Children, Families & God Lynn Alexander, 2012 Consider children make disciples build the Church With an expert combination of solid theology biblical analysis and relevant personal experiences of modern day as well as biblical families Children Families God is a clarion call to all who want to see the Church strengthened and empowered Spiritually sound guidance about how to nurture children's spirituality is overflowing on every page of this prayerfully written and well researched treatise Many churches are desperately searching for ways to stop the decline and involvement of young people in Kingdom advancement You will learn How Jesus redeemed family structures so they would become vehicles for Kingdom advancement How to grow spirituality into lifelong personal faith The 16 unhelpful beliefs we might hold that if addressed might help children and families find Jesus and become disciples in great numbers What whole family discipleship might look like The 6 key principles with practical applications needed to train and equip believers in every church You and your church can transform all generations into a powerful body for God's glory and mission to bring Heaven to earth for those who need to know this most *Being Interrupted* Al Barrett, Ruth Harley, 2020-11-30 Beginning with a Street Nativity Play that didn't end as planned and finishing with an open ended conversation in the midst of the COVID 19 pandemic *Being Interrupted* locates an institutionally anxious Church of England within the wider contexts of divisions of race and class in the ruins of empire alongside ongoing gender inequalities the marginalization of children and catastrophic ecological breakdown In the midst of this bleak picture Al Barrett and Ruth Harley open a door to a creative disruption of the status quo from the outside in the in breaking of the wild reality of the Kingdom of God Through careful and unsettling readings in Mark's gospel alongside stories from a multicultural outer estate in east Birmingham they paint a vivid picture of an alternative economy for the Church's life and mission which begins with transformative encounters with neighbours and strangers at the edges of our churches our neighbourhoods and our imaginations and offers new possibilities for repentance and resurrection
