*Sunday School Times* ,1894      *An Unwanted Miracle* Jane E. Klock,2020-05-06 *An Unwanted Miracle* Became God s Gift Maybe the title of my book sounds a little ungrateful because after all who wouldn t want a miracle in their life Have you ever experienced a miracle in your life you did not originally want Maybe you had been praying about one particular thing and the answer to your prayer made you doubt God s very existence There also maybe the feeling of being let down or abandoned by God and that tears you apart with great confusion and mistrust But then you discover it turns out to be God s gracious gift to you to strengthen your faith You could say I was expecting my own special miracle from a loving God when I got pregnant for the eighth time This was due mostly to being medically considered a high risk to carrying children to full term for I already tragically lost five of these pregnancies including burying our baby boy So this was the only conception I put totally in God s hands even prior to getting pregnant for I knew and believed God was aware of my great fears associated with this aspect of my life Nothing could prepare me for what was about to unfold to change my life forever      **Words on Cassette** ,1997      *A Little Faith* Bob Krech,2020-11-03 Life had been good to Karen and Bob Krech They had traveled the world as overseas teachers They were blessed with a strong marriage a nice house great jobs and a happy healthy two year old son Was God a part of their lives Some But with the birth of their daughter a micro preemie weighing less than a pound He reentered their lives in a very big way      **Jesus Talked to Me Today** ,2016-07-05 *A Heartwarming Story Collection of Children s Encounters with God Angels and Miracles* Children have a special place in Jesus heart He said they are the greatest in the kingdom of heaven and their angels continually see the face of God Perhaps that s why children seem to be more receptive to supernatural experiences than adults This new collection reveals how God works in the lives of these precious little ones It contains the touching true stories of children who have heard Jesus speak encountered angels and experienced miracles We

could all use more childlike faith and these stories from the mouths of babes will encourage readers to be open to hear from the Lord in a fresh sweet and pure way      *A Good and Perfect Gift* Amy Julia Becker, 2011-09-01 An Honest Hopeful Look at Unexpected Challenges Challenging surprises often lead to unexpected joy Amy Julia opens eyes and softens hearts as she brings readers into her own story of disappointment turned to blessing This is a journey of discovering strength through weakness and the author learns to embrace the face that we are all dependent on God and one another This books will inspire readers who appreciate beautiful writing coupled with deep insights about life and faith Amy Julia Becker has the courage and grace to tell the truth Whether you are a parent or not whether the children in your life are typical or not this story will shake you change you and encourage you Andy Crouch author Culture Making      *An Unwanted Miracle* Jane Klock, 2020-08-31 Maybe the title of my book sounds a little ungrateful because after all who wouldn't want a miracle in their life Have you ever experienced a miracle in your life you did not originally want Maybe you had been praying about one particular thing and the answer to your prayer made you doubt God's very existence There also maybe the feeling of being let down or abandoned by God and that tears you apart with great confusion and mistrust But then you discover it turns out to be God's gracious gift to you to strengthen your faith You could say I was expecting my own special miracle from a loving God when I got pregnant for the eighth time This was due mostly to being medically considered a high risk to carrying children to full term for I already tragically lost five of these pregnancies including burying our baby boy So this was the only conception I put totally in God's hands even prior to getting pregnant for I knew and believed God was aware of my great fears associated with this aspect of my life Nothing could prepare me for what was about to unfold to change my life forever

**The Birth of a Seed** Sandra Mosley, 2018-08-08 Sandra Mosley introduces the birth of a seed This is the story of her life and her faith in God her early childhood and becoming an unwed teenage mother with two children the heartbreaks she endured the pain and the suffering that she went through as a young adult This book brings to life the power of prayer and faith in God and the miracles that he will do if you only believe and have mustard seed faith After reading the story hopefully it will show how through all obstacles there is the promise that God said I will never leave you nor forsake you He can bring you from the deepest darkest moment of your life and bring comfort to you When you have lost loved ones in your life and you feel you cannot go on this is where the power of prayer helps comfort you As you continue the story you will see God will send you a comforter to keep you and you will also witness the miracles With three cancers and the sudden death of her husband you will see where the faith of a mustard seed kept her strong and wise The love that she has for God is so powerful that she wants the world to know the joy that she feels in her spiritual walk with the Lord The story will show that God has a plan for all of our lives We must be able to accept and trust in him Listen for that small still voice that gives us directions We will also continue to read to train our children to know God read the scriptures and follow the way of the Lord He gives us so much and he asks very little of us May the blessings of the Lord be with all the readers      *God's Child* Margaret

Memoirs of a Miracle Baby Shiela Honbeck Miller,2013-11 What do a breech birth a Sabbath keeping cult a worshipping ballerina a prophetic masseuse and a Spanish speaking missionary all have in common They are all various glimpses into the life of Shiela Miller growing from a miracle baby into a spoiled young girl who was then shaped slowly and lovingly by God into a strong Christian wife and mother spurring her on to bless others throughout her life Memoirs of a Miracle Baby takes you on a journey into the unfolding of a favored life with unbelievable experiences along the way It's a behind the scenes look through one woman's eyes at four decades of her life as she reviews her own miraculous birth church dance college marriage motherhood and missions finally to discover who her identity is in Christ a worthy daughter of the King **Ashleigh: God's Miracle Baby** Ramona Antillon,2011-06-28 My name is Ramona Antillon I'm a Christian woman and a mother of four whom at 23 weeks along in my pregnancy had to believe that everything that happens in life is meant for a reason When doctors only gave my unborn baby 20% chance at life the only thing I could do was place my trust in God Sometimes we don't know why and we may never know why things happen but we just need to always trust God in everything The unexpected birth of my daughter Ashleigh was the most difficult experience I've ever had to face I wrote this book with God's help and I kept a journal about Ashleigh from beginning to end I recorded details that happened while Ashleigh was in the hospital and I wrote them all down in the journal daily so that one day Ashleigh would always remember and never forget how special she is and how God healed her It wasn't until 8 years later that the Lord impressed in my heart to share her story I want Ashleigh's story to help others who may face a difficult birth of a child or for those who are sick to know that God is their healer Medicine alone wasn't enough to heal Ashleigh it was by the healing hand of God that Ashleigh was healed and is now living a normal life I know that we serve an awesome God and that He is our healer As you read this book I pray that you will be blessed and you too will know that He is your healer He is the God of all flesh and nothing is too hard for Him with God all things are possible **Faith, Through The Eyes of A Child** Pauline DiBenedetto,2017-07-02 Pauline says that the purpose of her

baby She would miscarry and he would die No That cant be right thats not what God would want Hed raise the child up stop this bleeding sew up her womb They believed in that kind of God But the baby wasnt making it They couldnt accept thatnot after feeling him kick in there not after seeing his little face on the ultrasound not after hearing his heartbeat He cant die they said we wont let him That proclamation starts Eight Weeks with No Water an emotional true tale of the Lords sustaining grace working through faith to go against the odds and bring a remarkable little boy into the world for Gods glory and honor It is a testimony of fiery trials with compelling insight that proves the walk of faith is worth the reward of faith
