**The Breakaway** Bryan Smith,2018-10-01 This is a terrific book a dramatic family saga told in artful prose and filled with emotional turmoil a few surprisingly touching moments but enough dysfunction for a couple of Eugene O Neill plays Rick Kogan Chicago Tribune When Rocky Wirtz took over the Wirtz Corporation in 2007 including management of the Chicago Blackhawks the fiercely beloved hockey team had fallen to a humiliating nadir As chronic losers playing to a deserted stadium they were worse than bad they were irrelevant ESPN named the franchise the worst in all of sports Rocky s resurrection of the team s fortunes was publicly at least a feel good tale of shrewd acumen Behind the scenes however it would trigger a father son and brother against brother drama of Shakespearean proportions The Breakaway reveals that untold story Arthur Wirtz founded the family s business empire during the Depression From roots in real estate King Arthur soon expanded into liquor and banking running his operations with an iron hand and a devotion to profit that earned him the nickname Baron of the Bottom Line His son Bill further expanded the conglomerate taking the helm of the Blackhawks in 1966 Dollar Bill Wirtz demanded unflinching adherence to Arthur s traditions and was notorious for an equally fierce temperament Yet when Rocky took the reins of the business after Bill s death it was an organization out of step with the times and financially adrift The Hawks weren t only failing on the ice the parlous state of the team s finances imperiled every facet of the Wirtz empire To save the team and the company Rocky launched a radical turnaround campaign Yet his modest proposal to televise the Hawks home games provoked fierce opposition from Wirtz family insiders who considered any deviation from Arthur and Bill s doctrines to be heresy Rocky s break with the edicts of his grandfather and father led to a reversal for the ages three Stanley Cup championships in six years a feat Fortune magazine called the greatest turnaround in sports business history But this resurrection came at a price a fracturing of Rocky s relationships with his brother and other siblings In riveting prose that recounts a story spanning three generations The Breakaway reveals an insider s view of a
