The Children's Bible Charles Foster Kent Henry A. Sherman, 2016-08-24 The Children's Bible provides in simple English a translation of selections from both the Old and the New Testament These selections have been made as a result of more than twenty five years of observation and study The text is that of the Bible itself but in the language of the child so that it may easily be read to the younger children and by those who are older It is not in words of one syllable for while the child is reading the Bible he should gradually learn the meaning of new words and idioms The Bible contains the foundations on which the religious life of the child must be built The immortal stories and songs of the Old and New Testaments are his richest inheritance from the past To give him this heritage in language and form that he can understand and enjoy is the duty and privilege of his parents and teachers It is hoped that The Children's Bible will meet the need and the demand which parents and educators alike have long felt and often expressed for a simple translation of selections from the Bible most suited to the needs and the interests of the child It is also believed that after the child has learned to appreciate and love these stories and songs he will be eager and able to read the Bible as a whole with genuine interest and understanding

International Children's Bible - Brown Leathersoft Cover Thomas Nelson, Zondervan, 2015-10-06 The first Bible translation created specifically for children is now available in a newly updated larger easy to read typesetting for kids The Bible translation kids can read and understand
