**Her Race** Lisa G. Materson,2009 Focusing on Chicago and downstate Illinois politics during the incredibly oppressive decades between the end of Reconstruction in 1877 and the election of Franklin Delano Roosevelt in 1932\_a period that is often described as the nadir of black life in Ame *Planning Chicago* D. Bradford Hunt,Jon DeVries,2019-03-14 In this volume the authors tell the real stories of the planners politicians and everyday people who shaped contemporary Chicago starting in 1958 early in the Richard J Daley era Over the ensuing decades planning did much to develop the Loop protect Chicago s famous lakefront and encourage industrial growth and neighborhood development in the face of national trends that savaged other cities But planning also failed some of Chicago s communities and did too little for others The Second City is no longer defined by its past and its myths but by the nature of its emerging postindustrial future This volume looks beyond Burnham s giant shadow to see the sprawl and scramble of a city always on the make This isn t the way other history books tell the story But it s the Chicago way *Chicago Neighborhoods and Suburbs* Ann Durkin Keating,2008-11-15 Which neighborhood It s one of the first questions you re asked when you move to Chicago And the answer you give be it Bucktown Bronzeville or Bridgeport can give your inquisitor a good idea of who you are especially in a metropolis with so many different neighborhoods and suburbs to choose from Many of us know little of the neighborhoods beyond those where we work play and live This is particularly true in Chicagoland a region that spans over 4 400 square miles and is home to more than 9 5 million residents Now historian Ann Durkin Keating s compact guide drawn largely from the bestselling Encyclopedia of Chicago brings the history of Chicago neighborhoods to life Back cover Illinois Republican Party V. State

Board of Elections of the State of Illinois ,1998      **The Trials of Nina McCall** Scott W. Stern,2018-05-15 The nearly forgotten story of the fight against the American Plan a government program designed to regulate women s bodies and sexuality A consistently surprising page turner a brilliant study of the way social anxieties have historically congealed in state control over women s bodies and behavior New York Times Book Review Nina McCall was one of many women unfairly imprisoned by the United States government throughout the twentieth century Tens probably hundreds of thousands of women and girls were locked up usually without due process simply because officials suspected these women were prostitutes carrying STIs or just promiscuous This discriminatory program dubbed the American Plan lasted from the 1910s into the 1950s implicating a number of luminaries including Eleanor Roosevelt John D Rockefeller Jr Earl Warren and even Eliot Ness while laying the foundation for the modern system of women s prisons In some places vestiges of the Plan lingered into the 1960s and 1970s and the laws that undergirded it remain on the books to this day Nina McCall s story provides crucial insight into the lives of countless other women incarcerated under the American Plan Stern demonstrates the pain and shame felt by these women and details the multitude of mortifications they endured both during and after their internment Yet thousands of incarcerated women rioted fought back against their oppressors or burned their detention facilities to the ground they jumped out of windows or leapt from moving trains or scaled barbed wire fences in order to escape And as Nina McCall did they sued their captors In an age of renewed activism surrounding harassment health care prisons women s rights and the power of the state this virtually lost chapter of our history is vital reading      Congressional Record United States. Congress,1978 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873      **Black Americans in Congress, 1870-2007** ,2008 From the publisher Provides a comprehensive history of the more than 120 African Americans who have served in the United States Congress Written for a general audience this book contains a profile of each African American Member including notables such as Hiram Revels Joseph Rainey Oscar De Priest Adam Clayton Powell Shirley Chisholm Gus Hawkins and Barbara Jordan Individual profiles are introduced by contextual essays that explain major events in congressional and U S history Illustrated with many portraits photographs and charts      *Block by Block* Amanda I. Seligman,2005-05-10 In the decades following World War II cities across the United States saw an influx of African American families into otherwise homogeneously white areas This racial transformation of urban neighborhoods led many whites to migrate to the suburbs producing the phenomenon commonly known as white flight In *Block by Block* Amanda I Seligman draws on the surprisingly understudied West Side communities of Chicago to shed new light on this story of postwar urban America Seligman s study reveals that the responses of white West Siders to racial changes occurring in their neighborhoods

were both multifaceted and extensive She shows that despite rehabilitation efforts deterioration in these areas began long before the color of their inhabitants changed from white to black And ultimately the riots that erupted on Chicago s West Side and across the country in the mid 1960s stemmed not only from the tribulations specific to blacks in urban centers but also from the legacy of accumulated neglect after decades of white occupancy Seligman s careful and evenhanded account will be essential to understanding that the flight of whites to the suburbs was the eventual result of a series of responses to transformations in Chicago s physical and social landscape occurring one block at a time     **Inside** Scott
