

CHILD SLAVERY NOW

A CONTEMPORARY READER

Edited by GARY CRAIG

Child Slavery Now A Contemporary Reader

Laura Brace, Julia O'Connell Davidson

Child Slavery Now A Contemporary Reader:

Child Slavery Now Gary Craig, 2010 Around 210 million children are still in slavery today This groundbreaking book shows why they remain locked in slavery the ways in which they are exploited and how they can be emancipated It also reminds us that all consumers are implicated in modern childhood slavery *Child Slavery before and after Emancipation* Anna Mae Duane, 2017-02-17 If we are to fully understand how slavery survived legal abolition we must grapple with the work that abolition has left undone and dismantle the structures that abolition has left in place Child Slavery before and after Emancipation seeks to enable a vital conversation between historical and modern slavery studies two fields that have traditionally run along parallel tracks rather than in relation to one another In this collection Anna Mae Duane and her interdisciplinary group of contributors seek to build historical and contemporary bridges between race based chattel slavery and other forms of forced child labor offering a series of case studies that illuminate the varied roles of enslaved children Duane provides a provocative historically grounded set of inquiries that suggest how attending to child slaves can help to better define both slavery and freedom **Children's Rights** John Wall, 2016-10-18 This accessible and authoritative book provides the first systematic overview of the global children's rights movement It introduces both beginners and experts to child and youth rights in all their theoretical historical cultural political and practical complexity In the process the book examines key controversies about globalization cultural relativism social justice power economics politics freedom ageism and more Combining vivid examples with cutting edge scholarship Children's Rights Today's Global Challenge lifts up the rights of the youngest third of humanity as the major human rights challenge of the twenty first century **The Trafficking of Children** Elizabeth A. Faulkner, 2023-04-10 The phenomenon of child trafficking holds a unique position as an issue of significant contemporary relevance occupying a principal place in debates about human rights today The interchangeable terms trafficking and modern slavery evoke emotive responses and proclamations about abolition of contemporary ills viewed as the ultimate aberration when a child is involved The classification of children under legal frameworks marks them as different as other and in the context of laws implemented to address trafficking slavery and children on the move more generally this distinction is complicated This book charts the emergence decline and re emergence of child trafficking law and policy during the twentieth and twenty first centuries It provides a systematic and comprehensive overview of the historical origins of child trafficking by utilising the wealth of information located within the non digitised archives of the League of Nations It focusses upon the Committee on the Traffic in Women and Children to engage with League of Nations policy to provide an insightful and original contribution to the current body of literature This is a book that seeks to critique the entanglements of children's rights and colonialism in relation to the mobility and exploitation of children It centralises the legacy of colonialism the undercurrents of race white supremacy patriarchy and their ongoing influence upon contemporary anti trafficking legal and policy responses Through utilizing what the author identifies as the anti trafficking

machine as a theoretical framework the book challenges contemporary law and policy responses to child trafficking This theoretical framework has been adopted to illustrate a central hypothesis of the book that the contemporary anti trafficking agenda is both imperialist and a continuity of colonial attitudes

Trafficked Young People Jenny J. Pearce, Patricia Hynes, Silvie Bovarnick, 2013-02-11 Human trafficking constitutes one of the most serious human rights violations of our time However many social work practitioners still have a poor and incomplete understanding of the experiences of children and young people who have been trafficked In Trafficked Young People the authors call for a more sophisticated informed and better developed understanding of the range of issues facing trafficked young people In the first work of its kind to combine an up to date overview of the current policy context with related theoretical concerns and practitioner experiences Pearce Hynes at their experiences of exposing the needs of trafficked children and young people and at their efforts to find appropriate resources to meet these needs Trafficked Young People will be of interest to practitioners working in support housing and social work along with solicitors and sociologists particularly those working within discourses of child agency self determination and victimhood With its emphasis on the legal and policy framework and integrated throughout with case histories practitioner interviews and recommendations for best practice Trafficked Young People is essential reading for anyone working within a Social Policy Development context

Revisiting Slavery and Antislavery Laura Brace, Julia O'Connell Davidson, 2018-09-04 Despite growing popular and policy interest in new slavery with contemporary abolitionists calling for action to free an estimated 40 million modern slaves interdisciplinary and theoretical dialogue has been largely missing from scholarship on modern slavery This edited volume will provide a space to reinvigorate the theory and practice of representing slavery and related systems of domination in particular our understandings of the binary between slavery and freedom in different historical and political contexts The book takes a critical approach interrogating the concept of modern slavery by exploring where it has come from and its potential for obscuring and foreclosing new understandings Including contributions from philosophers political theorists sociologists anthropologists and English literature scholars it adds to the emerging critique of the concept of modern slavery through its focus on the connections between the past of Atlantic World slavery the present of contemporary groups whose freedoms are heavily restricted prisoners child labourers in the Global South migrant domestic workers and migrant wives and the futures envisaged by activists struggling against different elements of the systems of domination that Atlantic World slavery relied upon and spawned Revisiting Slavery Antislavery will be of indispensable value to scholars students policy makers and activists in the fields of human rights modern history international politics social policy sociology and global inequality

False Justice Stuart Greaves, 2012-12-18 Justice for all False Justice specifically calls for a paradigmatic shift in the way most people think about justice Having a right paradigm of fairness is crucial to withstanding the type of deception that is rapidly permeating our culture today False Justice equips you with the Christ focus and the biblical backing needed to form a right and godly mindset regarding social justice Distinct from

other Christian books about social justice False Justice has a Christ centric focus it defines justice in relation to Jesus Himself doesn't simply suggest methodologies it calls for a change in the foundational paradigm of justice tells how Jesus intends to bring godly justice upon the earth reveals how the message of the gospel is the message of justice False Justice brings you closer to God by clearly revealing His desire for righteousness honesty and integrity in the earth setting Christ as the ultimate vision of justice and calling you to set your attention solely on Him

The Routledge Handbook of Gender and Violence Nancy Lombard, 2018-01-02 The Routledge Handbook of Gender and Violence provides both a comprehensive and authoritative state of the art overview of the latest research in the field of gender and violence Each of the 23 specially commissioned chapters develops and summarises their key issue or debate including rape stalking online harassment domestic abuse FGM trafficking and prostitution in relation to gender and violence They study violence against women but also look at male victims and perpetrators as well as gay lesbian and transgender violence The interdisciplinary nature of the subject area is highlighted with authors spanning criminology social policy sociology geography health media and law alongside activists and members of statutory and third sector organisations The diversity of perspectives all highlight that gendered violence is both an age old and continuing social problem By drawing together leading scholars this handbook provides an up to the minute snapshot of current scholarship as well as signposting several fruitful avenues for future research This book is both an invaluable resource for scholars and an indispensable teaching tool for use in the classroom and will be of interest to students academics social workers and other professionals working to end gender based violence

Child Trafficking in the EU Pete Fussey, Paddy Rawlinson, 2017-03-27 Drawing on empirical research conducted with police in the UK and Romania Child Trafficking in the EU explores the way in which the who and how we police and protect as trafficker and trafficked is related to Western notions of innocence guilt childhood and of the status of deserving victim This book progresses a new theoretical space by linking its analysis to sociologies of mobility marginalisation and the pluralised rendering of criminalised and victimised others This book explores core contextual themes surrounding the commission response to and origins of child trafficking and presents empirical research into the investigation of child trafficking within the EU situating the authors findings against broader social cultural political policy and judicial contexts The authors conclude with a synthesis of the key themes and arguments to situate pan EU child trafficking within political criminal justice organisational cultural and social contexts and consider the degree to which such criminality can be adequately addressed by current and emerging approaches given such enduring and persistent structural issues This book will be of interest to scholars and students within the fields of criminology sociology political science and law as well as a key resource for practitioners and activists

Critical Perspectives on Child Sexual Exploitation and Related Trafficking M. Melrose, J. Pearce, 2013-09-05 This volume is the first major exploration of the issues relevant to young people who are affected by sexual exploitation and trafficking from a variety of critical perspectives Issues include accommodation gangs

migrant and refugee communities perpetrators international policy and the language through which we construct child exploitation

Trafficked Children and Youth in the United States Elzbieta M. Gozdzia, 2016-05-10 Trafficked children are portrayed by the media and even by child welfare specialists as hapless victims who are forced to migrate from a poor country to the United States where they serve as sex slaves But as Elzbieta M Gozdzia reveals in Trafficked Children in the United States the picture is far more complex Basing her observations on research with 140 children most of them girls from countries all over the globe Gozdzia debunks many myths and uncovers the realities of the captivity rescue and rehabilitation of trafficked children She shows for instance that none of the girls and boys portrayed in this book were kidnapped or physically forced to accompany their traffickers In many instances parents or smugglers paid by family members brought the girls to the U S Without exception the girls and boys in this study believed they were coming to the States to find employment and in some cases educational opportunities Following them from the time they were trafficked to their years as young adults Gozdzia gives the children a voice so they can offer their own perspective on rebuilding their lives getting jobs learning English developing friendships and finding love Gozdzia looks too at how the children s perspectives compare to the ideas of child welfare programs noting that the children focus on survival techniques while the institutions focus not helpfully on vulnerability and pathology Gozdzia concludes that the services provided by institutions are in effect a one size fits all trauma based model one that ignores the diversity of experience among trafficked children Breaking new ground Trafficked Children in the United States offers a fresh take on what matters most to these young people as they rebuild their lives in America

The Bloomsbury Handbook of Theories in Childhood Studies Sarada Balagopalan, John Wall, Karen Wells, 2023-11-02 The Bloomsbury Handbook of Theories in Childhood Studies brings together an international group of childhood studies scholars who work with a range of critical theories It speaks to both scholars and students by addressing questions such as how childhoods are diversely constructed and how children s experiences can be better understood The volume draws together a diversity of theoretical perspectives from the social sciences and humanities such as critical race studies disability studies posthumanism feminism politics decolonialism queer theory and postcolonialism to generate a much needed conversation about how to move childhood studies forward as a grounded field of research The volume is subdivided into three sections subjectivities relationalities and structures each of which addresses different but interrelated approaches to childhood studies theorization This handbook will be an essential text not just for childhood studies researchers but for all those interested in theorizing what childhood is what work it does and who children are

Research Handbook on International Corporate Social Responsibility Anthony Goerzen, 2023-11-03 Presenting an in depth look at cutting edge research this essential Research Handbook develops the current understanding of corporate social responsibility CSR and its implications on an international scale Including contributions from leading academics highly informed practitioners and non government organizational managers it fully conceptualizes the implementation of CSR

practices **Human Bondage and Abolition** Elizabeth Swanson Goldberg, James Brewer Stewart, 2018-08-23 Exposes the historical roots of modern day slavery using lessons from the past to empower activism against such exploitation everywhere

Trafficking in Slavery's Wake Benjamin N. Lawrance, Richard L. Roberts, 2012-08-22 Women and children have been bartered pawned bought and sold within and beyond Africa for longer than records have existed This important collection examines the ways trafficking in women and children has changed from the aftermath of the end of slavery in Africa from the late nineteenth century to the present The formal abolition of the slave trade and slavery did not end the demand for servile women and children Contemporary forms of human trafficking are deeply interwoven with their historical precursors and scholars and activists need to be informed about the long history of trafficking in order to better assess and confront its contemporary forms This book brings together the perspectives of leading scholars activists and other experts creating a conversation that is essential for understanding the complexity of human trafficking in Africa Human trafficking is rapidly emerging as a core human rights issue for the twenty first century Trafficking in Slavery's Wake is excellent reading for the researching combating and prosecuting of trafficking in women and children Contributors Margaret Akullo Jean Allain Kevin Bales Liza Stuart Buchbinder Bernard K Freamon Susan Kreston Benjamin N Lawrance Elisabeth McMahon Carina Ray Richard L Roberts Marie Rodet Jody Sarich and Jelmer Vos **International Child Protection** Neil Howard, Samuel

Okyere, 2022-02-19 This book interrogates the international child protection regime with a particular focus on its weaknesses and failures It looks at the lack of accountability the normativity and the tendency to recreate patterns of power and exclusion that blight otherwise good intentions The book assesses why the regime falls short of its ideals and offers ideas for what can be done to improve it Bringing together influential established voices and emerging scholars who work on issues related to childhood youth policy and practice the book offers a timely intervention that aims to push the world of international child protection in more progressive directions *The Routledge Handbook of British Politics and Society*

Mark Garnett, 2020-05-13 The Routledge Handbook of British Politics and Society conducts a rigorous innovative and distinctive analysis of the relationship between British politics and society emphasizing that the UK is now far from a monolithic and unshifting entity Examining the subject matter with unrivalled breadth and depth it highlights and interrogates key contemporary debates on the future of the UK the nature of Britishness and the merits of multiculturalism as well as contemporary criticisms of traditional institutions and the nature of representative democracy itself Including contributions from key authors in their respective fields who bring their authority to bear on the task of outlining the current state of the art in British Studies the book provides a fresh examination of the contrasts and the continuities across the whole field of British Politics and Society while setting out agendas for future research The Routledge Handbook of British Politics and Society will be essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research on British politics society and culture **A Global History of**

Anti-Slavery Politics in the Nineteenth Century W. Mulligan, M. Bric, 2013-05-23 The abolition of slavery across large parts of the world was one of the most significant transformations in the nineteenth century shaping economies societies and political institutions This book shows how the international context was essential in shaping the abolition of slavery

Organized Crime Klaus von Lampe, 2015-07-16 Organized Crime Analyzing Illegal Activities Criminal Structures and Extra legal Governance provides a systematic overview of the processes and structures commonly labeled organized crime drawing on the pertinent empirical and theoretical literature primarily from North America Europe and Australia The main emphasis is placed on a comprehensive classificatory scheme that highlights underlying patterns and dynamics rather than particular historical manifestations of organized crime Esteemed author Klaus von Lampe strategically breaks the book down into three key dimensions 1 illegal activities 2 patterns of interpersonal relations that are directly or indirectly supporting these illegal activities and 3 overarching illegal power structures that regulate and control these illegal activities and also extend their influence into the legal spheres of society Within this framework numerous case studies and topical issues from a variety of countries illustrate meaningful application of the conceptual and theoretical discussion Introducing Forced Migration Patricia Hynes, 2021-03-30 At a time when global debates about the movement of people have never been more heated this book provides readers with an accessible student friendly guide to the subject of forced migration Readers of this book will learn who forced migrants are where they are and why international protection is critical in a world of increasingly restrictive legislation and policy The book outlines key definitions ideas concepts points for discussion theories and case studies of the various forms of forced migration In addition to this technical grounding the book also signposts further reading and provides handy Key Thinker boxes to summarise the work of the field s most influential academics Drawing on decades of experience both in the classroom and in the field this book invites readers to question how labels and definitions are used in legal policy and practice responses and to engage in a richer understanding of the lives and realities of forced migrants on the ground Perfect for undergraduate and postgraduate teaching in courses related to migration and diaspora studies Introducing Forced Migration will also be valuable to policy makers practitioners journalists volunteers and aid workers working with refugees the internally displaced and those who have experienced trafficking

Child Slavery Now A Contemporary Reader Introduction

In today's digital age, the availability of Child Slavery Now A Contemporary Reader books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Child Slavery Now A Contemporary Reader books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Child Slavery Now A Contemporary Reader books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Child Slavery Now A Contemporary Reader versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Child Slavery Now A Contemporary Reader books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Child Slavery Now A Contemporary Reader books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Child Slavery Now A Contemporary Reader books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open

Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Child Slavery Now A Contemporary Reader books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Child Slavery Now A Contemporary Reader books and manuals for download and embark on your journey of knowledge?

FAQs About Child Slavery Now A Contemporary Reader Books

1. Where can I buy Child Slavery Now A Contemporary Reader books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
