**Transforming Children Into Spiritual Champions** George Barna,2003-11-21 No one can deny that our culture is opposed to Christian values and the influences bombarding our children s moral development can be deadly But few parents

and church leaders realize how critical it is to start developing a child's biblical worldview from the very earliest years of life. The problem is complex: parents who themselves did not receive early spiritual training leave their children's training to the church. Yet the church often focuses on older children, not realizing that a child's moral development is set by the age of nine. The answer is for churches to recognize the need to come alongside parents to provide them biblical worldview training, parenting information, counseling, etc. that will equip them to help their children become the spiritually mature Church of tomorrow. Profiles presented of churches who are effectively ministering to children and winning the war our enemy is waging against them. Research-orientated books on childhood spiritual development: *Raising Heaven Bound Kids in a Hell Bent World* by Eastman Curtis; *What Your Kids Need to Know About God and When* by John Trent; *Introducing the Spiritual Side of Parenting* by Ron Clarkson; *Bringing Up Boys* by James Dobson. *International Children's Bible* Thomas Nelson, 2005-03-09. The original *International Children's Bible* celebrated as the first Bible translation just for kids is now available in this special edition with an affordable 16.99 hardcover and 12.99 softcover.
