

Children Of The Blitz

Jane Shuter

Children Of The Blitz:

Children of the Blitz Robert Westall,1985 Fascinating poignant sometimes hilarious account of the lives of children in Britain during the second World War *Children of the Blitz* Robert Westall,1989-01-01 **Children in the Second World War** Folens Publishers,Mary Green,2003-09-15 *How Do We Know about Children and the Blitz?* Jane Shuter,2004

How Do We Know about Children and the Blitz? Jane Shuter,2012-12 This is one of a number of books that ask how we know about prominent individuals and events Each book in the series begins with a narrative that gives background details This is then backed up by the presentation of historical evidence The books include images and artwork **Children of the Blitz** Robert Westall,1987 A collection of anecdotes and reminiscences by people who were children during World War II in England **British Children's Fiction in the Second World War** Owen Dudley Edwards,2007-08-01 What children read in the Second World War had an immense effect on how they came of age as they faced the new world This time was unique for British children parental controls were often relaxed if not absent and the radio and reading assumed greater significance for most children than they had in the more structured past or were to do in the more crowded future Owen Dudley Edwards discusses reading children s radio comics films and book related play activity in relation to value systems the child s perspective versus the adult s perspective the development of sophistication retention and loss of pre war attitudes and their post war fate British literature is placed in a wider context through a consideration of what British writing reached the USA and vice versa and also through an exploration of wartime Europe as it was shown to British children Questions of leadership authority individualism community conformity urban rural division ageism class race and gender awareness are explored In this incredibly broad ranging book covering over 100 writers Owen Dudley Edwards looks at the literary inheritance when the war broke out and asks whether children s literary diet was altered in the war temporarily or permanently Concerned with the effects of the war as a whole on what children could read during the war and what they made of it he reveals the implications of this for the world they would come to inhabit **The City of Coventry** Adrian Smith,2006-10-27 The image of Coventry in flames was one of the most haunting of the Second World War Yet the excitement and optimism of the 1950s and 1960s were succeeded by a quarter century of urban blight and economic slump The collapse of manufacturing industry machine tools aeroplanes cars left a proud community adrift and demoralised Today a revitalised twenty first century city Coventry has embraced the new millennium and evolved from bleak post industrial desert to vibrant cultural oasis in the process rediscovering a sense of purpose and a vision for the future The City of Coventry tells the story of an experiment in social democracy carried out by a Labour controlled council which envisaged the bomb shattered city as a model of urban regeneration and imaginative planning Post war reconstruction could be a striking success as in the pedestrian friendly Precinct and the bold new cathedral or a notable failure as in the ever more intrusive ring roads and grim high rise flats In offering a fresh perspective on the city this innovative volume of essays rediscovers Coventry as an

inspiration for poets and painters such as Philip Larkin and Terry Frost musicians as varied as Benjamin Britten and The
 Specials and film makers such as Humphrey Jennings whose *Heart of Britain* was shot in the immediate aftermath of the Blitz
 Adrian Smith skilfully mixes memoir family history and meticulous scholarship to paint a complete and incisive portrait of
 Coventry Drawing on new research into topics as diverse as the place of Surrealism in West Midlands culture and the
 shadowy presence of rugby league in a union bastion Smith brings a unique insight into the recent history of his native city
 Attractively presented highly readable and with broad appeal *The City of Coventry* is a lively re examination of an iconic city
 of the twentieth century illuminating the profound changes that engulfed industrial England during and after the Second
 World War [Publications of the Children's Bureau](#) United States. Children's Bureau,1941 **The Archaeology of the**
Second World War Gabriel Moshenska,2020-01-31 A book to inspire local groups to research reveal and record archaeology
 in their area *The Civil Defence Journal* The Second World War transformed British society Men women and children
 inhabited the war in every area of their lives from their clothing and food to schools workplaces and wartime service This
 transformation affected the landscapes towns and cities as factories turned to war work beaches were prepared as
 battlefields and agricultural land became airfields and army camps Some of these changes were violent houses were blasted
 into bombsites burning aircraft tumbled out of the sky and the seas around Britain became a graveyard for sunken ships
 Many physical signs of the war have survived a vast array of sites and artefacts that archaeologists can explore and Gabriel
 Moshenska s book is an essential introduction to them Moshenska shows how archaeology can bring the ruins relics and
 historic sites of the war to life especially when it is combined with interviews and archival research His work provides for the
 first time a broad and inclusive overview of the main themes of Second World War archaeology and a guide to many of the
 different types of sites in Britain It will open up the subject for readers who have a general interest in the war and it will be
 necessary reading and reference for those who are already fascinated by wartime archaeology Readers will find something
 new and unexpected within the wide range of sites featured in the book An excellent introduction to what is both a first rate
 hobby and an increasingly serious academic specialism *Military History Monthly* **Lost Freedom** Mathew
 Thomson,2013-11 *Lost Freedom* addresses the widespread feeling that there has been a fundamental change in the social life
 of children in recent decades the loss of childhood freedom and in particular the loss of freedom to roam beyond the safety of
 home Mathew Thomson explores this phenomenon concentrating on the period from the Second World War until the 1970s
 and considering the roles of psychological theory traffic safety consciousness anxiety about sexual danger and television in
 the erosion of freedom Thomson argues that the Second World War has an important place in this story with war borne
 anxieties encouraging an emphasis on the central importance of a landscape of home War also encouraged the development
 of specially designed spaces for the cultivation of the child including the adventure playground and the virtual landscape of
 children s television However before the 1970s British children still had much more physical freedom than they do today *Lost*

Freedom explores why this situation has changed The volume pays particular attention to the 1970s as a period of transition and one which saw radical visions of child liberation but with anxieties about child protection also escalating in response This is strikingly demonstrated in the story of how the paedophile emerged as a figure of major public concern Thomson argues that this crisis of concern over child freedom is indicative of some of the broader problems of the social settlements that had been forged out of the Second World War

The Humanitarians Joy Damousi, 2022-08-11 Spanning six decades from the formation of the Save the Children Fund in 1919 to humanitarian interventions during the Vietnam War The Humanitarians maps the national and international humanitarian efforts undertaken by Australians on behalf of child refugees In this longitudinal study Joy Damousi explores the shifting forms of humanitarian activity related to war refugee children over the twentieth century from child sponsorship the establishment of orphanages fundraising to aid and development schemes and campaigns for inter country adoption Framed by conceptualisations of the history of emotions and the limits and possibilities afforded by empathy and compassion she considers the vital role of women and includes studies of unknown but significant women humanitarian workers and their often traumatic experience of international humanitarian work Through an examination of the intersection between racial politics and war refugees Damousi advances our understanding of humanitarianism over the twentieth century as a deeply racialised and multi layered practice

Children of the Blitz Mike Abraham, 1994

Blitz Kids Sean Longden, 2012-03-01 From the dangers of London streets during the Blitz to working on the high seas in the Merchant Navy during the Atlantic Convoy children were on the frontline of battle during the Second World War In Sean Longden s gripping retelling of the conflict he explores how the war impacted upon a whole generation who lost their innocence at home and abroad on the battlefield and the home front Through extensive interviews and research Longden uncovers previously untold stories of heroism and courage the eleven year old boy who was sunk on the SS Benares and left in frozen water for two days the teenage Girl Guide awarded the George Medal for bravery the merchant seaman sunk three times by the age of seventeen the fourteen year old who signed up for the army three times before finally seeing action in the Normandy campaign the fourteen year old Boy Buglers of the Royal Marines on active service onboard battleships as well as the harrowing experiences of the boy who was survived the Bethnal Green Tube Disaster the horrors of being a child captive in the German PoW camps Blitz Kids will change forever the way one sees the relationship between the Second World War and the generation our grandparents and great grandparents who bravely faced the challenge of Nazism Allowing them to tell their stories in their own words Sean Longden brings both the horrors and the humour of young lives lived in troubled times The book includes stories of The seventeen year old boy who signed up 4 times before he made it onto the beaches at Normandy The Girl Guide who saved a family during the blitz The teenage merchant seaman who was sunk three times What it was like to be a teenage POW after the disasters of Dunkirk Praise for Sean Longden A rising name in military history able to uncover the missing stories of the Second World War The Guardian A tenacious sleuth of Second

World War secrets Andrew Roberts At times you have to stop and remind yourself that you re reading history and not an 007 thriller The Soldier First class history from a first class historian Military Illustrated Fascinating Financial Times

Children's Fears of War United States. Congress. House. Select Committee on Children, Youth, and Families,1984

Misfit Children Markus Bohlmann,2016-12-14 Misfits are often confused with outcasts Yet misfits rather find themselves in between that which fits and that which does not This volume is interested in this slipperiness of misfits and explores the blockages and the promises of such movements as well as the processes and conditions that produce misfits the means that enable them to undo their denomination as misfits and the practices that turn those who fit into misfits and vice versa This collection of essays on misfit children produces transmissible motions across and engages in scholarly conversations that unfold betwixt and between in order to make rigid concepts twist and twirl and ultimately fail to fit

Emotions of Conflict, Israel 1949-1967 ORIT. ROZIN,2024-09-13 The book portrays the security challenges Israelis faced during the state s first two decades of independence from the perspective of the history of emotions It traces the efforts made by policymakers journalists teachers and other cultural agents to mold the feelings of citizens **Britain Since 1930** Paul Flux,2001 War Paint Brian Foss,Professor of Art History School for Studies in Art and Culture Brian Foss,2007-01-01

In this groundbreaking examination of British war art during the Second World War Brian Foss delves deeply into what art meant to Britain and its people at a time when the nation s very survival was under threat Foss probes the impact of war art on the relations between art state patronage and public interest in art and he considers how this period of duress affected the trajectory of British Modernism Supported by some two hundred illustrations and extensive archival research the book offers the richest most nuanced view of mid century art and artists in Britain yet written The author focuses closely on Sir Kenneth Clark s influential War Artists Advisory Committee and explores topics ranging from censorship to artists finances from the depiction of women as war workers to the contributions of war art to evolving notions of national identity and Britishness Lively and insightful the book adds new dimensions to the study of British art and cultural history **The Battle of London 1939-45** Jerry White,2021-11-04 Endlessly fascinating White is such a brilliant historian Mail on Sunday Lasting for six long years the Blitz transformed life in the capital beyond recognition marking a time of almost constant anxiety disruption deprivation and sacrifice for Londoners With the capital the nation s frontline during the Second World War by its end 30 000 inhabitants had lost their lives While much has been written about the Myth of the Blitz its riveting social history has often been overlooked Unearthing what it was actually like for those living through those tempestuous years Jerry White paints a fascinating portrait of the daily lives of ordinary Londoners telling the story through their own voices As a history of the capital in wartime it is probably unsurpassable Sunday Telegraph An impressive history of the capital at war White an accomplished chronicler of London s history tells it with brio and a confident mastery of the sources Literary Review

The Enigmatic Realm of **Children Of The Blitz**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Children Of The Blitz** a literary masterpiece penned by a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those that partake in its reading experience.
