*Weird Al* Lily E. Hirsch, 2022-04-15 From his love of accordions and Hawaiian print shirts to his popular puns and trademark dance moves Weird Al Yankovic has made a career out of making us laugh Funny music is often dismissed as light and irrelevant but Yankovic's fourteen successful studio albums

prove there is more going on than comedic music's reputation suggests. In this book for the first time the parodies, original compositions and polka medleys of the Weird Al universe finally receive their due respect. Lily Hirsch weaves together original interviews with the prince of parody himself, creating a fresh take on comedy and music's complicated romance. She reveals that Yankovic's jests have always had a deeper meaning, addressing such topics as bullying, celebrity and racial and gender stereotypes. Weird Al is undeterred by those who say funny music is nothing but a low brow pastime. And thank goodness. With his good guy grace still intact, Yankovic remains unapologetically and unmistakably himself. Reveling in the mischief and wisdom of Yankovic's forty year career, this book is an Al expense paid tour of a true comedic and musical genius.

*No Depression* # 77 Grant Alden, Peter Blackstock, 2009-02-01. For most of its thirteen year history as a beloved and decorated music magazine, *No Depression* sought to be an instrument of change, to draw attention to the deep well of American musical traditions, to shine a light on performers whose gifts far exceed the size of their audiences or their pocketbooks, and to provide a safe harbor for the best long form writing about music on the newsstand. These traditions continue through *No Depression*'s now semi-annual series of bookazines. The inaugural bookazine, numbered ND 76, so as to make explicit the continuity between *No Depression*'s original and new formats, focused on the next generation of emerging roots music performers. ND 77, due out the spring of 2009, will center around the phrase "instruments of change" and the various ways in which those words may be interpreted. Early assignments include profiles of mandolinist Chris Thile by Seth Mnookin, Tejano accordion masters by Joe Nick Patoski, and A Team bass player Bob Moore by Rich Kienzle, as well as essays on the strange journey of Dock Boggs' banjo and an activist's memory of Phil Ochs. *No Depression* first appeared during the fall of 1995 as a 32 page quarterly magazine. Ten years later, it had become a 180 page glossy bimonthly. Along the way, it became one of the most prominent publications to cover American roots music, starting from the intersection of country and rock n roll and tracing the links to bluegrass, folk, blues, gospel, soul, jazz, indie rock, Cajun conjunto, and beyond. *No Depression* grew to be acknowledged as one of the finest music magazines ever published, was compared often to the 1960s origins of *Rolling Stone* or the 1970s heyday of *Creem*, and received awards from the *Utne Reader*, ASCAP, and the International Country Music Conference. It was cited by the *Chicago Tribune* in 2004 as one of the nation's Top 20 magazines in any category. The magazine's cofounders and coeditors, Grant Alden and Peter Blackstock, continue to guide the bookazine. The magazine's senior writers and contributors remain on board to shape the tone and voice of the bookazine, and its distinctive graphic design imprint continues in the hands of ND art director Grant Alden.

A Mom's Choice Awards Gold Medal Recipient, Jamie, an exceptionally bright and inquisitive eight year old, is given the opportunity to see New Orleans in a way that few will ever see it. Upon accepting the gift, he finds that he is able to interact with the shadows of the city, the essences of people hidden away from the rest of the world. As a result, Jamie learns difficult yet important lessons about the emotional pain, regret, and fear with which some must live.
