Donna C. Aguilera, Janice M. Messick, 1978 *Basic Concepts of Psychiatric-mental Health Nursing* Louise Rebraca Shives, 2007 This seventh edition includes new chapters and maintains popular features from previous editions such as self awareness prompts while adding research boxes and student worksheets at the end of each chapter Social Work Theory and Methods Neil Thompson, Paul Stepney, 2017-10-23 This gateway text lays the foundations for a thorough knowledge of the theory and methods that social workers need Pulling together the work of a team of experts this book uses the innovative theorizing practice approach rather than the traditional applying theory to practice approach thereby providing a much more satisfactory basis for understanding the relationship between theory and practice and making it easier for practitioners to employ theory in practice Part I sets the scene by examining the relationship between theory and practice how research can be used to inform practice and the important role of policy and organizational factors Part II provides 14 chapters each exploring a different theoretical approach All in all this book provides the ideal introduction to using social work theory and methods in practice *Handbook of Emergency Psychiatry for Clinical Administrators* Gail M. Barton, Rohn S.

Friedman, 2018-09-24 Originally published in 1986 this volume presents the clinical and administrative aspects of emergency psychiatry from the point of view of the clinician administrator involved in organizing and running an emergency service Part 1 provides an administrative overview of psychiatric emergency care the development of the field the concepts the patient profile the team the architecture fiscal planning legal constraints as well as training and research issues Part 2 describes psychiatric emergency care delivery systems in the emergency department the average hospital wards the community mental health centers and health maintenance organizations Part 3 gives examples of the process of administration in one instance

how a psychiatric emergency service developed in the other how one functions day to day and what themes recur administratively Part 4 focuses on protocols and models useful to the emergency service administrator protocols records standards of care politics liaison with the court mobile response collaborative arrangements and disaster preparedness Part 5 provides an annotated bibliography which reviews and draws attention to the relevant literature for the clinicians and administrators to use in practicing emergency psychiatry
