Liquid Criminology Michael Hviid Jacobsen, Sandra Walklate, 2016-06-17 This book explores the ways in which criminological methods can be imaginatively deployed and developed in a world increasingly characterized by the blurred nature of social reality Whilst recognizing the importance of positivist approaches and research techniques it advocates a commitment to understanding the ways in which those techniques can be used imaginatively at times in combination with less conventional methods discussing the questions concerning risk ethics and access that arise as a result Giving voice to cutting edge research practices both in terms of concepts and methods that shift the criminological focus towards the kind of imaginative work that comprised the foundations of the discipline it calls into question the utility and credentials of mainstream work that fails to serve the discipline itself or the policy questions allied to it A call not to give up on numbers but also not to be defined by statistics and the methods that produce them Liquid Criminology sheds light on a way of doing research for criminology that is not only creative but also critical As such it will appeal to scholars of sociology criminology and social policy with interests in research methods and design

Theoretical Criminology George Bryan Vold, Thomas J. Bernard, Jeffrey B. Snipes, 1998 This fourth edition of Theoretical Criminology the standard text and reference in its field has been extensively revised and completely updated New sections include material on neurotransmitters environmentally induced biological components of behavior impulsiveness and crime neighborhoods as causes of crime situational contexts of crime the decline and resurgence of strain theories and control ology The text presents each type of theory accurately and comprehensively within its historical context Relevant empirical research is reviewed and assessed and research issues related to theory testing are also discussed

New Perspectives in Criminology John E. Conklin, 1996 This reader includes the most up to date and engaging selections for a criminology course to be found under one cover meeting an unfulfilled demand in the marketplace All publication dates are between 1990 and 1996 Juvenile gangs white collar crime sources of criminal behavior violent crime drugs deterrence treatment and punishment and issues of class gender and race represent topics covered Selections are well coordinated with material that appears in basic criminology textbooks and professors using any one of these can consult a chart in the preface to see how to assign the selections Carefully designed to supplement such texts this reader can also be adopted as a basic reader

supplemented by other monographs *THE FACES OF VIOLENCE* George B. Palermo, 2011-12-01 Thoroughly revised and rewritten this new Second Edition addresses the manifestations of violence with an unusual clarity and down to earth objectivity that studies poverty drugs access to guns joblessness poor education inadequate housing and the lack of stability that comes from an integrated family Doctor Palermo has spent a lifetime observing criminal violence as a psychiatrist for Milwaukee County He is well known for his plainspoken unpretentious testimony in the trial of serial killer Jeffrey Dahmer The author takes the position that there is an absence in the United States of a coherent culture of its material obsession the destructiveness of welfare the disintegration of the family unit and how all these forces have come together to perpetuate and increase violence in our daily lives Although the book deals with crimes against the physical person other forms of criminal behavior that have recently appeared on the social scene are explored such as Internet crimes white collar crimes and identity theft It is a must read for all those professionals in the psychiatric criminological and forensic fields
