Survival from the Start Saavo,2017-12-27 These stories are based on a real person and different experiences of the main character The fortunate thing is the author is one of the few people who can converse with the person behind the premier character and in his native language There is not any interest on his part to put his experiences in print but he is fine with me doing so There is still his strong belief in old fashioned traditions of passing down stories by oral means alone Neither one has the desire to present any of his heroes in a negative or embarrassing light while still getting the story across Meanings and interpretations can be made any way the reader would like That is up to you
