

Module I of the CHFP Program: HFMA's Business of Health Care course Sample Exam Questions

HFMA's Business of Health Care is a comprehensive online program that presents an overview of today's healthcare environment and highlights the shift in healthcare service delivery and evolving payment models. The online program consists of six courses. Each course is designed to assist you in learning at your own pace. In addition, there is a downloadable Concept Guide that can be used as a study guide as you review each course.

Please note that these are **examples of the types of questions** on the final assessment of HFMA's Business of Health Care. Not all of the content of the course is covered within these sample questions; this document is **not** a predictor of success. ***This is not a practice CHFP exam.***

Correct answers start on Page 10.
