Children Violence And Murder Crime Justice And Punishment:

Violence Against Children in the Criminal Justice System Wendy O'Brien, Cédric Foussard, 2019-09-11 Children who come into conflict with the law are more likely to have experienced violence or adversity than their non-offending peers. Exacerbating the deleterious effects of this childhood trauma, children's contact with the criminal justice system poses undue risks of physical, sexual, and psychological violence. This book examines the specific forms of violence that children experience through their contact with the criminal justice system. Comprising contributions from leading scholars and practitioners in children's rights and youth justice, this book profiles evidence-based prevention strategies and case studies from around the world. It illustrates the diversity of contexts in which various forms of violence against children unfold and advances knowledge about both the nature and extent of violence against children in criminal justice settings and the specific situational factors that contribute to or inhibit the successful implementation of violence prevention strategies. It demonstrates that specialised child justice systems in which children's rights are upheld are crucial in preventing the violence inherent to conventional criminal justice regimes. Written in a clear and accessible style, this book will be of interest to students and researchers engaged in studies of criminology and criminal justice, youth justice, victimology, crime prevention, and children's rights.

Child Abuse, Child Exploitation, and Criminal Justice Responses Daniel G. Murphy, April G. Rasmussen, 2020-01-08 There are few things in our society that provoke such raw emotions as that of child abuse Most people justifiably so are outraged when they hear of allegations of abuse and their anger is intensified as they learn of what seems to be an inappropriate criminal justice response However the debate on child abuse usually happens through visceral emotions rather than facts Taking emotions out of a child abuse debate is much easier said than done but it is of utmost importance to identify the facts When the reader has a better understanding of the scope of child abuse they can become more objective but still maintain their passion about ways to protect this vulnerable and targeted population *Child Abuse Child Exploitation and Criminal Justice Responses* is unique in that it offers the reader contributing facts based not only through scholarly research but practical experience working in field from this wonderful collaboration of criminal investigator and forensic nurse Thus providing much personal insight and demonstrating how these two areas of expertise can join forces to achieve the objective of working as a team to facilitate safeguarding children The authors also presents the research on this complex yet worthy topic by identifying the unique challenges of investigating these offenses while ultimately bringing the perpetrators to justice and presenting the research from various perspectives of child abuse including both national and international issues and responses

Avenging Child Sex Abuse Joshua Long,Jason Vukovich,2023-07-21 This book explores the subjects of child sex abuse flaws in the justice system cultural support for vigilantism prison violence and the socio legal philosophy of punishment Child sex abuse leaves a scar that lasts a lifetime Can any legal punishment balance the scales of justice Can sex offenders ever repay their debt to society or more importantly to the victim For some victims of this traumatic abuse the debt remains unpaid and it accrues interest Vigilantes seek to avenge child victims by hunting down sex offenders in the community Sometimes prisoners in correctional facilities conspire with rogue correctional officers to mete out their own form of convict justice on people who hurt children While their motives and methods differ these outraged citizens seek retribution through violence because they are disgusted with a justice system they believe shows extraordinary leniency toward child sex abusers Whether this violence occurs in the community or in jail cells across the country the message these vigilantes broadcast is the same if the government won t seek retribution they will The story is told through a series of case studies based on interviews with real life vigilantes most of whom are serving life sentences for their crimes For the first time vigilantes have been given a chance to tell their own stories Patrick Drum Steven Sandison Joseph Druce Jeremy Moody Jon Watson James Fairbanks and others have shared their personal insights to help us get inside the vigilante mind For some readers these accounts will humanize people considered

to be simply murderers For others it will demystify the popular portrayals of vigilantes in our society **Victim Policies and Criminal Justice on the Road to Restorative Justice** Tony Peters,2001 This edited volume contains 22 papers organized into three sections under the following headings part I is entitled On Promoting Victim Policies Part II On Reforming Criminal Justice and Part III On Restorative Justice All three areas are ones to which Tony Peters former Professor of Criminology in Leuven has made a significant contribution and for which he is known as an international authority During his long and productive academic career Tony Peters led many struggles for criminal justice reform He was a leading figure in the movement to recognize crime victims plight and to reaffirm their rights In Belgium he spearheaded the early initiatives in restorative justice and became one of its outspoken proponents nationally and internationally There is no doubt that these three major topics and the various developments and reforms that are addressed in the papers will dominate the thinking about and the practice of criminal justice in the years to come Thus in addition to paying homage to a congenial friend and an illustrious colleague it is hoped that this book will appeal and prove useful to all those who have an interest in victims issues in criminal justice reform and last but not least in the promising paradigm of restorative justice *Family Violence and Criminal Justice* Brian K. Payne,Randy R. Gainey,2014-09-25 The historical context of family violence is explored as well as the various forms of violence their prevalence in specific stages of life and responses to it made by the criminal justice system and other agencies The linkage among child abuse partner violence and elder abuse is scrutinized and the usefulness of the life course approach is couched in terms of its potential effect on policy implications research methods that recognize the importance of life stages trajectories and transitions and crime causation theories that can be enhanced by it Criminal Law & Criminal Justice Noel Cross,2009-12-22 This accessible text enables criminology and criminal justice students to understand and critically evaluate the criminal law in the context of criminal justice and wider social issues The book explains criminal law comprehensively covering both general principles and specific types of criminal offence It examines criminal law in its social context as well as considering how it is used by the criminal justice processes and agencies which enforce it in practice It is accompanied by a companion website which incorporates a range of resources for lecturers and students Congressional Record United States.
