Exotic Desires M. S. Parker, 2015-05-04 When I discovered that Nami was born into royalty I knew that she was right Our worlds didn't belong together We needed to move on The problem was I didn't know if I could Reed Stirling is trying hard to forget ever meeting the exotic princess who crossed his path in Europe but as much as he's trying he can't As he heads back to Philadelphia he knows he has a choice to make a choice that is going to change the direction of his life forever All Nami Carr wanted was to experience a couple days like a normal person She'd told herself that she could let Reed go and focus on her duty for her country Now she isn't so sure Don't miss the exciting second book of M S Parker's newest smoking series *Exotic Desires* [Violence, Desire, and the Sacred, Volume 2](#) Scott Cowdell, Chris Fleming, Joel Hodge, 2014-01-30 This collection of state of the art interpretations of the thought of Ren Girard follows on from the volume *Violence Desire and the Sacred* Girard's Mimetic Theory Across the Disciplines 2012 The previous collection has been acclaimed for demonstrating and showcasing Girard's mimetic theory at its inter disciplinary best by bringing together scholars who apply Girard's insights in different fields This new volume builds on and extends the work of that earlier collection by moving into new areas such as psychology politics classical literature national literature and practical applications of Girard's theory in pastoral spiritual care peace making and religious thought and practice *New Intimacies, Old Desires* Oishik Sircar, Dipika Jain, 2017-06-21 In the last 15 years queer movements in many parts of the world have helped secure the rights of queer people These moments have been accompanied by the brutal rise of crony capitalism the violent consequences of the war on terror the hyper juridification of politics the financialization managerialization of social movements and the medicalization of non heteronormative identities practices How do we critically read the celebratory global proliferation of queer rights in these neoliberal times This volume responds to the complicated moment in the history of queer struggles by analysing laws state policies and cultures of activism to show how new intimacies between queer sexuality and neoliberalism that celebrate modernity and the birth of the liberated sexual citizen are in fact reproducing the old colonial desire of civilizing the native By paying particular attention to the problematics of race religion and class this volume engages in a rigorous self reflexive critique of global queer politics and its engagements confrontations and negotiations with modernity and its investments in liberalism legalism and militarism with the objective of queering the ethics of our queer politics Published by Zubaan *Ethnicity as Desire* Emre Busse, 2024-11-04 What can ethnic differences tell us about the desiring gaze while addressing the motives that result from the power and desire in gay ethnic pornography in Europe How do pornographic films authenticate their ethnic subject in different European countries and how can the fetishism of presenting an authentically foreign body be best approached Is the transformation of sex tourism which affects countries differently reflected through the ever evolving history of gay pornography in Europe And how does this transformation contrast or overlap with the legacies of Orientalism and colonialism In addressing these questions this book will participate in ongoing debates

concerning Orientalism and colonialism and make a contribution to the growing field of pornography studies While recent works by scholars have considered the relation between US mainstream gay pornography and its representations of ethnicity and race and have also discussed examples from Europe predominantly France no historical study has yet bridged the gap between earlier European gay ethnic pornography and its current specifically German Turkish manifestations Furthermore this exploration of recent studios like GayHeim will also contribute to discussions on the mobility issues of non European men while illustrating how these new productions can be refugee or migrant positive while simultaneously perpetuating Orientalism

Pierre Loti and the Theatricality of Desire Peter James Turberfield,2008 Pierre Loti and the Theatricality of Desire offers an original analysis of patterns of unconscious desire observable in the life and work of the French orientalist writer Pierre Loti It aims to reconcile attitudes and conduct that have been regarded as contradictory and not amenable to analysis by locating the unconscious urges that motivate them It looks at the ambiguous feelings Loti expresses towards his mother the conflicting desires inherent in his bisexuality and his deeply ambiguous sense of a cultural identity as expressed through his cross cultural transvestism The political implications of this reappraisal are also considered offering a potential reassessment of the apparently exploitative nature of much of Loti s writing This new reading in terms of the unconscious not only serves as a way of understanding inconsistencies but also suggests how such new interpretations can offer an alternative way of viewing the hierarchies of power his work portrays on both a sexual and political level This volume is consequently of interest to those interested in gender studies and sexual politics and offers a way of appreciating writing that might otherwise appear dated and embarrassingly sexist and colonialist in content to twenty first century readers *Journal of the American Veterinary Medical Association* ,1992
