Reformed Ethics : Volume 2 (Reformed Ethics) Herman Bavinck, 2021-12-07 Herman Bavinck's four volume Reformed Dogmatics is one of the most important theological works of the twentieth century. The English translation was edited by leading Bavinck expert John Bolt who now brings forth a recently discovered manuscript from Bavinck that is being published for the first time. Serving as a companion to Reformed Dogmatics, Reformed Ethics offers readers Bavinck's mature reflections on ethical issues. This book, the second of three planned volumes, covers the duties of the Christian life and includes Bavinck's exposition of the Ten Commandments. **If Not, Not** Ralph E. Giesey, 2015-12-08 In the 1560s and the 1570s several authors outside of Spain recorded the text of an oath supposedly uttered by the Aragonese people when they received their king. While most modern historians doubt the authenticity of the oath, they agree that it has frequently served the purposes of political propaganda whenever an Aragonese patriot has wished to epitomize his nation's tradition of resistance to tyranny. This book studies the oath: We who are worth as much as you take you as our king provided that you preserve our laws and liberties and if not not as an example of historiographical fiction which belongs to a complex of legal historical legends about the origins of Aragon. The Short End of the Sonnenallee Thomas Brussig,2023-04-04 Thomas Brussig s classic German novel The Short End of the Sonnenallee now appearing for the first time in English is a moving and miraculously comic story of life in East Berlin before the fall of the Wall Young Micha Kuppisch lives on the nubbin of a street the Sonnenallee whose long end extends beyond the Berlin Wall outside his apartment building Like his friends and family who have their own quixotic dreams to secure an original English pressing of Exile on Main St to travel to Mongolia to escape from East Germany by buying up cheap farmland and seceding from the country Micha is desperate for one thing It s not what his mother wants for him which is to

be an exemplary young Socialist and study in Moscow What Micha wants is a love letter that may or may not have been meant for him and may or may not have been written by the most beautiful girl on the Sonnenallee Stolen by a gust of wind before he could open it the letter now lies on the fortified death strip at the base of the Wall as tantalizingly close as the freedoms of the West and seemingly no more attainable The Short End of the Sonnenallee finally available to an American audience in a pitch perfect translation by Jonathan Franzen and Jenny Watson confounds the stereotypes of life in totalitarian East Germany Brussig s novel is a funny charming tale of adolescents being adolescents a portrait of a surprisingly warm community enduring in the shadow of the Iron Curtain As Franzen writes in his foreword the book is a reminder that even when the public realm becomes a nightmare people can still privately manage to preserve their humanity and be silly and forgive

Henry Gough,2009-01-27 History The Parker Society For the Publication of the Works of the Fathers and Early Writers of the Reformed English Church was formed in 1840 and disbanded in 1855 when its work was completed Its name is taken from that of Matthew Parker the first Elizabethan Archbishop of Canterbury who was known as a great collector and preserver of books The stimulus for the foundation of the society was provided by the nineteenth Century Tractarians Some members of this movement e g R H Froude in his Remains of 1838 9 spoke most disparagingly of the English Reformation Really I hate the Reformation and the Reformers more and more Keble could add in 1838 Anything which separates the present Church from the Reformers I should hail as a great good Protestants within the Church of England therefore felt the urgent need to make available in an attractive and accessible form the works of the leaders of the English Reformation To many it seemed that the Protestant foundations of the English Church were being challenged like never before Thus the society represented a co operation between traditional High Churchmen and evangelical churchmen both of whom were committed to the Reformation teaching on justification by faith Subscribers were also involved in the erection of the Martyrs Memorial in Oxford although this was as much anti Roman Catholic as anti Tractarian The society had about seven thousand subscribers who paid one pound each year from 1841 to 1855 thus for fifteen pounds the subscribers received fifty three volumes the General Index and the Latin originals of the 1847 Original Letters relative to the English Reformation being special subscriptions Twenty four editors were used and the task of arriving at the best text was far from easy The choice of publications was controversial and some authors and works were unfortunate not to be included in PS volumes While some of the volumes have been superseded by more recent critical editions today this collection remains one of the most valuable sources for the study of the English Reformation
