Chicago Blackhawks Memes:

Game Misconduct Evan F. Moore, Jashvina Shah, Renee Hess, 2023-05-02 Those who have been lured by the sound of skate blades slicing into fresh ice by the incomparable speed split second decisions and everything or nothing attitude of the game know that hockey can seem like its own world It s all consuming and exhilarating boasting its own language and complex morality code Yet in another light that tight community can turn insular the values of teamwork and humility can manifest as collective silence in the face of abuse and discrimination issues which have been brought to the forefront of the sport as many share their stories for the first time In Game Misconduct reporters Evan Moore and Jashvina Shah reveal hockey s toxic undercurrent which has permeated the sport throughout the junior college and professional levels They address the topic with a level of passion that comes from being rabid hockey fans themselves and from experiencing its exclusivity first hand With a sensitive yet incisive approach this necessary book lays bare the issues of racism homophobia xenophobia bullying sexism and violence on and off the ice Readers will learn about notable players and activists fighting for transformation as well as those beyond the spotlight who are nonetheless deeply affected by hockey s culture of inaction Both a reckoning and a roadmap Game Misconduct is an essential read for modern hockey fans showing the truth of the sport s past and present while offering the tools to fight for a better future
