Children Residential Care Best Practice Guide:

Residential Interventions for Children, Adolescents, and Families Gary M. Blau, Beth Caldwell, Robert E. Lieberman, 2014-06-05 Now more than ever there is a need to ensure that best practices are being used in residential programs As the focus on costs and outcomes increase residential programs must clearly demonstrate that the interventions provided are efficient and effective Readers will learn how to Create strength based empowering and healing environments Better engage and partner with children adolescents and families in meaningful ways Support those who have experienced trauma and loss and to prevent and eliminate the use of restraint and seclusion Respect and include cultural indices in practices Train mentor supervise support and empower staff about how to deliver promising and best practices and evidence informed and evidence based interventions and Track long term outcomes and create funding strategies to better support sustained positive outcomes This book encourages readers to think strategically about how agencies communities and systems can identify and implement actions that lead to positive change and how to work more collaboratively to improve the lives of children and adolescents who have experienced emotional and behavioral life challenges and their families

Revitalizing Residential Care for Children and Youth James K. Whittaker, Lisa Holmes, Jorge Fernandez del Valle, Sigrid James, 2023 This volume addresses the question of how societies with developed welfare and social service systems are assessing current needs and future directions in their residential child and youth care sectors by providing case studies and analysis across sixteen different countries

Handbook of Child and Adolescent Group Therapy Craig Haen, Seth Aronson, 2016-10-14 This handbook describes in detail different contemporary approaches to group work with children and adolescents Further this volume illustrates the application of these models to work with the youth of today whether victims of trauma adolescents struggling with LGBT issues or youth with varying common diagnoses such as autism spectrum disorders depression and anxiety It offers chapters presenting a variety of clinical approaches written by experts in these approaches from classic play therapy and dialectical behavior therapy to cutting edge attachment based intervention mindfulness and sensorimotor psychotherapy Because of its broad scope the book is suitable for a wide audience from students to first time group leaders to seasoned practitioners

Best Practices in Residential Treatment Rodney A Ellis, 2013-09-13 Best Practices in Residential Treatment is a detailed examination of the latest information on empirically tested evidence based interventions and procedures across the many dimensions of residential treatment practice Respected authorities from a broad range of professions provide a truly interdisciplinary look into the various diverse aspects of the treatment of children and youths in a residential setting The book brings the most current information available on best practices cultural competence substance abuse facility management medication management and planning for community reentry This book provides the latest in research and practical techniques for the unique treatment program This helpful resource extensively discusses effective counseling interventions medication management approaches facility management issues and aftercare

approaches to ensure successful outcomes for children and adolescents leaving a facility The book's comprehensive nature offers practitioners the most current information on best practices in the residential treatment arena and can serve as a useful resource for future decision making This volume is extensively referenced and includes tables to clearly present data This book is a valuable resource for social workers psychologists psychiatrists counselors residential program administrators state departments of children's services educators and students at all levels This book was published as a special issue of Residential Treatment For Children Youth

Child Social Work Policy & Practice Derek Kirton, 2008-11-19 A key text in the exploration of social political and historical changes around child social care It offers a broad overview of key themes in all areas and aspects of child care within the UK It is an essential resource for students studying the degree in social work and will support and encourage their knowledge of fundamental issues Sarah Thomas Programme Director BA Hons Social Work University of Wales Institute Cardiff This book offers an authoritative overview of child care policy and practice in the UK It covers assessment and family support services understanding child maltreatment and protection the care of looked after children including the contribution of adoption foster and residential care services for those leaving care and barriers facing disabled children and their families Child Care Policy and Practice reflects the complexity and contested nature of children's needs rights and interests and relationships between family and state It analyses relevant debates and research and highlights practice issues and dilemmas Readers are also directed to sources of further information on topics they may wish to explore in more depth At the end of each chapter there is guidance for further reading resources for practice and questions for discussion The book is aimed at social work practitioners and students both qualifying and post qualifying at allied professionals working with children and families and at undergraduate students in Childhood Studies or Social Policy

Public Management Occasional Papers Contracting Out Government Services Best Practice Guidelines and Case Studies No. 20 OECD, 1998-01-19 This report presents the OECD Best Practice Guidelines for Contracting Out Government Services and accompanying case studies

Transforming Residential Interventions Beth Caldwell, Robert Lieberman, Janice LeBel, Gary M. Blau, 2020-01-28 Transforming Residential Interventions Practical Strategies and Future Directions captures the emerging changes exciting innovations and creative policies and practices informing ground breaking residential programs Building on the successful 2014 publication Residential Interventions for Children Adolescents and Families this follow up volume provides a contemporary framework to address the needs of young people and their families alongside practical strategies that can be implemented at the program community system and policy levels Using the Building Bridges Initiative as a foundation the book serves as a how to manual for making bold changes to residential interventions The reader will learn from a range of inspired leaders who rather than riding the wave of change jumped in and created the wave by truly listening to and partnering with their youth families advocates and staff Chapters provide real time practice examples and specific strategies that are transformational and consider critical areas such as family and youth voice choice and roles

partnerships permanency and equity diversity and inclusion These methods benefit youth with behavioral and or emotional challenges and their families and will improve an organization s long term outcomes and fiscal bottom line This book is for oversight agencies managed care companies providers of service advocates and youth family leaders looking for an exemplar guide to the new frontier of residential intervention In this era of accountability and measurement it will become a trusted companion in leading residential interventions to improved practices and outcomes **CWLA Best Practice Guidelines** Julie F. Gwin,2004 *Residential and Boarding Education and Care for Young People* Ewan W. Anderson,2005 Based on the latest research and reflecting the national drive towards evidence based standards this book offers a model which can be readily applied to training assessment of standards inspections and research and development **Children's Rights to Participate in Out-of-Home Care** Claudia Equit,Jade Purtell,2022-11-30 For centuries residential child and youth care systems worldwide have provided homes for vulnerable children and adolescents The implementation of children s rights especially the right of participation is assessed as an important base for promoting the best interests of the child in an out of home care environment Featuring contributions from distinguished international authors this volume offers an in depth understanding of crucial participation processes and underlying power structures when involving young people in decision making about their care and everyday life in different out of home care institutions Contributions cover a broad spectrum of current research findings concerning the participation of young people in foster families and residential living groups in Australia Canada Germany Ireland Italy Portugal Norway Sweden and Switzerland as well as cross nationals perspective on children and young people s participation in foster and residential care placements in Great Britain and France The volume fills major gaps concerning the participation of young people in different out of home care and policy settings and will be required reading for policymakers researchers practitioners scholars and students interested in increasing opportunities for young people s participation and creating better out of home care settings for vulnerable young people *Guidance on Strategies to Promote Best Practice in Antipsychotic Prescribing for Children and Adolescents* U.S. Department of Health and Human Services,2019-11-19 The safe and effective use of antipsychotic medications for children and adolescents hereafter youth in the United States is a critical issue in mental and substance use treatment Antipsychotic medication use is substantially higher for youth in the United States when compared to rates of use among youth in most other developed countries In response to the emergence of safety concerns in pediatric antipsychotic medication use Federal State and public sector agencies invested in a breadth of systems level strategies to monitor antipsychotic medication use and support best practice prescribing For example by 2014 31 State Medicaid programs employed an administrative tool referred to as prior authorization to require prescribing clinicians to receive approval before dispensing antipsychotic medications for all or a subset of youth In recent years a growing evidence base arose in both the peer reviewed and grey literature documenting the effectiveness of prior authorization and other systems level Meeting the Needs of Children in Substitute Care Arabella

Weyts,2005 This study sets out to scrutinize to what extent the needs of children in four different European regions are similar

Social Work with Looked After Children Christine Cocker,Lucille Allain,2019-04-15 This is a popular guide to a complex and demanding area of practice that looks at the experiences of children in need who live in state care and the social worker s role in working with them There are chapters on communication and children s rights life story work attachment and culture as well as ethnicity and faith

Young People and the Care Experience Julie Shaw,Nick Frost,2013-04-12 The care system looks after the most vulnerable young people in society those who are for a variety of reasons unable to live with their parents *Young People and the Care Experience* examines what can be done to support young people to remain at home and if this is not possible how they can be supported whilst in care and on leaving care The book explores the range of options foster care children s homes and adoption and how these options interact Using the latest research and framing the issues through both psycho social and legal perspectives the book provides an in depth analysis of young people s experience of the care system and how it can be improved Examining the challenges faced by children on their journey from initially entering care to living independently after care the book places these issues in a global context Specifically it discusses how to support children and young people at home an analysis of the history and demographics of children placed in care the challenges faced by children living in foster care the challenges faced by children living in a children s home the challenges faced by children being adopted leaving care The book will be of interest to all those working with children in care or those who have experience of the care system as a professional carer or young person It will also be of interest to researchers and students of developmental and social psychology social work and also to policy makers

Research for Action Robert J. Chaskin,Jona M. Rosenfeld,2008 Across the social welfare and human services fields interest is growing in how to apply research to influence policy and practice simultaneously with globalization s advance it is clearer than ever that an international perspective is vital in understanding how social political and institutional contexts affect research and dissemination practices This volume with contributions from an array of eminent researchers and practitioners provides valuable insight into effective research practice and the factors involved in putting research findings to use Leading with experience narratives of six child welfare case studies from the UK Ireland Israel South Africa and the US the book frames those cases in the context of relevant literatures to build up a cross case analysis that distills lessons throws enduring questions into relief and lays a foundation for informing future practice It mines the cross national experience to develop perspective for a better understanding of the importance of different policy and cultural environments while nonetheless emphasizing issues that are applicable across borders The ground prepared by the case studies allows the volume to tease out themes and lessons placing the empirical findings against relevant theoretical frameworks and developing guidelines for improving research practice in this arena Researchers policymakers practitioners and advocates concerned with promoting effective policy and practice will find this book a vital aid in understanding how to apply

knowledge to the real world and bring about in ways that can inform and contribute to social change

Safeguarding Children from Abroad Emma Kelly, Farhat Bokhari, 2012 This book examines the problems faced by separated children from abroad refugee migrant or trafficked children what their needs are and how their needs should be met in order to ensure their effective safeguarding It identifies gaps in services and demonstrates how these gaps can be addressed Case studies and best practice points feature

Family and Community Interventions for Children Affected by AIDS Linda M. Richter, Julie Manegold, Riashnee Pather, 2004 This report forms part of a project funded by the W K Kellogg Foundation to implement a strategy for the care of orphans and vulnerable children in Botswana South Africa and Zimbabwe with a review of the available scientific information on interventions aimed at children families households and communities

Rutter's Child and Adolescent Psychiatry Sir Michael J. Rutter, Dorothy Bishop, Daniel S. Pine, Stephen Scott, Jim S. Stevenson, Eric A. Taylor, Anita Thapar, 2011-08-24 Rutter's Child and Adolescent Psychiatry has become an established and accepted textbook of child psychiatry Now completely revised and updated the fifth edition provides a coherent appraisal of the current state of the field to help trainee and practising clinicians in their daily work It is distinctive in being both interdisciplinary and international in its integration of science and clinical practice and in its practical discussion of how researchers and practitioners need to think about conflicting or uncertain findings This new edition now offers an entirely new section on conceptual approaches and several new chapters including neurochemistry and basic pharmacology brain imaging health economics psychopathology in refugees and asylum seekers bipolar disorder attachment disorders statistical methods for clinicians This leading textbook provides an accurate and comprehensive account of current knowledge through the integration of empirical findings with clinical experience and practice and is essential reading for professionals working in the field of child and adolescent mental health and clinicians working in general practice and community pediatric settings

Practical Social Work Law Siobhan E. Laird, 2014-05-01 Practical Social Work Law analysing court cases and inquiries presents legal issues associated with social work in an accessible format It approaches the law in a way that is less daunting and more engaging by examining actual court cases and public inquiries and explores the stories of real people and the legal and ethical dilemmas practitioners will face The text adopts a problem centred approach to learning by introducing the reader to key aspects of the law through a series of real life situations it addresses basic principles regarding the operation of the law and explores the lessons for good practice Each chapter addresses a specific area of social work law including family breakdown safeguarding children youth justice adults with disabilities mental health and mental capacity Landmark cases cases drawn from the lower courts tribunals and ombudsmans decisions are included throughout presenting an accessible account of the application of the law Practical Social Work Law is an essential text for undergraduate postgraduate and recently qualified social workers who are wrestling with the complexity of the law and the professional dilemmas it poses for their practice This book is unusual for a law book in that it is not only a reference book but also a very readable volume It is

set out clearly and provides a sound basis for student social workers new to the law and a refresher for qualified practitioners Catherine Poulter RSW Integrated Community Services Carmarthenshire County Council

Peer Violence in Children's Residential Care C. Barter,E. Renold,D. Berridge,P. Cawson,2004-07-12 Much concern has been expressed about the scandal of physical and sexual abuse by care workers of children living in residential homes but this is the first detailed study of the major problem of violence between children Based on extensive interviews with young people as well as staff children s own perspectives and experiences of violence are highlighted There is important new information about different levels of violence between homes the significance of gender and group hierarchies and strategies to tackle violence

on their websites. While this might not be the Children Residential Care Best Practice Guide full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Children Residential Care Best Practice Guide eBooks, including some popular titles.

FAQs About Children Residential Care Best Practice Guide Books

What is a Children Residential Care Best Practice Guide PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Children Residential Care Best Practice Guide PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Children Residential Care Best Practice Guide PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Children Residential Care Best Practice Guide PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Children Residential Care Best Practice Guide PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
