**After My Son's Murder?** Christy A. Camara, 2023-05-11 Her book speaks from the heart albeit broken It is because of Christy's passion wisdom persistence and her love for her son that lives will be changed Julia Weber Director National Center on Gun Violence in Relationships After my son's tragic death I had two choices I could crawl into the corner and spend each day there slowly dying Or I could choose to make Wyland's life a legacy I've used humor to get me through every day since Wyland's murder I never thought of myself as a writer I've always avoided putting my feelings on paper Then one day I had an epiphany I was going to write a book The title came to me instantly The memories flowed through effortlessly I soon realized the narrator in my head all my life was guiding me to this point I want to share my story hoping to bring awareness to those struggling in similar situations Hopefully in writing and publishing this book it will reach other parents before a tragedy like mine unfolds taking another innocent child The decision to expose the heart wrenching details of my life was difficult to make but if just one child can be saved it will be worth it No parent should go through the daily pain I feel I bare my soul and share my experience of pain tears and a few laughs along the way I wish to honor Wyland and keep his memory alive by sharing memories **New Mythologies in Design and Culture** Rebecca Houze, 2016-05-19 Taking as its point of

departure Roland Barthes classic series of essays *Mythologies* Rebecca Houze presents an exploration of signs and symbols in the visual landscape of postmodernity In nine chapters Houze considers a range of contemporary phenomena from the history of sustainability to the meaning of sports and children's building toys Among the ubiquitous global trademarks she examines are BP McDonald's and Nike What do these icons say to us today What political and ideological messages are hidden beneath their surfaces Taking the idea of myth in its broadest sense the individual case studies employ a variety of analytic methods derived from linguistics psychoanalysis anthropology sociology and art history In their eclecticism of

approach they demonstrate the interdisciplinarity of design history and design studies Just as Barthes meditations on culture concentrated on his native France New Mythologies is rooted in the author s experience of living and teaching in the United States Houze s reflections encompass both contemporary American popular culture and the history of American industry with reference to such foundational figures as Thomas Jefferson and Walt Disney The collection provides a point of entry into today s complex postmodern or post postmodern world and suggests some ways of thinking about its meanings and the lessons we might learn from it **The Hockey News ...
