*What the Bible Actually Teaches on Women* Kevin Giles, 2018-10-19 Kevin Giles has been writing on women in the Bible for over forty years. In this book *What the Bible Actually Teaches on Women* he gives the most comprehensive account to date of the competing conclusions to this question and the issues surrounding it. To understand the bitter and divisive debate among evangelicals over the status and ministry of women it needs to be understood that those who since 1990 have called themselves complementarians argue that in creation before the fall God set the man over the woman. Thus the leadership of the man and the subordination of the woman in the home, the church, and wherever possible in the world, the whole creation is the God-given ideal that is pleasing to God. It is this theology that Kevin Giles deconstructs and shows to be without a biblical foundation. Giles shows that he is fully conversant with the complementarian position and yet is unpersuaded by it. He sees it as an appeal to the Bible to preserve male privilege similar to the appeals to the Bible to validate slavery and Apartheid appeals to the Bible made by some of the best Reformed and evangelical biblical scholars and now seen to be special pleading. Carefully studying the limited number of texts on which complementarians predicate their theology of the sexes, Giles finds not one of them actually teaches what complementarians claim. Furthermore, complementarians too often ignore the texts that are very difficult for them. In this book, the ordination of women gets only passing mention. The constant focus is on whether or not the Bible subordinates women to men as an abiding theological principle.

Thoughtful Proclaimer Elizabeth Wright Anderson, 2017-10-23 *Thoughtful Proclaimer* takes you from passage choice to proclamation. This book walks with you through message preparation that transforms both your heart and the hearts of your congregation or class. Aimed at those who proclaim the Word of God in a variety of church and parachurch settings, the *Thoughtful Proclaimer* method uses a contemplative question-based technique to determine the Commander's intent. God's purpose for every passage of scripture, God's intent for a passage, becomes the point for proclamation of a redemptive and relevant message. Anderson uses humor and story to teach good communication techniques so that every message brings lasting transformation to your listeners.

Theology, Church, and Ministry David S. Dockery, 2017-10-01 *Theology, Church, and Ministry: A Handbook for Theological Education* helps readers understand the critical role theological education plays in equipping God-called ministers for service in the church.

**McMaster Journal of Theology and Ministry: Volume 12** Hughson T. Ong, 2011-12-01 The *McMaster Journal of Theology and Ministry* is an electronic and print journal that seeks to provide pastors, educators, and interested lay persons with the fruits of theological, biblical, and professional studies in an accessible form. The Quest for Early Church Historiography Jeremiah Mutie, 2022-09-09 *The Quest for Early Church Historiography* explores how early church historiography underwent a significant shift beginning with the thought of Ferdinand Christian Baur, 1792-1860, a shift that eventually culminated in the current extreme historiographies of

such scholars as Bart D Ehrman 1955 Through the tracing of this historiographical trajectory this work argues that rather than seeing these current historiographies as having suddenly appeared in the scholarly scene a better approach is to see them as the fruit of this long trajectory Of course as the work has sought to demonstrate this trajectory is itself full of turns and twists But the careful reader will hopefully be able to see the intrinsic connections that are demonstrably evident The Forgotten Officer Joe Kohler,2016-04-11 The Bible teaches that the church is the fullness of Christ on earth Eph 1 23 and that God is able to do abundantly beyond all that we ask or think according to the power at work within the church Eph 3 20 So why are so many people disappointed with their church experiences Why do so many outsiders view the church as irrelevant Why do so many hop from one church to the next looking for fulfillment Why are so many professing Christians seeking a form of Christian experience that no longer needs any connection with the organized church The truth is that we have collectively drifted away from Gods blueprint for growing the body of Christ up into full maturity and attaining the fullness that he designed We have inherited a leadership model that is more influenced by pagan practices pragmatism and capitalism than by the Scriptures This cultural inheritance is extremely powerful and it has resulted in a contemporary blind spot on a biblical truth of critical importance It has led to our modern failure to properly recognize and appreciate a gift given by Jesus to his bride This is the bad news The good news is that reform is possible Learn what has been forgotten and rediscover the fullness of Gods design for his church **A Layperson's Guide to Biblical Interpretation** Luke Brad Bobo,2016-01-15 Interpreting an ancient book like the Bible can be an intimidating task Hopefully this book will demystify or make less complicated the task of Biblical interpretation for the layperson or seminarian by the use of a handy and memorable acronym SCAR where S means sitting with the text to listen to the Biblical author s words over and over again where C means the literary and cultural historical contexts where A means analysis and finally where R means God s Redemptive Remedy Readers are treated to some accessible theory behind Biblical interpretation in Part 1 and examples in Part 2 where SCAR is applied directly to two Old Testament and two New Testament texts God has revealed himself on the pages of Scripture He has revealed himself because he wants to be jealously and desperately known so my prayer for you is that this small book along with the True Biblical Interpreter the Holy Spirit will greatly and patiently escort you in this endeavor so that you fall more in love with our beautiful and gracious God who knows and loves you intimately And may your growing and maturing love for him manifest itself in your unwavering obedience to him
