Child Blue Memoir Growing Military:

Child of the Blue, a Memoir - Growing Up Military L. Diane Ryan, 2015-12-02 In *Child of the Blue* L. Diane Ryan serves up a feast of amazing memories drawn from the happy chaos of her childhood growing up in an Air Force family. She writes with humor and passion about her adventures in far flung places with extraordinary people. But the book examines things far beyond a simple retelling of a family's wide military travel. Ryan writes wistfully about the simpler times of her baby boomer youth and the marvelous adventures of her free range childhood. She talks of family in its many forms and the challenges and triumphs faced over the course of many moves over many years. She brings each place into clear focus and offers insights on the ever changing times. This is a joyful book that celebrates those places, the times she lived through, and the people in her life on her path to maturity. In extolling the unexpected virtues of military family life, she honors and pays tribute to her loving, often raucous and remarkably resilient family.

Brat Life Caren J. Town, 2024-02-23 With hundreds of thousands of current and former military brats in the United States, their lives as children of service members are surprisingly little documented. Reading about the experiences of fellow brats can help these children of warriors understand both themselves and the unique world in which they were raised. Learning of the challenges that these children face will also help the general population consider how to honor and to help those whose lives were shaped by the military without volunteering or being drafted. This book explores the military brat experience as reflected in novels intended for adults, adolescent fiction, autobiographies, and biographies, and highlights the common elements: frequent moves, the ever present sense of danger, the potential loss of the service member, and isolation from the larger civilian world. By understanding the lives of brats, we can better understand the very real costs beyond the lives of service members themselves that families bear in the name of our collective freedom and security.

A Look Back in Time: Memoir of a Military Kid in the 50s Bernard N. Lee, Jr., 2017-12-19 *A Look Back in Time: Memoir of a Military Kid in the 50s Vol II* is a 2020 International Best Book Awards Finalist. This book is a fascinating, insightful, inspiring, and sometimes hilarious chronicle of life while growing up in a military family. Readers will enjoy the stories of life in the fifties told from a child's perspective. Through the stories, readers learn the virtues of tolerance, fairness, perseverance, resilience, and other life-serving qualities needed for survival in today's world. These qualities are timeless. Readers young and old will recognize these virtues and themselves inside the stories. Review by Colonel Arnold R. Goodson, United States Army Retired: *A Look Back in Time* finds our military kid living in Deutschland while attending an American middle school and high school. His adventures with the German and American young adults are rich in history, suspense, and surprises. You will enjoy the stories of this well-traveled military kid as he navigates his early teen years in Germany during the fifties. We follow this young adult as he learns to speak German, spreken sie deutsch, ice skate with the local teens, learn to play the guitar, jam with a local band, and explore the fascinating beauty of the Black Forest. These are adventures he will cherish for the rest of his life. You are invited to share them in *A Look*

Back in Time Author Bernard N Lee Jr *A Young Soldier's Memoirs: My One Year Growing Up in 1965 Korea* Julio A. Martinez, 2010-11-18 The pages of this book vividly conjure up the sights and smells and sounds of Martinez's adventures in Korea. He enthusiastically spent every free moment traveling everywhere taking hundreds of photographs teaching himself to speak, read and write the language. Nothing escaped his youthful eyes from ancient temples to rice planting and harvesting to little known facets of the country's rich 5 000 year old culture. His exuberance with each of his discoveries is faithfully recorded as are the familiar things we all felt: homesickness and fear, camaraderie and purpose. If you want to see the Korea of forty five years ago through the bright eyes of a nineteen year old soldier from Texas with a truly remarkable memory for every detail, this is the best way to do it.

A Memoir of the Early Military Life of Sir Frederick William Frankland ... Written at the Request of His Children, Etc. [With a Portrait.] Sir Frederick William FRANKLAND, 1874 *Air Force Cop: An Autobiography* Kelly D. Harrison, 2019-09-10 *Air Force Cop: An Autobiography* By Kelly D Harrison The enforcement of law in the US Armed Forces is covered by the Uniform Code of Military Justice and when applicable Title 18 of the US Code. There are other regulations and directives that can result in punitive action. The US Armed Forces is a US taxpayer funded enterprise with the US Army and US Navy almost as old as the nation itself. Crimes against property in the armed forces are not like that of breaking into a privately owned jewelry store in New York City since all property owned by the military branches is property of the US Government. Military members and others who damage, destroy or steal property of the US Government and fellow military members are dealt with harshly. This includes those military members and civilians who commit murder, rape, acts of serious bodily injury and other index crimes such as auto theft, arson, kidnapping etc within the jurisdiction of the federal government. The US Armed Forces have several consolidated confinement facilities and the US Disciplinary Barracks at Ft Leavenworth, Kansas. Each military branch has their own police and investigative agencies for dealing with crimes against property and people. In the US Air Force there are the Security Forces previously known as Air Police and Security Police for protection of base resources, traffic control, enforcement and investigation of misdemeanor offenses. The Air Force Office of Special Investigations AFOSI is a cadre of enlisted officer and civilian special agents all with Federal Law Enforcement Officer status who are highly trained in specialties such as forensics, fraud, counter intelligence, polygraph, computer crimes, electronic technical support, hidden cameras, electronic sweeping for covert recording devices etc and general crimes such as arson, homicides, child abuse along with every other imaginable offense against property and people.
