Scotty Ken Dryden, 2019 From bestselling author and Hall of Fame player Ken Dryden comes the unparalleled life story of the greatest coach in hockey history Scotty Bowman Scotty

Bowman is universally heralded as the greatest coach in hockey history and is widely regarded as one of the best coaches in all of sports. He holds the record for most wins and most Stanley Cups as a head coach and is the only NHL coach to lead three different teams to a championship. He has seen all of hockey's great players from The Rocket to Gordie Howe to the young stars that play today and has witnessed firsthand what makes a team click. However, for all of his accomplishments and his legendary stature in the game of hockey, we know very little about who Scotty Bowman is. Now Hall of Fame player and the former goaltender of Scotty's Montreal Canadiens team, Ken Dryden takes us inside the mind of hockey's ultimate coach. We see Scotty as a child in his hometown of Verdun, Quebec, as a teenager racing to a spot in the old Montreal Forum to witness Richard's scoring prowess and as an up-and-coming hockey mind tapped on the shoulder to follow in the footsteps of the legendary Montreal coach Toe Blake. Interwoven through the narrative of Scotty's life story are the profiles of the eight best teams in NHL history in Bowman's eyes as the coach describes what makes these particular teams stand out from the rest. And because it's in a coach's competitive nature, these eight teams are pitted against one another in a winner-take-all tournament where Scotty will determine once and for all which team is the greatest team in NHL history and why.

Team Sports Marketing Kirk Wakeland,2007-02-07 Some might argue that sports marketing is a mere subfield of marketing meaning that there are theoretical and practical dimensions that apply only to sports marketing and are only of interest to those involved in sports In Team Sports Marketing author Kirk Wakefield dispels this argument by demonstrating that effective sports marketing epitomizes the science and art of marketing across any context At the core of sports marketing is the creation and enhancement of fan identification where consumers are not just loyal customers but have become brand fanatics Team Sports Marketing shows that while many aspects of sports marketing are thought to be unique to the field other product and service sectors would do well to learn from teams in the NFL NBA MLB and NHL that have transformed customers into fans Moving beyond principles of marketing Team Sports Marketing is packed with examples of best practices and covering subjects as diverse as sponsorships season ticket sales venue management and all topics in between Team Sports Marketing is a must read text for students and managers in professional and collegiate sports Support materials for professors and students are available at www.teamsportsmarketing.com
