

EXPERIENCE AND NATURE

By

JOHN DEWEY

Irwin Edman writes:

"The wish has long been expressed that John Dewey would some day produce a book making clear and explicit the metaphysical basis of his singularly humane and liberalizing philosophy of life. . . . With monumental care, detail, and completeness Professor Dewey has in this volume revealed the metaphysical heart that beats its unvarying alert tempo through all his writings."

Experience and Nature is the great book of the foremost American philosopher. It is now offered to the general reader with a special introduction by Dr. Dewey. It is a book which should be read by every one who wants to keep abreast of the philosophical thought of our time.
