**Their Rock Is Not Like Our Rock** Daniel Strange, 2015-02-03 The reality of the West's post Christendom multiethnic multicultural context has meant that more than ever Christians face questions posed not simply by the existence of other religions but also by their apparent flourishing If secularization is alive and well then so too is society's sacralization Hence a theology of religions is arguably the most significant concern confronting Christian mission and apologetics in the twenty first century There has been little evangelical theology offering a detailed comprehensive and biblically faithful analysis not only of the question of salvation but also questions of truth the nature and history of human religiosity and a host of other issues pertaining to Christian apologetics and contextualization amid religious pluralism In *Their Rock is Not Like Our Rock* lecturer and vice principal of Oak Hill College in London Daniel Strange explores these issues and offers the beginning of a theology of other religions

**The Trinity and the Bible** J. Alexander Rutherford, 2022-10-14 To write on the Trinity is to enter a minefield of presuppositions presuppositions of theology exegesis grammar logic philosophy etc However at the heart of God's self revelation in the Bible is God's tri-unity that God is three Father Son and Holy Spirit Confessional Christians would identify this claim that God is Triune as a necessary condition of true Christian faith To be Christian is to follow Christ who is the 2nd person of the Trinity Yet does following this Christ mean following the 2nd hypostasis who is eternally begotten of the Father sharing with him his ousia That is a more difficult question isn't it Indeed many faithful men and women in my life could not make heads or tails of the latter claim while worshipping and following the Christ of the former So what does it mean to be Trinitarian This book is about that question what does it mean to be a Christian who worships a triune God to be Trinitarian Is the Trinity a doctrine arrived at through second order reflection on the Biblical data several hundred years after the canon closed or is it something else Is it perhaps a presupposition about the reality of God that has shaped the Christian imagination that has shaped the framework Christians bring to the world throughout created history

*Knowing God through Journey and Pilgrimage* Seung Yeal Lee, 2011-04-01 The Hebrew Christian Scriptures include many allusions to pilgrimage customs and practices yet the information is scattered and requires a considerable amount of reconstruction It is posited that the pilgrimage paradigm including the journey motif has influenced the thought patterns of the writers of both the Old and New

Testaments To follow Jesus journey to Jerusalem on the three feasts of pilgrimage in Luke Acts and John and their relevance to the way he revealed himself and taught his disciples this work begins with the creation and patriarchal narratives examining how the pilgrimage paradigm relates to discipleship Reviewing the history of the people of God including the Exodus the Exile and restoration this book establishes the significance of pilgrimage as a paradigm for Israel that eventually shapes Judaism Seung Y Lee points us to a neglected fact that the three feasts of pilgrimage have developed their own characters and meanings for the momentous events in the history of Israel and both Luke Acts and John reflect the significance of the pilgrimage paradigm for Jesus self understanding and his teaching      *Contextualization or Syncretism?* Derek Brotherson,2021-11-11 As Christians seek to follow Paul s example of becoming like all people in order to win them to Christ a key question arises How far is too far Is there a point where appropriate contextualization becomes gospel distorting syncretism With the growing prominence of Insider Movements in the Muslim majority world in recent decades these questions have become especially urgent and hotly debated Based on an in depth biblical theological study of key Bible texts used by Insider Movement proponents and critics this book provides a ground breaking new assessment tool for distinguishing contextualization from syncretism It provides an invaluable resource for those engaged in ministry amongst Muslims for those with questions about Insider Movement practices and for all who seek to grow in their understanding and practice of biblically grounded and authentic contextualization of the gospel      *Commentary & Reference Survey* John Glynn,2007 Now in its tenth edition this reliable acclaimed guide lists and ranks approximately 900 commentaries and 1 600 other biblical resources for the benefit of professors Bible students and pastors Two new chapters on exegetical software round out this comprehensive guide      *The Community of Jesus* Kendell H. Easley,Christopher W. Morgan,2013-09-15 A biblical historic systematic and missional theology of the church with contributions from noted academic leaders including Andreas J K stenberger David S Dockery Kendell H Easley Christopher W Morgan and several others      *Exodus (Teach the Text Commentary Series)* T. Desmond Alexander,2016-08-16 Focused Biblical Scholarship to Teach the Text Effectively The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text The newest release in this innovative commentary series is T Desmond Alexander s treatment of Exodus      **Paul's Use of the Old Testament in Romans 9.10-18** Brian J. Abasciano,2011-04-21 Brian Abasciano continues his project examining the use of the Old Testament in Romans 9 Abasciano builds upon his forthcoming LNTS volume Paul s Use of the Old Testament in Romans 9 1 9 continuing the project begun in that volume and its intertextual methodology This method incorporates into a thorough traditional exegesis a comprehensive analysis of Paul s use of Scripture against the background of interpretive traditions

surrounding the texts alluded to with great emphasis placed on analyzing the original contexts of Paul's citations and allusions. Such an intertextual exegesis is conducted in Romans 9:10-33 with an awareness of the broader unit of chapters 9-11 especially and also the epistle as a whole. Conclusions for the meaning of these passages and their theological significance are drawn. Formerly the Journal for the Study of the New Testament Supplement, this is a book series that explores the many aspects of New Testament study including historical perspectives, social scientific and literary theory and theological, cultural and contextual approaches. The Early Christianity in Context series, a part of JSNTS, examines the birth and development of early Christianity up to the end of the third century CE. The series places Christianity in its social, cultural, political and economic context.
