embrace a strict eye for an eye sense of justice delivered instantly and without mercy In the end the appeal of Superman Batman Spiderman and legions of others is simple and elemental Superheroes provide drama excitement suspense and romance and their stories showcase moral dilemmas villains we love to hate and protagonists who inspire us Perhaps as important their stories allow us to recapture periods of our childhood when our imaginations were cranked up to the maximum when we really believed we could fly or knock down the bad guy or save the city from disaster **Current Perspectives in Forensic Psychology and Criminal Behavior** Curt R.
