Dubcon Milena Popova, 2021-10-05 How the treatment of sexual consent in erotic fanfiction functions as a form of cultural activism Sexual consent is at best a contested topic in Western societies and cultures The MeToo movement has brought public attention to issues of sexual consent revealing the endemic nature of sexual violence Feminist academic approaches to sexual violence and consent are diverse and multidisciplinary and yet consent itself is significantly undertheorized In *Dubcon* Milena Popova points to a community that has been considering

issues of sex power and consent for many years writers and readers of fanfiction Their nuanced engagement with sexual consent Popova argues can shed light on these issues in ways not available to either academia or journalism Popova explains that the term dubcon short for dubious consent was coined by the fanfiction community to make visible the gray areas between rape and consent for example in situations where the distribution of power may limit an individual's ability to give meaningful consent to sex Popova offers a close reading of three fanfiction stories in the Omegaverse genre examines the arranged marriage trope and discusses the fanfiction community's response when a sports star who was a leading character in RPF real person fiction was accused of rape Proposing that fanfiction offers a powerful discursive resistance on issues of rape and consent that challenges dominant discourses about gender romance sexuality and consent Popova shows that fanfiction functions as a form of cultural activism

spectators to the sport In addition the NHL had another special challenge unlike other major leagues it was a binational league that had to sell and manage its sport in two different countries Joining the Clubs pays close attention to these national differences as well as to the context of a historical period characterized by war and peace by rapid economic growth and dire recession and by the momentous technological and social changes of the modern age [#No Fear](#) Suly Rieman,2023-03-21 Suly in her book No Fear does a masterful job of illuminating the fears we face what those fears do to our bodies and most importantly steps we can take to overcome these fears If you re looking for a magic pill that will suddenly rid your life of fear anxiety and depression you will not find it in this book Overcoming our irrational fears is certainly a journey and in light of this truth I implore you to slip into your proverbial shoes grab your day pack and water and allow Suly to take you on an excursion of life changing discovery The personal breakthroughs and understanding this book unpacks will have a profound impact on how you view and interact with yourself and others it will indeed lead you to JUMP FIRST FEAR LATER Patrick McCalla Executive Director Operation JOY Foundation President Four Thirteen Productions [Terror in Denver](#) John J.
