Childhood Youth And Exile:

Childhood, Youth and Exile Aleksandr Herzen, 1980 This book comprises the first two parts of Herzen's autobiography *My Past and Thoughts* one of the greatest monuments of Russian literature comparable to the major works of Tolstoy Dostoevsky and Turgenev Herzen begins with his nurse's account of Napoleon's occupation of Moscow in 1812 and continues through his solitary boyhood and close friendship with his cousin Nick Ogarev his days at Moscow University and his eventual imprisonment for his socialist beliefs The book ends with his adventures in exile which are vividly recounted and display the rich observation of detail that make Herzen's work so compelling

Childhood, Youth, and Exile Aleksandr Ivanovich Herzen, 1980 **Childhood, youth and exile** Alexander Herzen, 1994 **Childhood, Youth & Exile** Aleksandr Herzen, 1983 **Childhood, Youth and Exile** Aleksandr Herzen, 1983 *Deterritorialized Youth* Dawn Chatty, 2010 The Sahrawi and Afghan refugee youth in the Middle East have been stereotyped regionally and internationally some have been objectified as passive victims others have become the beneficiaries of numerous humanitarian aid packages which presume the primacy of the Western model of child development This book compares and contrasts both the stereotypes and Western based models of humanitarian assistance among Sahrawi youth with the lack of programming and near total self sufficiency of Afghan refugee youth in Iran Both extremes offer an important opportunity to further explore the impact which forced migration and prolonged conflict have had and continue to have on the lives of these refugee youth and their families This study examines refugee communities closely linked with the United Nations High Commission for Refugees UNHCR and a host of other UN agencies in the case of the Sahrawi and near total lack of humanitarian aid in the case of Afghan refugees in Iran

Childhood, Youth and Religious Minorities in Early Modern Europe Tali Berner, Lucy Underwood, 2019-12-11 This edited collection examines different aspects of the experience and significance of childhood youth and family relations in minority religious groups in north west Europe in the late medieval Reformation and post Reformation era It aims to take a comparative approach including chapters on Protestant Catholic and Jewish communities The chapters are organised into themed sections on Childhood religious practice and minority status Family and responses to persecution and Religious division and the family co operation and conflict Contributors to the volume consider issues such as religious conversion the impact of persecution on childhood and family life emotion and affectivity the role of childhood and memory state intervention in children's religious upbringing the impact of confessionally mixed marriages persecution and co existence Some chapters focus on one confessional group whilst others make comparisons between them

Childhood, Youth Identity, and Violence in Formerly Displaced Communities in Uganda Victoria Flavia Namuggala, 2018-08-09 This volume provides a critical assessment of the mainstream western childhood constructions and their impact to the developing world Using African feminist and indigenous epistemological frameworks the volume decolonizes the understanding of childhood children and youth Specifically the volume presents Global South contestations to mainstream western constructions by exploring

alternative notions to standardized universal understanding of childhood The author further deliberates childhood as a human right exploring how armed violence hinders realization of such rights assessing humanitarian assistance during armed violence Besides childhood the volume explores the complex intersectional nature of youthhood and its cultural relevance to formerly displaced communities and how this manifests in access to and use of humanitarian assistance

Childhood, Youth, and Religious Dissent in Post-Reformation England L. Underwood, 2014-10-30 This book explores the role of children and young people within early modern England's Catholic minority It examines Catholic attempts to capture the next generation Protestant reactions to these initiatives and the social legal and political contexts in which young people formed maintained and attempted to explain their religious identity

Childhood, Youth, and Social Work in Transformation Lynn M. Nybell, Jeffrey J. Shook, Janet L. Finn, 2009 Contributors analyze how economic political and cultural changes over the past several decades have reshaped the experiences and representations of children and youth in the United States From publisher description

Between Heaven and Hell G. Diment, Y. Slezkine, 2016-04-30 Siberia has no history of independent political existence no claim to a separate ethnic identity and no clear borders Yet it could be said that the elusive country behind the Urals is the most real and the most durable part of the Russian landscape For centuries Siberia has been represented as Russia's alter ego as the heavenly or infernal antithesis to the perceived complexity or shallowness of Russian life It has been both the frightening heart of darkness and a fabulous land of plenty the House of the Dead and the realm of utter freedom a frozen wasteland and a colourful frontier a dumping ground for Russia's rejects and the last refuge of its lost innocence The contributors to *Between Heaven and Hell* examine the origin nature and implications of these images from historical literary geographical anthropological and linguistic perspectives They create a striking fascinating picture of this enormous and mysterious land

Constructions of Childhood and Youth in Old French Narrative Phyllis Gaffney, 2016-05-23 What do we know of medieval childhood Were boundaries always clear between childhood and young adulthood Was medieval childhood gendered Scholars have been debating such questions over half a century Can evidence from imaginative literature test the conclusions of historians Phyllis Gaffney's innovative book reveals contrast and change in the portrayal of childhood and youth by looking at vernacular French narratives composed between 1100 and 1220 Covering over sixty poems from two major genres epic and romance she traces a significant evolution While early epics contain only a few stereotypical images of the child later verse narratives display a range of arguably timeless motifs as well as a growing awareness of the special characteristics of youth Whereas juvenile epic heroes contribute to the adult agenda by displaying precocious strength and wisdom romance children are on the receiving end requiring guidance and education Gaffney also profiles the intriguing phenomenon of enfances poems singing the youthful deeds of established heroes these prequels combine epic and romance features in distinctive ways Approaching the history of childhood and youth through the lens of literary genre this study shows how imaginative texts can both shape and reflect the historical

development and cultural construction of emotional values *Childhood and youth (1799-1819)* Heinrich Heine,1910

Reference Guide to Russian Literature Neil Cornwell,2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public Voices of Rebellion Ruth Whittle,Debbie Pinfold,2005 This series publishes works of scholarship drawn from the whole subject range of traditional Germanistik originating both in Great Britain and in the Republic of Ireland The weight of the series mainly falls on literature theatre and cultural history from the eighteenth century onwards in some cases with a strong comparative dimension *Childhood, Youth and Emotions in Modern History* Stephanie Olsen,2015-10-06 Childhood Youth and Emotions in Modern History is the first book to innovatively combine the history of childhood and youth with the history of emotions combining multiple national colonial and global perspectives Children, Youth, and Spirituality in a Troubling World ,2012-11 Editors Mary Elizabeth Moore and Almeda M Wright address the harsh challenging and delicate realities of children and youth who live as spiritual beings within a beautiful yet destructive world Providing a practical theological analysis of the spiritual yearnings expressions and challenges of children and youth in a world of rapid change dislocation violence and competing loyalties Children Youth and Spirituality in a Troubling World provides readers with a purposeful conversation on this important topic This book will serve as more than a collection it will be a genuine conversation which will in turn stir lively conversation among scholars theological students and Christian communities that seek to understand and respond more adequately in ministries to and with children and youth Contributors include Claire Bischoff Susanne Johnson Jennie S Knight Bonnie Miller McLemore Mary Elizabeth Moore Joyce Ann Mercer Veronice Miles Rodger Nishioka Evelyn Parker Luther E Smith Jr Joshua Thomas Katherine Turpin David White Almeda Wright and Karen Marie Yust Geographies of Children, Youth and Families Louise Holt,2010-12-21 This edited collection brings together international experts from the vibrant and growing field of geographies of children youth and families Designed as an introduction to the topic this book provides an overview of current conceptual and theoretical debates surrounding geographies of children youth and families and gives a wide range of examples of cutting edge research from a variety of national contexts across the globe The theme of disentangling the socio spatial contexts of young people and or their families advances debates in the field by emphasising the context of young people s social agency Geographies of Children Youth and Families is an invaluable course text for undergraduate and postgraduate students of geography and the social sciences as well as being of interest to students and practitioners of education youth work social policy and social work **Fogoum: For Orphans, Lost Children, Youth, And W** ,2023-03-20 Uplifting motivational and empowering the poems in For Orphans Lost Children Youth and Whom It May Concern celebrate resilience compassion spirituality and above all the power of dreams to spawn hope for the future **Handbook for Working with Children and Youth** Michael Ungar,2005-05-11 To study resilience one should adopt a fundamental humility

about oneself and one's culture and society and simultaneously a respect for the human strength of others. The chapters in this book take these three cautions seriously and offer a convincing demonstration that resilience is indeed a many splendored thing. James Garbarino, Cornell University.

The Handbook For Working With Children and Youth: Pathways To Resilience Across Cultures and Contexts examines lives lived well despite adversity. Calling upon some of the most progressive thinkers in the field, it presents a groundbreaking collection of original writing on the theories, methods of study, and interventions that promote resilience. Unlike other works that have left largely unquestioned their own culture-bound interpretations of the ways children and youth survive and thrive, this volume explores the multiple paths children follow to health and well-being in diverse national and international settings. It demonstrates the connection between social and political health resources and addresses the more immediate concerns of how those who care for children create the physical, emotional, and spiritual environments in which resilience is nurtured.

Key Features:

- Cross-cultural:** Illustrates the rich variety of culturally embedded pathways by which children navigate toward health and well-being.
- Multidisciplinary:** Draws upon international experts utilizing both quantitative and qualitative studies from psychology, social work, psychiatry, nursing, education, criminology, child and youth care, community health, and family therapy.
- Comprehensive:** Provides broad developmental perspectives on resilience from theory and research methods to interventions with individuals, families, and communities.
- Connects theory to practice:** Clarifies the construct of resilience from the viewpoint of resilience researchers and practitioners in health-related disciplines from different methodological paradigms within the social sciences and human services.

Academics, graduate students, and professionals studying or working in human service fields such as human development and family studies, education, social work, child and youth care, work, developmental psychology, applied developmental science, child psychiatry, nursing, and family therapy will benefit from this Handbook. In essence, anyone who works with youth or is interested in the developmental issues related to children and youth in clinical, residential, or community settings will find Ungar's Handbook to be of great value.
