Terence Chatmon, 2017-02-07 Are your children ready to live out their faith in the real world Most parents who value Christian faith want their children to enjoy a vibrant growing relationship with God both now and throughout their lives But few of those parents ever attach this hope to an ongoing plan therefore they fail to lay a reliable spiritual track in front of the fast moving train of family life This book is a junction point where deep parental desire meets workable design and where timid inadequacy meets Christ's sufficiency It's where individual families become multiplication factories exerting a lasting impact not only on their coming generations but even on the culture at large The death of Joshua and his contemporaries was barely old news in Israel before the people of God experienced a Judges 2 10 moment There arose another generation after them who did not know the Lord or the work that he had done ESV One generation is all it takes One generation who stops remembering One generation who stops creating One generation blinded to God's real work in their lives who then subtly quiets the expectation of His new work in succeeding generations Do Your Children Believe appears at a time in history when another Judges 2 10 moment doesn't sound so incredibly far fetched a day when many people's only real knowledge of God comes from what they've heard and read about not what they've actually seen and experienced and when His work is more about the dutiful following of rules than the daily adventure of walking with Him as Lord Imagine instead a generation of your family who knows God with intimate familiarity Who doesn't just pretend at faith but actually lives it Kids who can tell you what they believe and why it matters Teenagers who handle adversity with the resilient joy of godly wisdom A family who prays together and worships together growing into young adults who are equipped and inspired to keep this torch ablaze from the moment their own new families begin This book is here to make that reality happen written by an author equipped with not only a passion for the concept but also a proven plan for success a wealth of first hand personal stories from his wife and kids for how they've put this plan into living action with remarkable blessings in tow When God puts His power behind families who embrace this kingdom call on the ground change will result in off the charts revival **The Long Way Home** M. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Children, Family, Drugs and Alcoholism,1990 **Dr. Dan's Last Word on Babies and Other Humans** Nancy S. Heller,Daniel G. Heller,2007-01-23 1ST FLAP COPY Several years ago while I was rounding at one of the Brigham and Women s Hospital nurseries a new father shared a funny story with me Early the previous morning this new father went to the hospital lobby in search of coffee and bagels While waiting in line at the coffee shop the father noticed a man enter the lobby He was struck by the odd appearance of this man In the midst of a brutally cold New England winter this man was dressed in a bicycle racing shirt shorts ski socks pulled up to his knobby knees ankle weights a hos pital ID badge around his neck and a propeller attached to the top of his bicycle helmet When he returned to his wife s hospital room he told her about his experience This new dad worked in the human services field and was very impressed that the hospital was so progressive as to hire such an obviously mentally challenged person About ten minutes passed when the new parents heard a loud knock on the hospital room door To their surprise shock astonishment and horror the same man walked into the room complete with the propeller helmet shorts ski socks ankle weights Now the man had a stethoscope around his neck and was pushing a portable crib with their new baby Greeting the shocked and befuddled new parents the man proudly announced his arrival Hi I m Dr Heller I m your pediatrician and am here to exam ine your baby Dr Dan was without a doubt the most unique charismatic and outgoing individual who one will ever meet As one mother remarked to me You will always remember the first time you met Dr Dan Bruce Bunnell MD Dr Heller s partner of 15 years at Centre Pediatrics told this story at a memorial sevice for Dr Heller in 2005 2nd FLAP Having Dr Heller for a doctor was like having Mary Poppins for a nanny Parent Sara B Dr Dan was an original that s the only way I know how to put it He is such a huge part of our family history that memories keep flooding in For example when our daughter finally slept through the night after months of disturbing our sleep my husband and I were not only shocked as new parents we were also worried that her brand new sleep pattern might signal a serious medical problem Dr Dan was on when I called and I will never forget how he questioned me closely about symp toms and listened very carefully to all I said Then as I hung on to every word of diagnosis he could provide for me he slowly explained That Mrs L is what we in the medical profession refer to as a blessing Parent Susan L **Determined by Thou Greatest** Ann Leslie,2025-06-27 The determining factor of the ultimate destination is already put in place by the author of your life God He motivates us to be the best we can be the entire journey I invite you to take the necessary steps gathered from this book for
