## **Chihuly The George R Stroemple Collection:**

**Chihuly: The George R. Stroemple collection** Donald Kuspit, 1997      *Chihuly* Dale Chihuly, Donald Burton Kuspit, Kathryn Kanjo, 1997 As Marcel Duchamp said the creation of art restlessly oscillates between two poles the artist and the spectator writes Donald Kuspit in his insightful essay Chihuly and Stroemple A Meeting of Imaginations He suggests that the collector is the ideal spectator For Dale Chihuly George R Stroemple may be the ultimate ideal spectator as he possesses more works by Chihuly than any other collector concentrating on three series only the Irish Cylinders Macchia Venetians and Drawings In 1997 the Portland Art Museum presented 350 works selected from this collection In the catalogue accompanying the exhibition Kuspit explores the relationship of artist and collector noting that this exhibition is not only about Dale Chihuly s glass art but also about George R Stroemple s enthusiastic if selective collecting of it Curator Kathryn Kanjo addresses the creation of these three distinctly different series in her incisive essay Chihuly Glass Without Limits Statements by the collector and his curator Tracy Savage who had run Chihuly s Seattle studio at the time of Stroemple s first purchases in 1990 offer intimate insights to this relationship of collector and artist      Chihuly Alla Macchia Dale Chihuly, Robert Carleton Hobbs, Art Museum of Southeast Texas, Laguna Gloria Art Museum, 1993 Dale Chihuly s obsession with color and his insatiable desire to experiment inspired his Macchia Italian for spot or stain series Chihuly alla Macchia traces its development from the first small oddly shaped grotesquely coloured vessels dubbed the uglies by Chihuly s forthright mother when they began in 1981 to the recent flamboyant and exuberantly hued Macchia This book reproduces in full colour the 39 glass works and 15 drawings included in the 1993 exhibition of the George R Stroemple collection The book is not however merely an exhibition catalogue Through the extensive use of close up details it offers the reader a chance to experience the glasswork in an intimate manner The book also includes the essay Reflections on Macchia by Robert Hobbs as well as an exhibition checklist and a chronology      **Chihuly at the V&A** Dale Chihuly, 2001 Chihuly s glass is richly coloured extravagantly formed and enormously varied ranging from chandeliers to spears Seaforms to Macchias renowned for their organic subtlety and textural refinement His work which owes much to the grand tradition of Venetian glass is put into historical context and his importance in introducing the Venetian style to America is also explored Drawing on the Museum s historic Renaissance collections and expertise the book also explores the development of the traditional Venetian glass workshop and Chihuly s enormous influence in introducing Venetian glass makers to the USA It includes a brief resume of his career and an assessment of his art and its significance The book shows the enormous variety of glass forms that comprise Chihuly s work as it has developed over the last 30 years His glass is technically and sculpturally ambitious on a scale unmatched by any other maker      The Art of Dale Chihuly Dale Chihuly, 2008-06-11 Dale Chihuly is the most famous and influential artist working in glass today A career spanning biographical essay by curator Timothy Anglin Burgard and stunning colour photography of the works will captivate Chihuly s myriad fans both old and new      **Indianapolis Monthly**

Pincus, 2000 **On Exhibit 2002** Judith Swirsky, 2001 The complete guide to the year's special exhibitions and to permanent collections at American art museums This indispensable reference provides art lovers with easy access to American museums With more than 750 museum listings organized by state and by city it has proven its value as the most complete directory for travelers seeking the best in permanent and temporary art exhibitions across the United States Designed for quick and easy reference it is filled with practical information about each venue's location hours holiday closings handicap accessibility ticket prices and website At a glance the reader can find out about tour times and special discounts for students or seniors or check whether parking restaurants and museum shops are part of the museum's facilities In addition a concise description of each museum's permanent collection which highlights must-see items

is part of each profile A calendar of temporary exhibitions is provided for each museum With additional indexes of traveling exhibition itineraries alphabetical listings of museums and exhibitions featuring Acoustiguide audio tours this book provides the most information on American museums     *Traveler's Guide to Art Museum Exhibitions* Fletcher Roberts,1999 Lists exhibits in the United States Europe and Canada with highlights cost hours addresses and other data     *Glass* ,1998

James Mongrain in the George R. Stroemple Collection Sheldon Barr,Linda Tesner,2016 The Stroemple Collection boasts more than five hundred vintage Venetian vessels that illustrate the height of Venetian glassblowing during the eighteenth and nineteenth centuries In 2012 George Stroemple commissioned James Mongrain Dale Chihuly s current gaffer and an exceptional glass artist to make a series of ten vessels to replicate major examples of vintage Venetian glass in the Stroemple Collection The finished pieces exemplify Mongrain s extraordinary ability to re create traditional Venetian mastery in glass Since then the Stroemple Collection has commissioned Mongrain to make more series all based on the historic works in the Stroemple Collection For these Mongrain uses traditional techniques and imagery to reimagine the Venetian style working on a large scale to create monumental and sculptural pieces that reference tradition but are firmly within contemporary glassmaking This book documents each of the James Mongrain commissions and will also include various examples of historic Venetian glass that inspired Mongrain in the making of these series     **New Art Examiner** ,2001 The independent voice of the visual arts     **San Diego Magazine** ,1999-11     *A Passion for Glass* Bonita Fike,Detroit Institute of Arts,1998 Fike uses the collection to discuss studio glass within the context of contemporary fine arts Biographies of the fifty seven are also included as well as a bibliography on the studio glass movement     **American Craft** ,2006     **Water** Gibbes Museum of Art (Charleston, S.C.),1999     **Dual Vision** Museum of Arts and Design (New York, N.Y.).
