Children And Childhood In Classical Athens Ancient Society And History

Mary Harlow, Cecile Michel, Louise Quillien

Children And Childhood In Classical Athens Ancient Society And History:

Children and Childhood in Classical Athens Mark Golden, 2015-06-30 A thoroughly revised and updated edition of Mark Golden's groundbreaking study of childhood in ancient Greece. First published in 1990, *Children and Childhood in Classical Athens* was the first book in English to explore the lives of children in ancient Athens. Drawing on literary, artistic, and archaeological sources as well as on comparative studies of family history, Mark Golden offers a vivid portrait of the public and private lives of children from about 500 to 300 B.C. Golden discusses how the Athenians viewed children and childhood, describes everyday activities of children at home and in the community, and explores the differences in the social lives of boys and girls. He details the complex bonds among children, parents, siblings, and household slaves, and he shows how a growing child's changing roles often led to conflict between the demands of family and the demands of community. In this thoroughly revised edition, Golden places particular emphasis on the problem of identifying change over time and the relationship of children to adults. He also explores three dominant topics in the recent historiography of childhood: the agency of children, the archaeology of childhood, and representations of children in art. The book includes a completely new final chapter, text, and notes rewritten throughout to incorporate evidence and scholarship that has appeared over the past twenty-five years, and an index of ancient sources.

Children and Childhood in Classical Athens Mark Golden, 1993-02 Mark Golden has produced a superb book, an important substantive and methodological contribution to the social history of ancient Athens and a model for comparable studies. *American Historical Review*

Childhood in Ancient Athens Lesley A. Beaumont, 2013-01-17 *Childhood in Ancient Athens* offers an in-depth study of children during the heyday of the Athenian city-state, thereby illuminating a significant social group largely ignored by most ancient and modern authors alike. It concentrates not only on the child's own experience but also examines the perceptions of children and childhood by Athenian society; these perceptions variously exhibit both similarities and stark contrasts with those of our own 21st-century Western society. The study covers the juvenile life course from birth and infancy through early and later childhood and treats these life stages according to the topics of nurture, play, education, work, cult, and ritual, and death. In view of the scant ancient Greek literary evidence pertaining to childhood, Beaumont focuses on the more copious ancient visual representations of children in Athenian pot painting, sculpture, and terracotta modelling. Notably, this is the first full-length monograph in English to address the iconography of childhood in ancient Athens, and it breaks important new ground by rigorously analysing and evaluating classical art to reconstruct childhood's social history. With over 120 illustrations, the book provides a rich visual as well as narrative resource for the history of childhood in classical antiquity.

Greek History: Archaic to Classical Age: Oxford Bibliographies Online Research Guide Jennifer Roberts, 2010-05 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear, from books, chapters, and journal articles to online archives, electronic data,

sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In classics as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is just one of many articles from Oxford Bibliographies Online Classics a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of classics Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com

Kids and Kingdom James Murphy, 2013-09-10 Kids and Kingdom challenges the traditional view that Jesus was deeply concerned over children Instead it is argued that despite the Synoptic authors attempts to convince us that children are fully included in the kingdom of God that Jesus loves the little children their presentations fail to conceal images of household disruption and alienation of children brought about by Jesus eschatological movement After establishing what Greco Roman and Jewish sources reveal about children by the end of the first century a deconstructive literary approach is applied to the Synoptic Gospels foregrounding children over other characters in relation to Jesus adult ministry Murphy scrutinizes prominent healing narratives involving children and teachings involving children such as The Child in the Midst Mark 9 36 37 and parallels One of These Little Ones Mark 9 42 and parallels and Let the Young Children Come to Me Mark 10 13 16 and parallels These are examined against sayings of Jesus relativizing family ties and the lifestyle indicative of the radical call to discipleship in the Synoptic narratives Fundamentally this study does not seek to resolve but to highlight the tensions in the Synoptic Gospels between attempts at child inclusivity and the radical demands of discipleship

Birth, Death, and Motherhood in Classical Greece Nancy Demand, 1994-07 Why did Greek society foster social conditions especially early marriage with its attendant early childbearing that were known to be dangerous for both mother and child What were the actual causes of death among women described as dying of childbirth in the Hippocratic Epidemics Why did families choose to portray labor scenes on tombstones when the Greek commemorative tradition otherwise avoided reference to suffering and illness In Birth Death and Motherhood in Classical Greece Nancy Demand offers the first comprehensive exploration of the social and cultural construction of childbirth in ancient Greece Reading the ancient evidence in light of feminist theory the Foucauldian notion of discursively constituted objects medical anthropology and anthropological studies of the modern Greek village Demand discusses topics that include midwifery abortion attitudes of doctors toward women patients and the treatment of women generally For evidence she relies primarily on the case histories in the Epidemics concerning women with complications in pregnancy abortion and childbirth She also draws relevant details from cure records and dedications

from healing sanctuaries labor scenes depicted on tombstones Aristophanic comedy and Platonic philosophy *The Child in Society* Hazel R Wright, 2014-11-17 The child has a very special place in society and society defines and shapes childhood Understanding childhood is essential to early years students and this book offers a great introduction Taking a thematic approach chapters cover Historical and Cultural Perspectives Policy and Economic Perspectives Psychological and Biological Perspectives Contemporary Views Each chapter prompts you to reflect on core issues and interrogate your practice and attitudes towards children in your care This fantastic foundation will help you to begin to understand the relationship between the child and society **Metaphors and Social Identity Formation in Paul's Letters to the Corinthians** Kar Yong Lim, 2017-05-05 Why did Paul frequently employ a diverse range of metaphors in his letters to the Corinthians Was the choice of these metaphors a random act or a carefully crafted rhetorical strategy Did the use of metaphors shape the worldview and behavior of the Christ followers In this innovative work Kar Yong Lim draws upon Conceptual Metaphor Theory and Social Identity Theory to answer these questions Lim illustrates that Paul employs a cluster of metaphors namely sibling familial temple and body metaphors as cognitive tools that are central to how humans process information construct reality and shape group identity Carefully chosen these metaphors not only add colors to Paul's rhetorical strategy but also serve as a powerful tool of communication in shaping the thinking governing the behavior and constructing the social identity of the Corinthian Christ followers **Synopsis: An Annual Index of Greek Studies, 1993, 3** Andrew D. Dimarogonas, 1998-10-28 Presents 12 860 entries listing scholarly publications on Greek studies Research and review journals books and monographs are indexed in the areas of classical Hellenistic Biblical Byzantine Medieval and modern Greek studies but no annotations are included After the general listings entries are also indexed by journal text name geography and subject The CD ROM contains an electronic version of the book Annotation copyrighted by Book News Inc Portland OR **The Routledge History of Childhood in the Western World** Paula S. Fass, 2013 The Routledge History of Childhood in the Western World provides an important overview of the main themes surrounding the history of childhood in the West from antiquity to the present day By broadly incorporating the research in the field of Childhood Studies the book explores the major advances that have taken place in the past few decades in this crucial field This important collection from a leading international group of scholars presents a comprehensive survey of the current state of the field It will be essential reading for all those interested in the history of childhood *Children in the Hellenistic World* Olympia Bobou, 2015 Bobou offers a systematic analysis of ancient Greek statues of children from the sanctuaries houses and necropoleis of the Hellenistic world in order to understand their function and meaning Looking at the literary and epigraphical evidence she argues that these statues were important for transmitting civic values to future citizens Growing Up Fatherless in Antiquity Sabine Hübner, Sabine R. Hübner, David M. Ratzan, 2009-02-19 This book investigates the effects of fatherlessness on the societies cultures politics and families of the ancient Mediterranean world Old Age in the Roman World Tim G.

Parkin,2003-05-07 Noting that privileges granted to the aged generally took the form of exemptions from duties rather than positive benefits Tim Parkin argues that the elderly were granted no privileged status or guaranteed social role At the same time they were permitted and expected to continue to participate actively in society for as long as they were able BOOK JACKET The Roman Family Suzanne Dixon,1992-04 Brings together what historians anthropologists and philologists have learned about the family in ancient Rome Among the topics family relations and the law marriage children in the Roman family and the family through the life cycle Annotation copyrighted by Book News Inc Portland OR *The Litigious Athenian* Matthew R. Christ,1998-11-20 The democratic revolution that swept Classical Athens transformed the role of law in Athenian society The legal process and the popular courts took on new and expanded roles in civic life Although these changes occurred with the consent of the people demos Athenians were ambivalent about the spread of legal culture In particular they were aware that unscrupulous individuals might manipulate the laws and the legal process to serve their own purposes Indeed throughout the Classical Period when Athenians gathered in public and private settings they regularly discussed debated and complained about legal chicanery or sykophantia In *The Litigious Athenian* Matthew Christ explores what this ancient discussion reveals about how Athenians conceived of and responded to problematic aspects of their collective legal experience The transfer of significant judicial power from the elite Areopagus Council to the popular courts was a crucial step in the establishment of Athenian democracy Christ notes and Athenians took great pride in their legal system They chose not to make significant changes to their legal institutions even though they could have done so at any time through a majority vote of the Assembly Determining that the term sykophant was applied rhetorically rather than as some have believed to describe a specific subclass Christ shows how the public debates over legal chicanery helped define the limits of ethical behavior under the law and in public life The World of Ancient Greece Michael Lovano,2019-12-02 This book opens the world of the ancient Greeks to all readers through easily accessible entries on topics essential to understanding Greek high culture and daily life The ancient Greeks provided the foundation for Western civilization They made significant advances in science mathematics philosophy literature and government While many readers might have heard of Plato and Aristotle however or be familiar with the classic works of Greek tragedy most people know significantly less about daily life in the ancient Greek world This encyclopedia opens the world of the ancient Greeks spanning Greek history from the Bronze Age through Roman times with an emphasis on the Classical and Hellenistic Eras The encyclopedia provides roughly 270 easily accessible entries on topics essential to understanding everything from Greek high culture to daily life These entries are grouped in topical sections on the arts science and technology politics and government domestic life and other subjects Sidebars on particularly noteworthy people places and concepts provide related information while primary documents allow readers to delve into the mindset and feelings of the ancient Greeks themselves Extensive bibliographic references give curious readers direction for further research Late Roman Spain and Its Cities Michael Kulikowski,2011-01-03 This

groundbreaking history of Spain in late antiquity sheds new light on the fall of the western Roman empire and the emergence of medieval Europe Historian Michael Kulikowski draws on the most recent archeological and literary evidence in this fresh and enlightening account of the Iberian Peninsula from A D 300 to 600 In so doing he provides a definitive narrative that integrates late antique Spain into the broader history of the Roman empire Kulikowski begins with a concise introduction to the early history of Roman Spain and then turns to the Diocletianic reforms of 293 and their long term implications for Roman administration and the political ambitions of post Roman contenders He goes on to examine the settlement of barbarian peoples in Spain the end of Roman rule and the imposition of Gothic power in the fifth and sixth centuries In parallel to this narrative account Kulikowski offers a wide ranging thematic history focusing on political power Christianity and urbanism Kulikowski s portrait of late Roman Spain offers some surprising conclusions finding that the physical and social world of the Roman city continued well into the sixth century despite the decline of Roman power Winner of an Honorable Mention in the Association of American Publishers Professional and Scholarly Publishing Awards in Classics and Archeology

Floods of the Tiber in Ancient Rome Gregory S. Aldrete, 2007-03-05 A study of the impact of flooding on the ancient city during the classical period While the remains of its massive aqueducts serve as tangible reminders of Rome s efforts to control its supply of drinking water there are scant physical reminders that other waters sometimes raged out of control In fact floods were simply a part of life in ancient Rome where proximity to the Tiber left a substantial part of the city vulnerable to the river s occasional transgressions Here in the first book length treatment of the impact of floods on an ancient city Gregory S Aldrete draws upon a diverse range of scientific and cultural data to develop a rich and detailed account of flooding in Rome throughout the classical period Aldrete explores in detail the overflowing river s destructive effects drawing from ancient and modern written records and literary accounts analyses of the topography and hydrology of the Tiber drainage basin visible evidence on surviving structures and the known engineering methods devised to limit the reach of rising water He discusses the strategies the Romans employed to alleviate or prevent flooding their social and religious attitudes toward floods and how the threat of inundation influenced the development of the city s physical and economic landscapes Floods of the Tiber in Ancient Rome is that rare thing in scholarship a work that genuinely fills a gap in the scholarly literature Professor Aldrete has brilliantly illuminated an aspect of ancient Rome that was ever present to the city s inhabitants but almost invisible to modern historians Stanley Burstein history teacher Raises important questions about the effects of flooding of the Tiber on the city of ancient Rome and its inhabitants and explores why Romans did not take more sweeping steps to reduce if not eliminate the dangers of urban flooding There is no comparable book length study of this topic so this work fills a real need It will be of interest not only to students of ancient history but to hydrologists and students of urban studies as well Certainly it will give us classicists much to think about in our assessment of urban life in ancient Rome Harry B Evans Fordham University author of Aqueduct Hunting in the Seventeenth Century Textiles and

Gender in Antiquity Mary Harlow, Cecile Michel, Louise Quillien, 2020-11-12 This volume looks at how the issues of textiles and gender intertwine across three millennia in antiquity and examines continuities and differences across time and space with surprising resonances for the modern world The interplay of gender identity textile production and use is notable on many levels from the question of who was involved in the transformation of raw materials into fabric at one end to the wearing of garments and the construction of identity at the other Textile production has often been considered to follow a linear trajectory from a domestic female activity to a more commercial or industrial male centred mode of production In reality many modes of production co existed and the making of textiles is not so easily grafted onto the labour of one sex or the other Similarly textiles once transformed into garments are often of unisex shape but worn to express the gender of the wearer As shown by the detailed textual source material and the rich illustrations in this volume dress and gender are intimately linked in the visual and written records of antiquity The contributors show how it is common practice in both art and literature not only to use particular garments to characterize one sex or the other but also to undermine characterizations by suggesting that they display features usually associated with the opposite gender

A Companion to Families in the Greek and Roman Worlds Beryl Rawson, 2011-01-18 A Companion to Families in the Greek and Roman Worlds draws from both established and current scholarship to offer a broad overview of the field engage in contemporary debates and pose stimulating questions about future development in the study of families Provides up to date research on family structure from archaeology art social cultural and economic history Includes contributions from established and rising international scholars Features illustrations of families children slaves and ritual life along with maps and diagrams of sites and dwellings Honorable Mention for 2011 Single Volume Reference Humanities Social Sciences PROSE award granted by the Association of American Publishers

Embracing the Melody of Term: An Emotional Symphony within **Children And Childhood In Classical Athens Ancient Society And History**

In some sort of taken by screens and the ceaseless chatter of instant connection, the melodic beauty and mental symphony created by the prepared term often disappear in to the backdrop, eclipsed by the constant sound and distractions that permeate our lives. However, nestled within the pages of **Children And Childhood In Classical Athens Ancient Society And History** a stunning literary prize brimming with natural feelings, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, that captivating masterpiece conducts visitors on a mental trip, skillfully unraveling the concealed tunes and profound affect resonating within each cautiously constructed phrase. Within the depths of this moving evaluation, we shall explore the book is main harmonies, analyze its enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Children And Childhood In Classical Athens Ancient Society And History Introduction

In today's digital age, the availability of Children And Childhood In Classical Athens Ancient Society And History books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Children And Childhood In Classical Athens Ancient Society And History books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Children And Childhood In Classical Athens Ancient Society And History books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Children And Childhood In Classical Athens Ancient Society And History versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Children And Childhood In Classical Athens Ancient Society And History books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Children And Childhood In Classical Athens Ancient Society And History books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides

over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Children And Childhood In Classical Athens Ancient Society And History books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Children And Childhood In Classical Athens Ancient Society And History books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Children And Childhood In Classical Athens Ancient Society And History books and manuals for download and embark on your journey of knowledge?

FAQs About Children And Childhood In Classical Athens Ancient Society And History Books

1. Where can I buy Children And Childhood In Classical Athens Ancient Society And History books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
