The Virgin Islands Dictionary Kareem-Nelson Hull, 2018-05-18. The Virgin Islands Dictionary is a collection of words and phrases used frequently, naturally, and enjoyably by the people who call the Virgin Islands home. Don't get it wrong: most Virgin Islanders speak English well. A growing majority speak English and Spanish, making that set bilingual, while a super special set speak English and a well-organized and brilliant dialect too, and that makes them Vilingual. Through the collection of words and phrases captured here, you get a sense of many things about the people of the islands: that they are sometimes curt, very funny, and insolently mischievous at times. The words coupled with the way Virgin Islanders dramatically speak make for a good time and hours of fun. This Dictionary will also do that: provide hours of fun and an easy tool for cultural exchange and pride, and is THE BEST GUIDE for a newbie to learn the ins and outs of the Virgin Islands language.

The Hip Chick's Guide to Macrobiotics Jessica Porter, 2004-09-09. A modern girl's guide to the secrets of eating for health, beauty, and peace of mind. Part Joan Rivers, part Mahatma Gandhi, Jessica Porter makes macrobiotics meaningful, hilarious, and totally life-changing. Simon Doonan, creative director of Barneys New York and author of *Wacky Chicks*, heralded by *New York* magazine as one of the city's most popular diets, macrobiotics has become the latest trend in dieting thanks to high-profile supporters like Madonna and Gwyneth Paltrow. Speaking to the generation of young women looking to extend their healthy lifestyles beyond yoga and Pilates, macrobiotic chef and instructor Jessica Porter offers fresh, contemporary, and accessible insight into one of the world's most popular diets that is based on centuries-old principles. She explains that through the right balance of food, women can find balance in every aspect of their lives: improved health, weight loss, or fulfilling relationships. Cooking tips and recipes are combined with Jessica's no-nonsense philosophy and witty anecdotes to create a lifestyle book that will inspire women to hit the kitchen with an understanding of how to strengthen their mind and body through food.

William and Mary Girl Diana Strelow, 2009-07-17 You cant get there from here Not any more No road exists today to take you to take anyone anywhere near the place where the awful things happened The reason no one can go there though is that its no longer there the ostensibly happy and naive the joyfully prosperous world that was America in the late 1950s and early 1960s Id made a life in that world living in it was for me for a long time incredibly good But one day everything I loved and believed in and counted on became something more horrible even than I remembered happening years before what happened to my life now would take years to overcome When I was thirteen my father in almost every way an intelligent kind sensitive man found himself gratifying my mothers rage I had talked back angrily to one or both of them I was not a beautiful child I knew that and hated it And later Id know that Mama wanted no ugly duckling in her life I loved Mama but what she couldnt feel for me was clear Too often a terrible scene would begin to play itself out insane angry violence would again overwhelm me demolishing everything I was Id feel it for the rest of the day and the night as well And as Daddy imparted his rage to me to my life itself my own anger would rise to meet it the scenes that took place at our house were terrible And later the halting painful always slow climb up the stairs to bed was always more of an ordeal than I could bear to face And I was sure that with every blow my father administered as he swung again and again at my head that my life had already been ruined that I could never overcome what had been happening Although for years I hoped I was wrong about that and I did my best and continued to hope
