

About CHILDLINE

Initiated in June 1996 as an experimental project of the department of Family and Child Welfare of TISS, CHILDLINE has come a long way today, to becoming a nationwide emergency helpline for children in distress.

The NGO works for the protection of child rights, with special focus on the care and protection of the more vulnerable sections. CHILDLINE 1098 is a toll free, 24 hour service, that works across cities, which children can call from anywhere at any time.
