it does delineating the relationship between the interests of states that refer situations to the Court and the ICC's institutional interests arguing that the negotiation of these interests determines which side of a conflict the ICC targets and thus its effects on peace justice and conflict processes While the effects of the ICC's interventions are ultimately and inevitably mixed the book makes a unique contribution to the empirical record on ICC interventions and presents a novel and sophisticated means of studying analyzing and understanding the effects of the Court's interventions in Libya northern Uganda and beyond **The Concept of Race in International**

**Criminal Law** Carola Lingaas, 2019-09-19 Members of racial groups are protected under international law against genocide persecution and apartheid But what is race and why was this contentious term not discussed when drafting the Statute of the International Criminal Court Although the law uses this term is it legitimate to talk about race today let alone convict anyone for committing a crime against a racial group This book is the first comprehensive study of the concept of race in international criminal law It explores the theoretical underpinnings for the crimes of genocide apartheid and persecution and

analyses all the relevant legal instruments case law and scholarship It exposes how the international criminal tribunals have largely circumvented the topic of race and how incoherent jurisprudence has resulted in inconsistent protection The book provides important new interpretations of a problematic concept by subjecting it to a multifaceted and interdisciplinary analysis The study argues that race in international criminal law should be constructed according to the perpetrator s perception of the victims ostensible racial otherness The perpetrator s imagination as manifested through his behaviour defines the victims racial group membership It will be of interest to students and practitioners of international criminal law as well as those studying genocide apartheid and race in domestic and international law

**United States Law and Policy on Transitional Justice** Zachary Daniel Kaufman,2016 In United States Law and Policy on Transitional Justice Principles Politics and Pragmatics Zachary D Kaufman explores the U S government s support for or opposition to certain transitional justice institutions By first presenting an overview of possible responses to atrocities such as war crimes tribunals and then analyzing six historical case studies Kaufman evaluates why and how the United States has pursued particular transitional justice options since World War II This book challenges the legalist paradigm which postulates that liberal states pursue war crimes tribunals because their decision makers hold a principled commitment to the rule of law Kaufman develops an alternative theory prudentialism which contends that any state liberal or illiberal may support bona fide war crimes tribunals More generally prudentialism proposes that states pursue transitional justice options not out of strict adherence to certain principles but as a result of a case specific balancing of politics pragmatics and normative beliefs Kaufman tests these two competing theories through the U S experience in six contexts Germany and Japan after World War II the 1988 bombing of Pan Am flight 103 the 1990 1991 Iraqi offenses against Kuwaitis the atrocities in the former Yugoslavia in the 1990s and the 1994 Rwandan genocide Kaufman demonstrates that political and pragmatic factors featured as or more prominently in U S transitional justice policy than did U S government officials normative beliefs Kaufman thus concludes that at least for the United States prudentialism is superior to legalism as an explanatory theory in transitional justice policymaking

The Internationalisation of Criminal Evidence John D. Jackson,Sarah J. Summers,2012-01-19 An examination of international attempts to develop common principles for regulating criminal evidence across different legal traditions

The Use of Force in Humanitarian Intervention John Janzekovic,2017-11-30 Humanitarian intervention is a many layered and complex concept While moral society has an obligation to stop deliberate and persistent serious human rights abuse the direct use of force remains a contentious option alongside other strategies employed by the international community This study analyzes the various ethical positions particularly consequentialism welfare utilitarianism and just war theory to unravel this intricate topic Uniquely the book goes beyond previous philosophical or ethical treatments of the subject to provide a more rounded and practical reflection on the lessons learned from the revival of humanitarian intervention as a tool of conflict resolution

Introduction to International Criminal Law M. Cherif Bassiouni,2021-10-01 Written by one of the world s pioneers and

leading authorities on international criminal law this text book covers the history nature and sources of international criminal law the *ratione personae* *ratione materiae* sources of substantive international criminal law the indirect enforcement system the direct enforcement system the function of the international criminal court rules of procedure and evidence applicable to international criminal proceedings and the future of international criminal law The first textbook to address this important topic it is comprehensive easy to read and ideally suited for classroom use Published under the Transnational Publishers imprint

### **Crimes Against Humanity The Struggle For Global Justice Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Crimes Against Humanity The Struggle For Global Justice PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Crimes Against Humanity The Struggle For Global Justice PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Crimes Against Humanity The Struggle For Global Justice free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Crimes Against Humanity The Struggle For Global Justice Books**

1. Where can I buy Crimes Against Humanity The Struggle For Global Justice books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
