Children Of Alcoholism Children Of Alcoholism:

Children of Alcoholism Judith S. Seixas, 1986-05-14 If one or both of your parents were alcoholics you are still suffering and you care not alone At least 22 million American adults were raised by an alcoholic parent and nearly all of them live with scars both psychological and physical as a consequence Coming from homes filled with loneliness and terror children of alcoholics grow up unable to lead lives free from inexplicable guilt deep insecurity lack of self esteem and intense sadness Now there is help Children of Alcoholism exposes the terrible family secret and draws on interviews with over 200 survivors to share the realities of family alcoholism such as the frequent occurrence of child abuse the ruined family holidays the crazy fantasylike atmosphere of the alcoholic home Children of Alcoholism also discusses in detail how survivors can tend to become alcoholics themselves or marry alcoholic partners confront addictive behavior including alcoholism recognize symptoms openly discuss drinking with their own children Filled with invaluable techniques for reversing destructive patterns and extensive information on therapy and peer support groups Children of Alcoholism offers objective sympathetic advice on how to come to terms with the past and how to seek additional help if necessary **Children of Alcoholics**

Robert J. Ackerman, 1978 Working with Children of Alcoholics Bryan E. Robinson, J. Lyn Rhoden, 1998 This expanded edition of Working With Children of Alcoholics will be important for social workers psychologists school administrators teachers drug and alcohol counselors and pastoral counselors It is also an excellent supplemental text for practitioners in training and in graduate courses in family and community adjustment problems of youth substance abuse and human services **Children of Alcoholism** Barbara L. Wood, 1989 Can Islamic societies embrace democracy In Democracy in Modern Iran Ali Mirsepassi maintains that it is possible demonstrating that Islam is not inherently hostile to the idea of democracy Rather he provides new perspective on how such a political and social transformation could take place arguing that the key to understanding the integration of Islam and democracy lies in concrete social institutions rather than pre conceived ideas the every day experiences rather than abstract theories Mirsepassi an Iranian native provides a rare inside look into the country offering a deep understanding of how Islamic countries like Iran and Iraq can and will embrace democracy Democracy in Modern Iran challenges readers to think about Islam and democracy critically and in a far more nuanced way than is done in black and white dichotomies of Islam vs Democracy or Iran vs the West This essential volume contributes important insights to current discussions creating a more complex conception of modernity in the Eastern world and with it Mirsepassi offers to a broad Western audience a more accurate less clichéd vision of Iran's political reality

Broken Bottles, Broken Dreams Charles Deutsch, 1982 At least fifteen million American children of school age have severe problems that are caused or exacerbated by a parent's alcoholism This book draws on the experience of a nationally respected model program to show how these children can be helped Part 1 focuses on an understanding of what alcoholism is and is not and its impact on family members Part 2 presents scenarios of persons helping in their various roles examines

important support agencies and explains how and why their methods work I recommend the book to anyone with an interest in the treatment and prevention of alcoholism American Journal of Nursing This book is an invaluable resource for those working with children in a professional capacity Social Work in Health Care *Adult Children of Alcoholics* Janet G. Woititz,1990-11 Recovery aids for victims of dysfunctional families and adult children of alcoholic families **I Can Be Me** Dianne S. O'Connor,2009-11-09 Has drug or alcohol abuse in your family caused your child to become withdrawn or to act out Is addiction in a family member contributing to upset and stress in your child Do you want to help your child understand the problem and communicate about his her feelings Do you want to help your child develop healthier coping strategies I Can Be Me is a helping book for professionals and parents who want to help children of alcoholic parents Written for children ages 4 to 12 it can be read by a child alone or worked through with a caring adult Simple line drawings and text speak to children in a language they understand and are based on the real experiences of children with addicted parents Written from the perspective of children whose parents are addicted to alcohol and various other drugs this book helps children take off the masks that hide their true feelings and educates them about alcohol or drug abuse in the family Entertaining drawings and simple text make this book easy to understand and invite children to add their own thoughts and feelings Children often feel alone in homes where alcoholism or drug abuse is present I Can Be Me helps children understand more about addiction and realize that they are not to blame for their parents problems Through a series of creative exercises and activities children learn about healthy coping strategies and that they are not alone Eight separate units make this book an ideal companion to counseling or support group sessions Parents or counselors can also use a single section to address the unique concerns of an individual child **Children of Alcoholics** ,1993 **Children of Alcoholics** Kenneth J. Sher,1991-10-08 This study offers a comprehensive critical look at what is known and not known about children of alcoholics and also constructs a model for assessing existing theory and introducing new methodological rigor into this field *Children of Alcoholics/addicts* Richard L. Towers,1989 The purpose of this booklet is to raise the awareness of teachers and other school personnel about the needs and characteristics of the children of alcoholics and addicts and to explain what schools can do to help The booklet discusses 1 risk factors for children of alcoholics and substance abusers including the psychological emotional and developmental consequences of having an alcoholic or addicted parent 2 how the disease of alcoholism and addiction develops progresses and affects the family 3 what the impact of this experience is on the children who come from these homes 4 what to do both within the classroom and outside of it to help these children including drug and alcohol education parental involvement counseling student assistance programs and staff awareness and 5 where to go for information materials and help A three session workshop for school staff Children of Alcoholics in School is described and the workshop goals are explained to introduce staff to the feelings needs and characteristics of students in families where chemical abuse causes problems to explore family disease and family roles in an addictive family and to identify children who
