Expect Miracles Joe Vitale:

Expect Miracles Joe Vitale, 2009-12-01 Have you ever wondered why guru advice doesn't work for you? How can you possibly expect miracles in your life when you can't even get through the day? For most of Vitale's career he's helped people understand how to improve their lives and live their dreams. During that time he's also encountered many people who are convinced that it won't work and that all those great and wonderful things that happen to others will never happen for them. The world of self-development seems inundated with the idea that positive thoughts will change your life. While that is part of the solution, it is only one part. Vitale believes that positive expectation coupled with action is the real key. A person can try to convince himself that he is happy, but if his mind is filled with counter intentions and self-limiting beliefs that tell him otherwise, he will never make any progress. The only way to truly live one's dreams is to clear away those counter intentions and take total responsibility for one's own happiness. This audio book will teach the listener how his own thoughts and experiences create negative self-talk. How to bring himself to conscious awareness and affect change. How to be grateful for all the experiences in his life and use them for good. That we have the power to choose how we view the circumstances in our lives. What one tells oneself versus the reality of what is. How to live and be present in life rather than living in the past or future. This audio book presents the steps that can help the listener find his own inner miracle and will teach him how to expect miracles in his life each and every day.

Expect Miracles Second Edition Dr. Joe Vitale, 2018-10-09 Manifesting one's dreams and wishes is not as hard as we think it is. Vitale's practical, easy-to-apply psychology involves attracting one's life desires by understanding and accepting them. This book enables readers to show results on their own quickly and easily. Miracles are neither impossible to experience nor difficult to achieve if we allow ourselves to make them possible.

Always, Yes Always, Expect Miracles! Kassie Wright, 2010-12-10 Many of us simply don't have time in our busy lifestyles for anything spiritual. We don't set aside me times. Often we skip reading inspirational stuff because we rationalize that we have more important things to do. I was one of those people. This was one of those things: Too busy to read any self-help or inspirational stuff, let alone Law of Attraction books. I thought I was above that. I didn't need self-help. At least not until Miracles started to happen. When things seem to be as bad as they can be, if we look within, we all can discover The Power. Each one of us has it. It exists within us all. It's love. And when we become aware and conscious, we can feel the energy. We can use this energy to guide us through our life. To find

happiness and peace The Power doesn't exist outside It lives within our hearts Understand the Universal Laws and use them to design the life of your dreams Set yourself up to receive everything you always wanted in life Once you begin to see the light you'll never go back to darkness Surround yourself with positive people And remember you get what you give And always yes always EXPECT Miracles *Your Unlimited Self* Joe Vitale, 2022-07-12 What Are The 9 Proven Techniques to Achieving Your Goals Joe Vitale has the secret In this empowering new book bestselling author Dr Joe Vitale one of the stars of the hit movie The Secret provides the techniques you need to clear your mind so that you will attract the right results and achieve your goals faster than you ever imagined Limiting beliefs will come true as long as you believe them But they are not facts They are not truth They are only true to the extent you believe in them and when you change your beliefs you'll find that you will get different results Now is the time to open your mind and take responsibility for your life and begin doing things to move forward and reach your goals Let Dr Vitale lead you on this journey to achieve the results that you've been dreaming about striving for To rid your mind of all the limiting blocks which are preventing you from reaching your dreams he will teach you these 9 Clearing Techniques Socratic Questioning Ho'oponopono Self Hypnosis Healing Music Mentoring and Coaching Tapping and EFT Rewriting Your Story Nevillizing Affirmations Dr Joe Vitale is a globally famous author marketing guru movie TV and radio personality musician and one of the top 50 inspirational speakers in the world His many bestselling books include The Attractor Factor Attract Money Now and Zero Limits A popular leading expert on the law of attraction in many hit movies including The Secret Dr Vitale discovered the missing secret not revealed in the movie He's been on CNN CNBC CBS ABC Fox News Fox Friends and Extra TV He's also been featured in The New York Times and Newsweek
